Unwind

2009-08-01

connor s parents want to be rid of him because he s a troublemaker risa has no parents and is being unwound to cut orphanage costs lev s unwinding has been planned since his birth as part of his family s strict religion brought together by chance and kept together through desperation these three unlikely companions make a harrowing cross country journey knowing all the while

that their lives are hanging in the balance if they can survive until their eighteenth birthdays they can't be harmed but when every piece of them from their hands to their hearts are wanted by a world gone mad eighteen seems far far away gripping brilliantly imagined futuristic thriller the issues raised could not be more provocative the sanctity of life the meaning of being human while the delivery could hardly be more engrossing or better aimed to teens publishers weekly starred review a thought provoking well paced read that will appeal widely school library journal starred review a breathless tale turning pages for teenage boys as it challenges not just where life begins and ends but what it means to be alive educ8 magazine a powerful shocking and intelligent novel it's wonderful wonderful stuff thebookbag.co.uk this is the kind of rare book that makes the hairs on your neck rise up it is written with a sense of drama that should get it instantly snapped up for film the times

Clockwise to Titan

2013-04-04

like prison break movie the shawshank redemption with teenagers the story begins with mo harte and moth on the run chased by the tyrannical forces of the institute then it flashes back to the weeks leading up to their break out as the three teens follow a line of pylons towards the other country and the hope of freedom we see how they cobble together their friendship and the tools of their escape as the teens weave together stories from their past present and imaginations the truth becomes harder and harder to bear only the long line of wires and the lure of another way of life pulls them towards their goal a story of hope peril and the fight against tyranny written by a debut author with a degree in particle physics every word is knocked against those surrounding it to form a fascinating action packed read

The Words in My Hands

2021-11-09

part coming of age part call to action this fast paced ownvoices novel about a deaf teenager is a unique and inspiring exploration of what it means to belong smart artistic and independent sixteen year old piper is tired of trying to conform her

mom wants her to be normal to pass as hearing to get a good job but in a time of food scarcity environmental collapse and political corruption piper has other things on her mind like survival piper has always been told that she needs to compensate for her deafness in a world made for those who can hear but when she meets marley a new world opens up one where deafness is something to celebrate and where resilience means taking action building a community and believing in something better published to rave reviews as future girl in australia allen unwinn sept 2020 this empowering unforgettable story is told through a visual extravaganza of text paint collage and drawings set in an ominously prescient near future the words in my hands is very much a novel for our turbulent times

Crow Call

2010-11-01

the two time newbery medalist has crafted a loving representation of a relationship between parent and child in post wwii america publishers weekly starred review this is the story of young liz her father and their strained relationship dad has been away at wwii for longer than she can remember and they begin their journey of reconnection through a hunting shirt cherry pie tender conversation and the crow call this allegorical story shows how like the birds gathering above the relationship between the girl and her father is graced with the chance to fly the memory of a treasured day spent with a special person will resonate with readers everywhere school library journal starred review beautifully written the piece reads much like a traditional short story the details of ibatouline's renderings gracefully capture a moment in time that was lost relevant for families whose parents are returning from war the text is also ripe for classroom discussion and for advanced readers kirkus reviews

The Giver (graphic Novel)

2019-02-05

the giver is a modern classic and one of the most influential books of our time now in graphic novel format lois lowry's newbery medal winning classic story of a young boy discovering the dark secrets behind his seemingly ideal world is accompanied by renowned artist p craig russell's beautifully haunting illustrations placed on countless reading lists translated into more than forty languages and made into a feature film the giver is the first book in the giver quartet that also includes gathering blue messenger and son in this new graphic novel edition readers experience the haunting story of twelve year old jonas and his seemingly ideal if colorless world of conformity and contentment through the brilliant art of p craig russell that truly brings the giver to life witness jonas's assignment as the receiver of memory watch as he begins to understand the dark secrets behind his fragile community and follow the explosion of color into his world like never before

The Ultimate Triumph

1999

deep learning is often viewed as the exclusive domain of math phds and big tech companies but as this hands on guide demonstrates programmers comfortable with python can achieve impressive results in deep learning with little math background small amounts of data and minimal code how with fastai the first library to provide a consistent interface to the most

frequently used deep learning applications authors jeremy howard and sylvain gugger the creators of fastai show you how to train a model on a wide range of tasks using fastai and pytorch you ll also dive progressively further into deep learning theory to gain a complete understanding of the algorithms behind the scenes train models in computer vision natural language processing tabular data and collaborative filtering learn the latest deep learning techniques that matter most in practice improve accuracy speed and reliability by understanding how deep learning models work discover how to turn your models into web applications implement deep learning algorithms from scratch consider the ethical implications of your work gain insight from the foreword by pytorch cofounder soumith chintala

Deep Learning for Coders with fastai and PyTorch

2020-06-29

into the fascinating pungent setting of blood and bone alley home of leech barber surgeon and apothecary comes matilda raised by a priest to disdain worldly affairs and focus on spiritual matters to matilda s dismay her work will not involve latin or writing but practical tasks lighting the fire going to market mixing plasters and poultices and helping peg treat patients she is appalled by the worldliness of her new surroundings and the sharp tongued saints she turns to for advice are no help at all filled with the witty dialogue and richly authentic detail that karen cushman s work is known for matilda bone is a compelling comic novel about a girl who learns to see herself and others clearly to laugh and to live contentedly in this world author s note

Matilda Bone

2000-10-16

nineteen eighty four a novel often published as 1984 is a dystopian social science fiction novel by english novelist george orwell it was published on 8 june 1949 by secker warburg as orwell s ninth and final book completed in his lifetime thematically nineteen eighty four centres on the consequences of totalitarianism mass surveillance and repressive regimentation of persons and behaviours within society orwell himself a democratic socialist modelled the authoritarian government in the novel after stalinist russia more broadly the novel examines the role of truth and facts within politics and the ways in which they are manipulated the story takes place in an imagined future the year 1984 when much of the world has fallen victim to perpetual war omnipresent government surveillance historical negationism and propaganda great britain known as airstrip one has become a province of a totalitarian superstate named oceania that is ruled by the party who employ the thought police to persecute individuality and independent thinking big brother the leader of the party enjoys an intense cult of personality despite the fact that he may not even exist the protagonist winston smith is a diligent and skillful rank and file worker and outer party member who secretly hates the party and dreams of rebellion he enters into a forbidden relationship with a colleague julia and starts to remember what life was like before the party came to power
