war of independence unfolds across a different colony if you've ever wondered what the final major battle of the revolution looked like from the inside you'll find a front row seat in the pages of the siege buy the siege today and witness the american revolution from behind enemy lines drawing upon feminist anthropological and postcolonial approaches munich searches out the myriad often contradictory incarnations of queen victoria in the minds of her subjects first published in 1987 this volume makes available key documents giving the contemporary reader a valuable record of women's struggle for education in the nineteenth and early twentieth centuries all of the women in this collection achieved significant reforms or struggled to change popular prejudices about women's education exquisite japan themed journal excellent gift for any occasion great for anyone who loves the beautiful country of japan and its famous culture 100 pages 6x9 college lined paper what did queen victoria have for dinner and how did this compare with the meals of the poor in the nineteenth century this classic account of english food habits since the industrial revolution answers these questions and more highlighting the first generation of women to have the vote in britain during the 1920s and 1930s this book presents a portrait gallery of sixteen prominent but very different feminists and underlines the achievements of the british feminist movement in advancing women's political occupational and family roles at home and abroad this textbook is for all students and practitioners of psychodrama and drama and professionals seeking to extend their knowledge of creative arts therapies the author provides a comprehensive overview of the theory and practice of psychodrama presenting a systematic analysis of its essential therapeutic ingredients he specifies the core issues involved discussing the interpersonal the emotional the imaginary the behavioural and the cognitive elements the book examines the professional roles assumed by psychodramatists and establishes the skills required in each role explored is the use of the concept of acting out both in psychodrama and psychoanalysis and the author also discusses the problem of resistance and the importance of the concept and technique of closure in each psychodrama a processing checklist is added at the end of the book as a systematic aid in evaluating the professional skills of the psychodramatist the chapters are both pragmatic and solidly grounded in theory thereby providing students with an effective in depth alternative to the traditional verbal therapies this study first published in 1980 argues that higher education for women was accepted by the end of the nineteenth century and higher education was becoming a desirable preparation for teachers in girls schools by accepting the opponents claim that higher education for women had the potential to revolutionise relations between the sexes this fascinating book demonstrates how the relevance of the nineteenth century serves to enhance our understanding of the contemporary women's movement this title will be of interest to students of history and education in victorian england the perception of girlhood arose not in isolation but as one manifestation of the prevailing conception of femininity examining the assumptions that underlay the education and upbringing of middle class girls this book is also a study of the learning of gender roles in theory and reality it was originally published in 1982 the first two sections examine the image of women in the victorian family and the advice offered in printed sources on the rearing of daughters during the victorian period to illustrate the effect and evolution of feminine ideals over the victorian period the book's final section presents the actual experiences of several middle class victorian women who represent three generations and range socioeconomically from lower middle class through upper middle class includes sections on education teachers nursing the trades and the civil service a new edition of barbara taylor's classic book with a new introduction in the early nineteenth century radicals all over europe and america began to conceive of a new moral world and struggled to create their own utopias with collective family life communal property free love and birth control in britain the visionary ideals of the utopian socialist robert owen attracted thousands of followers who for more than a quarter of a century attempted to put theory into practice in their own local societies at rousing public meetings in trade unions and in their new communities of mutual association barbara taylor's brilliant study of this visionary challenge recovers the crucial connections between socialist aims and utopian aspirations in doing so it opens the way to an important re-interpretation of the socialist author antonio savorelli published on october 2010

~~tradition as a whole and contributes to the reforging of some of those early links between feminism and~~
socialism the first cookery book for those who could not afford a cook the so called working classes first
edited in 1852 this book is both a rich source for traditional recipes and a picture of a changing society in
the early 19th century in its analysis of gender and class relations and their political forms in giving voice
to the many who have left only a fleeting trace in the historical record clark s study is a pioneering classic
it also has a salience for many of our present social and political dilemmas leonore davidoff editor gender
and history deeply researched scholarly serious important this is a big book that develops a significant
new line of inquiry on a classic story in modern history the making of the english working class clark
shows in great and persuasive detail how we might read this tale through the lens of gender thomas
laqueur author of making sex looks at the experience of women painters within the oppressive confines
of the victorian patriarchy using biographies journals and letters cherry shows how their working lives
were shaped by the social order of difference the feisty warm hearted mum has long figured as a symbol
of the working class in britain yet working class history has emphasized male organizations such as clubs
unions or political parties investigating a different dimension of social history love and toil focuses on
motherhood among the london poor in the late victorian and edwardian years and on the cultures
communities and ties with husbands and children that women created mothers skills in managing the
family budget earning income and caring for their children were critical in protecting households from the
worst hardships of industrial capitalism yet poverty or the threat of it molded intimate relationships and
left its imprint on personalities this book is also a case study demonstrating the larger argument that the
concept of motherhood is more socially and historically constructed than biologically determined shaky
household economics pressure toward respectability the close proximity of neighbors the precariousness
of infant and child life and little chance of better lives for their children shaped the work and emotions of
motherhood much more than did the biological experiences of pregnancy birth and lactation this
beautifully written book embellished with cockney slang and music hall songs addresses fascinating
questions in the fields of women s studies labor history social policy and family history cultural writing
essays this collection of essays was first published in 1980 the politics of housework aimed to make
questions involved in the domestic labor debate accessible to a wider audience and to disentangle some
of the contradictory ideas about where women s unpaid work in the home and for their families fitted into
women s oppression and their marginalization in the world outside the home in this new edition ellen
malos re establishes the importance of the housework issue in contemporary society and broadens the
debate to include its growing international dimension however the aim remains to rejoin the argument to
its roots in people s lives and to answer the question what can we do about it the luxurious appearance
and handsome profits of american department stores from 1890 to 1940 masked a three way struggle
among saleswomen managers and customers for control of the selling floor counter cultures explores the
complex nature and contradictions of the conflict in an arena where class gender and the emerging
culture of consumption all came together counter cultures is a path breaking and imaginative social
history benson has made an original and sophisticated contribution to the study of the work process in
the service sector back cover digicat publishing presents to you this special edition of round about a
pound a week by mrs pember reeves digicat publishing considers every written word to be a legacy of
humankind every digicat book has been carefully reproduced for republishing in a new modern format
the books are available in print as well as ebooks digicat hopes you will treat this work with the
acknowledgment and passion it deserves as a classic of world literature
