Manual of Standard Tibetan 2003 the manual of standard tibetan presents the everyday speech of lhasa as it is currently used in tibet and among the tibetan diaspora it not only places the language in its natural context but also highlights along the way key aspects of tibetan civilization and vajrayana buddhism the manual which consists of forty one lessons is illustrated with many drawings and photographs and also includes two informative political and linguistic maps of tibet two cds provide an essential oral complement to the manual a detailed introduction presents a linguistic overview of spoken and written tibetan

Primer of Standard Tibetan 1905 about the book the present work is designed not only to help the general reader to grasp the grammatical structure of the tibetan language in his endeavour to study the general literature of tibet but also the buddhist scholar who is particularly inte

A Manual of Tibetan 1879 jaschke s classic work first published in 1881 and still invaluable to students is now reprinted in paperback for the first time the dictionary is essential for textual interpretation particularly of buddhist philosophy sanskrit equivalents are provided

An Introduction to the Grammar of the Tibetan Language 1997-07 the tibetan language comprises a wide range of spoken and written varieties whose known history dates from the 7th century ad to the present day its speakers inhabit a vast area in central asia and the himalayas extending into seven modern nation states while its abundant literature includes much of vital importance to the study of buddhism after surveying all the known varieties of tibetan including their geographical and historical background this book concentrates on a phonological and grammatical description of the modern spoken lhasa dialect the standard spoken variety the grammatical framework which has been specially devised to describe this variety is then applied to the written varieties of preclassical and classical tibetan demonstrating the fundamental unity of the language the writing system is outlined though all examples and texts are given in roman script and where appropriate the international phonetic alphabet the volume includes a comprehensive bibliography

A Tibetan-English Dictionary 1881 amdo tibetan a comprehensive grammar textbook is a rigorous one year college level textbook for english speakers who wish to learn the amdo dialect of the tibetan language this comprehensive introduction to the language provides dialogues at the start of each new lesson to illustrate the constructions covered in that lesson material from previous chapters is recycled within these dialogues to reinforce learning as the lessons progress each chapter unpacks the opening sample dialogue and provides an in depth analysis and technical explanations of the specific constructions presented cultural sections are also included in each chapter as well as a range of exercises and drills to reinforce learning and help students internalize the new information the book will be of particular interest to linguists and students with some knowledge of either standard colloquial or literary tibetan

Tibetan 1999-01-01 a textbook in classical tibetan is the first comprehensive course book in the classical tibetan language written in english the textbook describes the grammar of pre 16th century classical tibetan works for beginners and students of intermediate level it is intended to cover the most essential topics that can be mastered within two semesters of an academic class classical tibetan is a written middle tibetan language that has been in use in tibet from the 9th century until the early 20th century it served all purposes from administrative to medical to religious nowadays classical tibetan remains an important part of religious identity and services for communities also outside of cultural tibet foremost in india nepal and bhutan but also elsewhere most importantly in europe north america and australia the main body of the textbook consists of an introduction to the tibetan script eighteen lessons and a reading section each lesson elucidates several grammatical topics which are followed by an exercise and a word list the chapter readings contain four supplementary readings in addition to the main parts of the textbook a brief introduction to tibetic languages provides linguistic context for the language taught in the textbook whereas the chapter translations of exercises and readings contains translations and explanatory notes to the exercises provided at the end of each lesson as well as to the readings a textbook in classical tibetan is essential reading for both undergraduate and graduate students without any knowledge of classical tibetan but also for those who would like to deepen their experience of the language by reading annotated excerpts from well known pieces of tibetan literature

Amdo Tibetan: A Comprehensive Grammar Textbook 2021-05-27 this most current tibetan english dictionary surpasses existing dictionaries in both scope and comprehensiveness

A Textbook in Classical Tibetan 2022-03-21 among asian languages tibetan is second only to chinese in the depth of its historical record with texts dating back as far as the eighth and ninth centuries written in an alphabetic script that preserves the contemporaneous phonological features of the language the classical tibetan language is the first comprehensive description of the tibetan language and is distinctive in that it treats the classical tibetan language on its own terms rather than by means of descriptive categories appropriate to other languages as has traditionally been the case beyer presents the language as a medium of literary expression with great range power subtlety and humor not as an abstract object he also deals comprehensively with a wide variety of linguistic phenomena as they are actually encountered in the classical texts with numerous examples of idioms common locutions translation devices neologisms and dialectal variations

A Tibetan-English dictionary 2022 25th anniversary edition over 3 million copies sold i couldn't give this book a higher recommendation billy connolly written by the buddhist meditation master and popular international speaker sogyal rinpoche this highly acclaimed book clarifies the majestic vision of life and death that underlies the tibetan buddhist tradition it includes not only a lucid inspiring and complete introduction to the practice of meditation but also advice on how to care for the dying with love and compassion and how to bring them help of a spiritual kind but there is much more besides in this classic work which was written to inspire all who read it to begin the journey to enlightenment and so become servants of peace

The New Tibetan-English Dictionary of Modern Tibetan 2001-04-03 the largest and most comprehensive verb dictionary for the tibetan language with over 4 500 entries of the most frequently used tibetan verbs this expanded edition of hackett's highly acclaimed tibetan verb lexicon is an incomparable lexical resource this comprehensive verb dictionary includes various verb forms verbal collocations auxiliary constructions together with grammatical information sanskrit equivalents and examples sentences making it a vital tool for any translator writer or scholar who intends to maximize the quality of their work related to the tibetan language

An Introduction to the Grammar of the Tibetan Language 1915 there are more native speakers of sino tibetan languages than of any other language family in the world records of these languages are among the oldest for any human language and the amount of active research on them both diachronic and synchronic has multiplied in the last few decades this volume includes overview articles as well as descriptions of individual languages and comments on the subgroups in which they occur in addition to a number of modern languages there are descriptions of several ancient languages

