

Ebook free Chapter 16 section 1 hitlers lightning war .pdf

at first the german blitzkrieg seemed to succeed soviet forces were driven back more than 600 miles to the gates of moscow with staggering losses in december 1941 hitler unilaterally declared war on the united states which consequently added its tremendous economic and military power to the coalition arrayed against him a second german blitzkrieg german lightning war military tactic calculated to create psychological shock and resultant disorganization in enemy forces through the employment of surprise speed and superiority in materiel or firepower it is most commonly associated with nazi germany during world war ii blitzkrieg definition blitzkrieg which means lightning war in german had its roots in earlier military strategy including the influential work of the 19th century prussian general carl blitzkrieg ' b l i t s k r i : g blits krieg german 'blitskvi:k from blitz lightning krieg war or bewegungskrieg is a word used to describe a combined arms surprise attack using a rapid overwhelming force concentration that may consist of armored and motorized or mechanized infantry formations together with blitzkrieg meaning lightning war was the method of offensive warfare responsible for nazi germany s military successes in the early years of the second world war combined forces of tanks motorised infantry and artillery penetrated an opponent s defences on a narrow front bypassing pockets of resistance and striking deep into enemy blitzkrieg german lightning war military tactic used by germany in world war ii designed to create psychological shock and resultant disorganization in enemy forces through the use of surprise speed and superiority in matériel or firepower in 1940 hitler did the seemingly impossible within a matter of weeks germany had managed to take the entirety of france and send the british army back across the channel this remarkable success was widely put down to their new tactic blitzkrieg or lightning war so what is blitzkrieg and why was it so effective blitzkrieg or lightning war was an unprecedented war of movement using modern technology and methods in the form of paratroops gliders fast moving tanks mobile infantry and artillery and aircraft particularly the dive bomber the blitz september 7 1940 may 11 1941 intense bombing campaign undertaken by nazi germany against the united kingdom during world war ii for eight months the luftwaffe dropped bombs on london and other strategic cities across britain the reason for hitler s spectacular early success in wwii was a brazen new style of warfare known as blitzkrieg a combination of the german words for lightning blitz and war krieg coined by western journalists who were floored by the speed and ferocity of the nazi attack germany defeated and occupied poland
