levels through repeated reading of traditional poems songs reader s theater and monologues based on dr timothy rasinski s important fluency research these books are ideal for ell students two cd s are included an audio cd with recordings of the songs and a teacher resource cd with the songs presented in powerpoint for whole class participation includes 1 cd rom containing reproducibles of poems songs and scripts and one audio cd of recordings of the songs from the book increase student fluency levels through repeated reading of traditional poems songs reader s theater and monologues based on dr timothy rasinski s important fluency research these books are ideal for ell students two cd s are included an audio cd with recordings of the songs and a teacher resource cd with the songs presented in powerpoint for whole class participation reading fluency has been identified as a key component of proficient reading research has consistently demonstrated significant and substantial correlations between reading fluency and overall reading achievement despite the great potential for fluency to have a significant outcome on students reading achievement it continues to be not well understood by teachers school administrators and policy makers the chapters in this volume examine reading fluency from a variety of perspectives the initial chapter sketches the history of fluency as a literacy instruction component following chapters examine recent studies and approaches to reading fluency followed by chapters that explore actual fluency instruction models and the impact of fluency instruction assessment of reading fluency is critical for monitoring progress and identifying students in need of intervention two articles on assessment one focused on word recognition and the other on prosody expand our understanding of fluency measurement finally a study from turkey explores the relationship of various reading competencies including fluency in an integrated model of reading our hope for this volume is that it may spark a renewed interest in research into reading fluency and fluency instruction and move toward making fluency instruction an even more integral part of all literacy instruction fluency has two basic parts reading fluency is the ability to read quickly and accurately while using expression and proper phrasing speaking fluency is the ability to express oneself easily and gracefully each book has over 80 reading passages that are designed to engage young students by using humor compelling plots and exciting new words find out how math workshops engage students and increase learning this practical book from bestselling author dr nicki newton explains why math workshops are effective and gives you step by step instructions for