A Tibetan Verb Lexicon 2019-04-30 the violent protests in lhasa in 2008 against chinese rule were met by disbelief and anger on the part of chinese citizens and state authorities perplexed by tibetans apparent ingratitude for the generous provision of development in taming tibet emily t yeh examines how chinese development projects in tibet served to consolidate state space and power drawing on sixteen months of ethnographic fieldwork between 2000 and 2009 yeh traces how the transformation of the material landscape of tibet between the 1950s and the first decade of the twenty first century has often been enacted through the labor of tibetans themselves

focusing on lhasa yeh shows how attempts to foster and improve tibetan livelihoods through the expansion of markets and the subsidized building of new houses the control over movement and space and the education of tibetan desires for development have worked together at different times and how they are experienced in everyday life the master narrative of the prc stresses generosity the state and han migrants selflessly provide development to the supposedly backward tibetans raising the living standards of the han s little brothers arguing that development is in this context a form of indebtedness engineering yeh depicts development as a hegemonic project that simultaneously recruits tibetans to participate in their own marginalization while entrapping them in gratitude to the chinese state the resulting transformations of the material landscape advance the project of state territorialization exploring the complexity of the tibetan response to and negotiations with development taming tibet focuses on three key aspects of china s modernization agrarian change chinese migration and urbanization yeh presents a wealth of ethnographic data and suggests fresh approaches that illuminate the tibet question

The Sino-Tibetan Languages 2003 a modern and accessible reader of classical tibetan buddhist texts based on the traditional monastic educational system designed for both classroom use and independent study designed for both classroom use and independent study learning classical tibetan is a modern and accessible reader for studying traditional buddhist texts unlike other readers of classical tibetan this is a comprehensive manual for navigating tibetan buddhist literature drawing on a monastic curriculum utilizing the most up to date teaching methods and tools for tibetan language training students learn to navigate the grammar vocabulary syntax and style of classical tibetan while also engaging the content of buddhist philosophical works chapters consist of a contextual introduction to each reading a tibetan text marked with references to annotations that provide progressive explanations of grammar cultural notes on vocabulary translation hints notes on the sanskrit origins of tibetan expressions and grammatical structures as well as a literal translation of the text the reader also includes study plans for classroom use discussion of dictionaries and other helpful resources a glossary of english grammatical and linguistic terms and much more this reader can be used in conjunction with paul hackett s expanded edition of his well known tibetan verb lexicon using a clear and approachable style hackett provides a practical and complete manual that will surely benefit all students of classical tibetan

An Introduction to the Grammar of the Tibetan Language 1983-01-01 the liberalization of political and intellectual life in china and the rise of tibetan exile communities throughout the world have produced a resurgence of spoken and written tibetan these developments together with increasing contacts between western scholars and tibetans have created a widening circle of english speakers in government business academia and elsewhere who need to speak or write tibetan with precision and clarity for these people and for others who want to communicate with tibetans in their own language professor goldstein s dictionary will be an indispensable aid the first scholarly english tibetan dictionary as well as the only one that is semantically sensitive this work specifies the tibetan terms that correspond to the submeanings of a single english term containing roughly 16 000 main entries most of which have multiple subentries the dictionary treats a total of 45 000 lexical items each entry includes both the written tibetan orthography and a phonemic notation to indicate pronunciation grammatical features are also noted and all examples of usage are presented with the romanization of the written tibetan and phonemic notation of the spoken forms an introductory essay familiarizes users with the main features of tibetan grammar

A Tibetan-English Dictionary 2015-02-12 classical tibetan with origins dating to the seventh century is the language found in a huge corpus of surviving tibetan mostly buddhist texts native tibetans still employ this language today when writing on religious medical or historical subjects this book aims to provide a rapid introduction to the main elements of classical tibetan so that students may begin to access for themselves the vast amount of available material while designed for guided study the book will also be of use to those who tackle the language on their own steady study over approximately six months should result in an understanding of most grammatical features and allow the student to read the simpler prose texts

A Tibetan-English Dictionary 1998 classical tibetan with origins dating to the ninth century is the script found in a huge corpus of surviving tibetan texts mostly of buddhist content native tibetans still employ this language to this day when writing on religious medical or historical subjects the aim of this book is to provide a rapid introduction to the main elements of classical tibetan so that students may begin to access for themselves the vast amount of written material available in this language while designed for guided study the material will also be of use to those who tackle the language on their own regular study over approximately six months should result in an understanding of most grammatical features and allow the student to read the simpler prose texts

Colloquial Tibetan 2015-08-14 here the tibetan words are given in alphabetical order with their accepted sanskrit equivalents followed by the english meaning all the technical terms are illustrated from extracts from sanskrit buddhist and tibetan works

Tibetan-English Dictionary of Modern Tibetan 1978 only fifty years ago tibetan medicine now seen in china as a vibrant aspect of tibetan culture was considered a feudal vestige to be eliminated through government led social transformation medicine and memory

in tibet examines medical revivalism on the geographic and sociopolitical margins both of china and of tibet s medical establishment in lhasa exploring the work of medical practitioners or amchi and of medical houses in the west central region of tsang due to difficult research access and the power of state institutions in the writing of history the perspectives of more marginal amchi have been absent from most accounts of tibetan medicine theresia hofer breaks new ground both theoretically and ethnographically in ways that would be impossible in today s more restrictive political climate that severely limits access for researchers she illuminates how medical practitioners safeguarded their professional heritage through great adversity and personal hardship

Primer of Standard Tibetan 1903 this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
