the thoughts and ideas in this book form the basis of stuart wilde s
philosophy on how to develop a more liberated mind set and thus a more
carefree and delightful life the thoughts and essays are from his best
selling books as well as his unpublished writings you can just open the
book anywhere and start reading usually you ll find that the first few
pages you read will feature some helpful hints that are very relevant to
some aspect of your current life somehow synchronicity will always lead
you to exactly what you need to know so if you want your spiritual
concepts short and sweet then this book will suit you perfectly as stuart
says any philosophy that you can t haul down to the bank or up to the
airport ain t worth having newly revised and updated

The Secrets of Solomon *2019-01-05*

the secrets of law explores the ways law both traffics in and regulates secrecy taking a close look at the opacity built into legal and governance processes it explores the ways law produces zones of secrecy the relation between secrecy and justice and how we understand nonverbal behavior in

law s processes the first half of the work examines the role of secrecy in contemporary political and legal practices including the question of transparency in democratic processes during the bush administration the principle of public justice in england s response to the war on terror and the evidentiary law of spousal privilege the second half of the book explores legal literary and filmic representations of secrets in law focusing on how knowledge about particular cases and crimes is often rendered opaque to those attempting to access and decode the information those invested in transparency must ultimately cultivate a capacity to read between the lines decode the illegible and acknowledge both the virtues and dangers of the unknowable
