Satan 2001-09-01

weird title isn't it one would think that i did not give myself permission to write about myself or the world forbade people to read about me ever since i can remember and that i can assure you has been many years of remembrance people have been writing and reading about this personality and that celebrity and that famous or infamous person but no one has or was interested in reading about a person with no personality and no status a complete unknown it is as if no one was authorized to read about nothing regarding a nobody or as samuel clemens would put it much ado about nothing well here is your chance and whatever the case you be the judge of this narrative

The Unauthorized Autobiography of an Unknown Person 2011-01-19

dressed to the nines and draped with diamonds danielle steel is america's favorite author she has enchanted readers with each of her 44 bestselling novels and has a total of 350 million books in print now this stunning uncensored biography reveals how closely danielle's fiction is based on real life the rich men the dangerous men the heartbreak the struggles the triumphs and the secrets too dark to tell read all about her cruel lonely childhood which became the inspiration for her novel loving her long hidden marriage to a convicted rapist the scandalous real story readers will recognize in her novel now and forever her third husband a handsome heroin addict who like the protagonist of remembrance broke her heart and nearly ruined her life her lavish spending and opulent lifestyle in a san francisco mansion the tragic death of her nineteen year old son in 1997 the break up of her fourth marriage and the new man in danielle steel's life with eight pages of photos

The Lives of Danielle Steel 1995-08-15

the revealing story of dan brown the man who outsold the bible the da vinci code made dan brown one of the most popular authors in history yet he's also one of the most secretive rarely granting interviews or making public appearances in this illuminating biography lisa rogak uncovers the life of the high school english teacher and singer songwriter who became one of the world's bestselling writers she recounts his bumpy road to publishing success and the legal battle that he fought and won and she sheds light on the writing process and brown's fascination with puzzles and codes that has brought us digital fortress deception point angels demons the da vinci code the lost symbol and inferno for the first time in paperback this revised and updated biography offers fans a chance to learn more about the author whose novels have captivated millions of readers

Saint or Sinner? Father Christmas - The Chicago Years (An Unauthorised Biography) 2013-05-07

st pierre is two time and current champion of the ufc's most desired and hotly contested weight class he has forced other fighters to go to great lengths in an effort to unseat him but he's more than that he's ramping up the popularity of the sport itself and the culture around it st pierre is a marketer's dream he's handsome charismatic and funny in a self-effacing way he's canadian fluently bilingual came up from a difficult background with a few personal tragedies and has never been involved with drugs or crime or had his love life make any headlines he's the man that the ufc is going to ride on in its quest to transform itself from niche market to mainstream it's already beginning while other ufc fighters have sponsors like gyms and equipment suppliers st pierre has signed multi million dollar deals with brands such as under armour and is even following in the footsteps of such luminaries as michael jordan peyton manning and sidney crosby as a spokesman for gatorade fighter details the life of st pierre how his talent hard work and perseverance have paid off handsomely and how his star has risen in the psyche of mixed martial arts fans around the world it describes how he is held in high esteem by a huge number of canadians despite the fact that his profession is looked down upon by many and is even illegal in several us states and canadian provinces st pierre's ascent and fame have become a democratizing force pressuring the establishment to take mixed martial arts and ultimate fighting seriously in ways that it would not have without him

Dan Brown: The Unauthorized Biography 2011-03-17

andrew morton uncovers the true story of the biggest celebrity of our age everyone knows tom cruise or at least what he wants us to know we know that the man behind the smile overcame a tough childhood to star in astonishing array of blockbusters top gun rain man born on the fourth of july a few good men jerry maguire several mission impossible movies and more we know he has taken artistic chances too earning him three academy award and golden globe nominations but beyond that the picture becomes a bit less clear we know that tom is a devoted follower of the church of scientology we know that despite persistent rumors about his sexuality he has been married to mimi rogers nicole kidman and katie holmes but it was not until he jumped on oprah's couch to proclaim his love for katie and

denounced brooke shields for turning to the nazi science of psychiatry that we began to realize how much we did not know about the charming hardworking star for all the headlines and the rumors the real tom cruise has remained surprisingly hidden until now

Hidden History 2002-05-23

have you ever wondered why a trumpeter of family values would suddenly turn around and cheat on his wife why jealousy would send an otherwise level headed person into a violent rage what could drive a person to blow a family fortune at the blackjack tables or have you ever pondered what might make mr right leave his beloved at the altar why hypocrisy seems to be rampant or even why every once in awhile even you are secretly tempted to lie cheat or steal or conversely help someone you never even met this book answers these questions and more and in doing so turns the prevailing wisdom about who we are upside down our character argue psychologists desteno and valdesolo isn t a stable set of traits

but rather a shifting state that is subject to the constant push and pull of hidden mechanisms in our mind and it's the battle between these dueling psychological forces that determine how we act at any given point in time drawing on the surprising results of the clever experiments concocted in their own laboratory desteno and valdesolo shed new scientific light on so many of the puzzling behaviors that regularly grace the headlines for example you'll learn why tiger woods just couldn't resist the allure of his mistresses even though he had a picture perfect family at home and why no one including those who knew him best ever saw it coming why even the shrewdest of investors can be tempted to gamble their fortunes away and why risky financial behavior is driven by the same mechanisms that compel us to root for the underdog in sports why eliot spitzer who made a career of crusading against prostitution turned out to be one of the most famous johns of all time why mel gibson a noted philanthropist and devout catholic has been repeatedly caught spewing racist rants even though close friends say he doesn't have a racist bone in his body and why any of us is capable of doing the same whether we believe it or not a surprising look at the hidden forces driving the saint and sinner lurking in us all out of character reveals why human behavior is so much more unpredictable than we ever realized

Embattled Dreams 2014-06-01

drugs are used in the diagnosis alleviation treatment prevention or cure of disease this is a book about drugs how they came to be and how they exert their magic today we have drugs to protect against infectious diseases to alleviate aches and pains to allow new organs to replace the old and for brain functions to be modified yet for the most part the manner by which drugs are developed and by whom remains a mystery drugs are more than just a pill or liquid and some have markedly altered history the author has selected a few drugs highlights representing milestones affecting our well being and influencers of social change the stories told are dramatic and include spectacular successes and dismal failures and the people about whom these stories are told are both saints and sinners selfless and conniving bold and mercurial and shy and retiring loner the drugs themselves mirror the diversity of their origin stories and the author assembles all sides of these fascinating stories

Buster Posey 2016-02-02
