The 48 Laws of Power 2000-09-01 an upbeat celebration of the numerous styles of bras traces their evolution through hundreds of archive photos discussing the bra s use and symbolism throughout history while showcasing bra fashion trends as donned by madonna marilyn monroe and numerous other stars

Bra 2004 is latin america experiencing a resurgence of leftwing governments or are we seeing a rebirth of national radical populism are the governments of hugo Chávez evo morales and rafael correa becoming institutionalized as these leaders claim novel models of participatory and direct democracy or are they reenacting older traditions that have favored plebiscitary acclamation and clientelist distribution of resources to loyal followers are we seeing authentic forms of expression of the popular will by leaders who have empowered those previously disenfranchised or are these governments as charismatic authoritarian and messianic as their populist predecessors this new and expanded edition of populist seduction in latin america explores the ambiguous relationships between democracy and populism and brings de la torre s earlier work up to date comparing classical nationalist populist regimes of the 1940s such as those of juan perón and josé maría velasco ibarra with their contemporary neoliberal and radical successors de la torre explores their similarities and differences focusing on their discourses and uses of political symbols and myths

Populist Seduction in Latin America 2010-05-05 many americans have condemned the enhanced interrogation techniques used in the war on terror as a transgression of human rights but the united states has done almost nothing to prosecute past abuses or prevent future violations tracing this knotty contradiction from the 1950s to the present historian alfred w mccoy probes the political and cultural dynamics that have made impunity for torture a bipartisan policy of the u s government during the cold war mccoy argues the u s central intelligence agency covertly funded psychological experiments designed to weaken a subject s resistance to interrogation after the 9 11 terrorist attacks the cia revived these harsh methods while u s media was flooded with seductive images that normalized torture for many americans ten years later the u s had failed to punish the perpetrators or the powerful who commanded them and continued to exploit intelligence extracted under torture by surrogates from somalia to afghanistan although washington has publicly distanced itself from torture disturbing images from the prisons at abu ghraib and guantanamo are seared into human memory doing lasting damage to america s moral authority as a world leader

Masters of Seduction 2014-07-11 a recent surge of interest in jewish patronage during the golden years of

vienna has led to the question would modernism in vienna have developed in the same fashion had jewish patrons not been involved this book uniquely treats jewish identification within viennese modernism as a matter of jews active fashioning of a new language to convey their aims of emancipation along with their claims of cultural authority in this provocative reexamination of the roots of viennese modernism elana shapira analyzes the central role of jewish businessmen professionals and writers in the evolution of the city s architecture and design from the 1860s to the 1910s according to shapira these patrons negotiated their relationship with their non jewish surroundings and clarified their position within viennese society by inscribing jewish elements into the buildings interiors furniture and design objects that they financed produced and co designed in the first book to investigate the cultural contributions of the banker eduard todesco the steel tycoon karl wittgenstein the textile industrialist fritz waerndorfer the author peter altenberg the tailor leopold goldman and many others shapira reconsiders theories identifying the crisis of jewish assimilation as a primary creative stimulus for the jewish contribution to viennese modernism instead she argues that creative tensions between jews and non jews patrons and designers who cooperated and arranged well choreographed social encounters with one another offer more convincing explanations for the formation of a new semantics of modern viennese architecture and design than do theories based on assimilation this thoroughly researched and richly illustrated book will interest scholars and students of jewish studies vienna and viennese culture and modernism
