AYURVEDA. LA CIENCIA DE CURARSE UNO MISMO PRINCIPIOS Y TÉCNICAS DE UNA DE LAS PRÁCTICAS MÉDICAS MÁS ANTIGUAS

UTILIZADAS HOY DÍA 1784 es un instante lo que se tarda en tomar una fotografía y sin embargo en ella hay contenidas miles de palabras que necesitarían siglos para ser dichas héctor lo sabe y por ello ha decidido estudiar fotografía quiere capturar la belleza aunque él haya redefinido ese término es un instante lo que se tarda en cambiar una vida entera o en terminarla esteban sabe eso y por ello vive en el pasado el mismo segundo plasmado en su rostro y repitiéndose en su mente una y otra vez esteban quiere librarse del dolor de una vida maltrecha y héctor cree que su sufrimiento es lo mejor que tiene y que no debería dejarlo ir

Metodo para curarse uno à sí mismo las enfermedades venéreas 2009 originally published in 1996 during the author s decade of critical ethnography in carpinteria california she has illuminated the intricate relationships between latino families as together they build a sociopolitical community to bridge family and school alliances how they extend their learning from the social networks to the family arena and to the personal and in reverse represents their protean responses to the diversity and adversity in their lives this life story captures the collective and individual texts of the latino children their parents and educators used to empower themselves to transform discontinuity in an age where continuity is increasingly foreign

□□□□□□ 2018-08-02 a los 14 años con la lectura de análisis profano de freud se produce un quiebre en la vida de maría esther gilio después de haber pasado mi primera infancia diciendo quiero ser médica de locos después de ver un film de claudette colbert en que ésta con todo su encanto francés convertía a locos furiosos en santos de estampita quise ser psicoanalista este es el testimonio de alguien que sospecha que hablar de uno mismo en el pasado es como hablar de otra persona y que el presente surge permanentemente como un espejo que no siempre queremos enfrentar de manera directa llegamos a hoy y yo no quiero escribir sobre mí misma como si la conversación con quienes compartimos preciados intereses mostrara nuestra identidad más genuina la autora abogada escritora biógrafa y periodista nos habla de experiencias de vida a través de una serie de entrevistas aparecen aquí algunos de los más importantes y prestigiosos psicoanalistas contemporáneos jean laplanche jacques alain miller emilio rodrigué elisabeth roudinesco benzión winograd silvia bleichmar janine altounian lito benvenuto mordechai benyakar césar botella françoise davoine jean max gaudilliere daniel gil max hernández philippe jeammet françois marty paul roazen y teresa yuan de manera paulatina el lector encontrará en estas páginas una impresión de coherencia ética y profesional en el tratamiento de temas que le dan sentido a aquel primer deseo y que revelan que nuestras decisiones siempre están estrechamente unidas a lo que imaginamos

Para Curarse a uno Mismo 2016-11-20 most popular general introduction to ayurveda the alternate health science of india

Guía de estudio de la historia de la Iglesia, parte 1 2017-11-22 south eastern huastec a mayan language from mexico has never before been written down although the master storytellers of the language are long gone today s older generations preserve the vast knowledge of their culture in speech that spoken heritage in south eastern huastec ranging from traditional house building techniques to herbal

remedies and funerary practices is gathered here and transcribed for the first time collected and recorded by ana kondic in the village of san francisco chontla in la sierra de otontepec veracruz mexico between 2007 and 2011 and translated into english and spanish the accounts in this landmark trilingual collection provide a rare opening into south eastern huastec traditions oral literature and daily life kondic divides south eastern huastec narratives into five thematic sections traditional practices contemporary life stories songs and customary foodways within these categories eighteen huastec narrators describe local beliefs religion rituals and cosmology as observed in cleansing ceremonies and celebrations they detail building methods and traditional craftsmanship the care of children daily routines and use of the south eastern huastec language itself they recount stories and legends of killer coyotes drunken horsemen and encounters with death and explain the preparation of tamales coffee and hand pressed tortillas wherever possible kondic retains in her transcriptions the unique characteristics of each speaker s voice the self corrections repetitions and pauses her morphological analysis of south eastern huastec will help experts understand the language more deeply an accompanying audio video dvd rom allows readers the rare chance to hear and see these narrators tell their stories in their own language of the approximately 100 000 people who speak the huastec language only about 12 000 use the south eastern variety presented here as the only book recording and analyzing this endangered language this collection of narratives is a crucial document for preserving the south eastern huastec language and the remarkable culture it conveys the book includes a cd rom with both audio and video tracks

Protean Literacy 2020-09-25 this work is based on research and advocacy with the people of two multiethnic indigenous resguardos located at the outskirts of the colombian towns of leticia and puerto nariño through an analysis of the relationship between development institutions and indigenous people the book examines the dynamics of social praxis in contexts where development is debated enforced and subverted and it does so in a dialogue with the critical perspective of post development and the critiques woven by indigenous people on the basis of their experiences world views and embodied perceptions of well being in spite of being the postulate of development the improvement of the people s quality of life indigenous people express the feeling that their life quality has become worse as development projects proceed and they see themselves as both physically and spiritually ill while they become increasingly involved in the development apparatus they strive to resist the implicit beliefs of development as well as its practical workings in a situation of crisis which pervades as a virus the human social and cosmic bodies indigenous people endeavor to cure the pathogenic energy of development through the strengthening of cultural meanings and the weaving of intercultural alliances for the supra ethnic ensemble known as people of the center this twofold process is articulated through the ritual consumption of coca and tobacco this work asks why this philosophical and ritual system is able to resonate in an indigenous multicultural context and how it generates schemas for political agency that intertwine in a powerful way healing dissent and the consolidation of intercultural networks

Cuando los que escuchan hablan 1984 this text presents topics such as treatment of sampling interviewing participant observation taking and managing field notes analyzing data and text analysis the author also discusses recording equipment voice recognition software computer based questionnaire methods internet based surveys and word processors as text managers

Ayurveda 1979 this text provides a comprehensive guide to doing research in the social and behavioral sciences from research design

and sampling to collecting and analyzing data rich in examples the book has been revised and updated to provide today's students with a conceptual understanding of each qualitative and quantitative technique as well as showing them how to use it the main strength of this text is coverage of both quantitative and qualitative methodology from a broad range of fields the examples are often my students favorite thing to discuss in class erica b gibson university of south carolina bernard does an excellent job of not only showing how to practice research but also provides a detailed discussion of broader historical and philosophical contexts that are important for understanding research julian kilker university of nevada las vegas the depth of detailed descriptions foundations of social research interviewing participant observation field notes and data analysis go beyond other texts the organization is superb benedict j colombi university of arizona

Dissertation Series 2016-07-27 powerful personal accounts from migrants crossing the us mexico border provide an understanding of their experiences as well as the consequences of public policy

South Eastern Huastec Narratives 1979 northern new mexico holds a living tradition and folklore dealing with witchcraft that is beginning to die out as the older generations pass away the author has compiled 150 firsthand accounts of supernatural experiences and traditional stories from the people of the pecos valley the text is bilingual in spanish and english with glossaries of regional spanish words and supernatural terms

Toward an Understanding of Kofan Shamanism 2015-09-04 in this study the authors examine why residents of a tarascan indian village in the highlands of central mexico use western medicine as well as native curing processes
