because the journey is every bit as important as the destination chronicling your trip from the moment you decided to buy those air tickets to when you set foot on your door back home is what makes those getaways twice as fun and memorable and even though you can always use apps in your phone or tablet to track the details of your travel there s still something infinitely satisfying about the act of taking out your pen and jotting down memorable quotes you heard from chatty

locals keywords that struck you in a moment of inspiration while sipping a cup of espresso or a new foreign phrase you've just picked up but in the frenzy of planning your itinerary to last minute packing to hopping from one connecting flight to another it can be hard to remember to write down those seemingly insignificant details thankfully you've got this travel journal to help you with 108 pages of insightful thoughtful journalling prompts encased in an elegant glossy soft cover this is more than just a trip diary it's the first hand witness to every inch of your wanderlust fulfilled every sunrise and sunset you chased every foreign culture you soaked up every morsel of that exotic dish you dared to try and surprisingly liked this travel journal is your very own tangible time capsule a unique documentation of each trip you take because while travel is universal every trip is personal create your own story and experience the world through this travel journal journalling prompts my favorite part of the day my picture of the day what i learned today vacation notes location where i stayed what i feel today best thing i saw today best place i visited best food i ate
