Hay Days and Holidays. The Fizz Kids 2 **1983-01-01**

the third book in dawn dais s popular sh t no one tells you series
covers all a parent needs to know once the reality of having two
children settles in around the time your first baby turns a year old
your brain will turn on you for reasons that are still not understood by
science the sleep deprivation and postpartum hormones you barely
survived with your first baby fade from memory and will be replaced with
idyllic images of your growing child this is when your brain having
officially lost all regard for your well being begins to fantasize about
a second baby and for the first time since becoming a parent these
thoughts don t make you break out in hives before you know it you are
dressing your first child in i m going to be a big sister t shirts and
catalog shopping for bunk beds this will be fantastic but then that
familiar morning sickness kicks in and your adorable 18 month old
transforms into a two year old terror that s when those hives start to
return with dawn dais s trademark witty banter the sh t no one tells you
about baby 2 includes chapters such as you have officially lost control
of the situation siblings aren t nearly as adorable as you imagined you
ll have a favorite and having kids looks a lot easier on tv
