exam essentials is our major british english exam preparation series

combining exam preparation practice and tips for the revised cambridge english exams this effective combination of testing and teaching has proved a popular formula with teachers and students the first two practice tests in each book are walk through tests students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam additional step by step support for the writing paper is offered in all the tests all of the tests are written by experts in the field which means that students preparing for the exams experience material that is appropriate for and at a level at least as high as the actual exams candidates internationally find the speaking test very challenging to help them deal with this each practice test book comes with a dvd rom which includes a bespoke video showing a complete speaking test interview as well as an examiner talking about this part of the exam and giving students expert guidance on how to approach it the dvd rom also features worksheets to use with the interview and all the listening test files

2004

complete first certificate is a new course for the 2008 revised fce exam informed by the cambridge learner corpus and providing a complete fce exam paper specially prepared for publication by cambridge esol it is the most

authentic exam preparation course available complete first certificate combines the very best in contemporary classroom practice with first hand knowledge of the challenges students face there are exercises to help students avoid repeating the typical mistakes that real fce candidates make as revealed by the cambridge learner corpus this topic based course covers every part of the fce exam in detail ensuring that students are fully equipped to tackle each part of every paper in addition the accompanying free cd rom enables students to focus on their own particular areas of difficulty and work at their own pace there is a student s book with answers and cd rom edition so students can study on their own or in class the teacher s book offers plenty of time saving consolidation and extension material including photocopiable resources such as tests and activities

## ***Focus on First Certificate***

1997

a curriculum geared toward helping students gain skills in consciously regulating their actions which in turn leads to increased control and problem solving abilities using a cognitive behavior approach the curriculum s learning activities are designed to help students recognize when they are in different states called zones with each of four zones represented by a

different color in the activities students also learn how to use strategies or tools to stay in a zone or move from one to another students explore calming techniques cognitive strategies and sensory supports so they will have a toolbox of methods to use to move between zones to deepen students understanding of how to self regulate the lessons set out to teach students these skills how to read others facial expressions and recognize a broader range of emotions perspective about how others see and react to their behavior insight into events that trigger their less regulated states and when and how to use tools and problem solving skills the curriculum s learning activities are presented in 18 lessons to reinforce the concepts being taught each lesson includes probing questions to discuss and instructions for one or more learning activities many lessons offer extension activities and ways to adapt the activity for individual student needs the curriculum also includes worksheets other handouts and visuals to display and share these can be photocopied from this book or printed from the accompanying cd publisher s website
