the first major study of chinese women in australia is all about global journeys and perspectives it is also a story of the various stories that connect australia to the pathways of women of chinese ancestry ryan interrogates issues of ethnicity gender and identity to present the diversity of the women s lives kane falconer sees beyond poor little rich girl shannon s wild child image she s not the scandalous flirt that the rest of the world believes her to be but shannon does need taming and millionaire kane knows how he s not bewitched by her beauty or her seductiveness but he wants her and he ll have her by offering her marriage and making her his perfect wife reprint of the original first published in 1872 the publishing house anatiposi publishes historical books as reprints due to their age these books may have missing pages or inferior quality our aim is to preserve these books and make them available to the public so that they do not get lost in this book happy husband happy wife focus is maintained on the most important and sensitive relationship between two humans having different physical and mental features and this relation husband and wife has been talked and discussed for ages to come but most of the time this relationship is either dominated by either of them the major part of the book is to make humans aware of the fact that marriage is about sharing your happiness with your partner instead of creating misery in it if both husband and wife see themselves to be equal and make other feel equal than there will be nothing else but happiness between them there are simple examples how good a life can be so just go on and take a sip of this book for a simple life experience that will be remembered for life time the book is written in a very simple language so that even a common man can understand it and try to bring happiness and romance in his her life whilst much recent scholarly work has sought to place early modern british and irish

history within a broader continental context most of this has focused on western or northern europe in order to redress the balance this new study by david worthington explores the connections linking writers and expatriates from the later tudor and stuart kingdoms with the two major dynastic conglomerates east of the rhine the austrian habsburg lands and poland lithuania drawing on a variety of sources including journals diaries letters and travel accounts the book not only shows the high level of scholarly interest evidenced within contemporary english language works about the region but how many more british and irish people ventured there than is generally recognised as well as the soldiers merchants and diplomats one might expect we discover more unexpected and colourful characters including a polymath irish moral theologian in vienna an orphaned english poetess in prague a welsh humanist in cracow and a scottish physician and botanist at the vasa court in warsaw this examination of the diverse range of irish scottish welsh and english religious intellectual political military and commercial contacts with central europe provides not only a more balanced view of british and irish history but also continues the process of reintegrating the histories of the european regions furthermore by extending the focus of research beyond widely studied areas towards other more illuminating international aspects the book challenges scholars to analyse these networks within less parochial and more transnational settings this study centres around three leading military statesmen who served under oliver comwell but were also his kin and shared the experiences of the civil wars john disbrowe 1608 80 henry ireton 1611 51 and charles fleetwood 1618 92 it seeks to develop our picture of their positions from the context of their kin link to cromwell and how their private worlds shaped their public roles how kinship was part of

the functioning of the cromwellian state how they were seen and presented and how this impacted on their own lives and their kin before and after the restoration cromwell s career can be explored further by considering figures in his kinship network to show how the public and private overlapped and influenced each other through their interaction before and after 1660 this study aims to consider the trajectory of elements of cromwell s network and how its functioning and the interaction of its constituent parts over time shaped the politics of the years 1643 to 1660 but also how the survival of some networks after 1660 were continuing communities of those willing to own their memories of the civil wars regicide and cromwell a study of aspects of cromwell s kin also provides examples of the continuities between those who resisted the stuart s in the 1640s and 1650s and did so again in the 1680s suitable for specialists in the area and students taking courses on early modern british european and american history as well as those with a more general interest in the period
