The Silent Salesmen 2003

new york times bestseller the wall street journal bestseller from the founder of kentucky sports radio and attorney matt jones a withering humorous look at how mitch mcconnell has been bad for kentucky and why he needs to be voted out in 2020 they say all politics is local in 2020 mitch mcconnell will have served five full terms as a us senator thirty years the senate majority leader s power is as undeniable as it is infuriating and the people of kentucky have had enough led by matt jones they and they alone have the power to oust him from office how did jones a local boy turned attorney turned sports radio host come to shine the brightest light on mcconnell s ineptitude simple he knows kentucky inside and out and has used the state s love of sports as an entry point for showcasing how mcconnell has failed his fellow citizens both economically and socially for three decades entertaining maddening yet ultimately inspiring these stories from kentuckians in each of its 120 counties illustrate the senate majority leader s stunning shortcomings jones infuses his trademark wit and wisdom throughout while also offering a beautiful portrait of a state with arguably the most untapped potential in our country ultimately the white hot hatred for mcconnell on the coasts is just white noise only the people of kentucky can remove him from office here matt jones demonstrates he has the influence charisma and institutional knowledge to lead the charge he and his fellow kentuckians have had enough and they re ready for a fight

Family Business 2020-03-31

the world no longer defines successful businesspeople by their suit and ties today we live in a world where any entrepreneur can create a successful profitable enjoyable business in whatever style suits him or her the best and hey if putting on a suit and heading for your corporate office is what works best for you that s great but if throwing on your favorite pair of blue jeans and heading for the beach works better that s cool too in business in blue jeans how to have a successful business on your own terms in your own style you ll learn how to create and grow a business that works for you more than just a how to guide business in blue jeans contains actionable practical that show you how to break through the brain junk that s been getting in your way to starting a business develop a business idea or hone the one you already have with real potential for success package your idea to attract the people who want what you have to offer and will pay for it become visible to your potential customers and clients so that they think of you first stand head and shoulders above your competitors without spending an extra dime build a community and network that includes the support and the connections you need drawing people in instead of pushing them away hire train and manage a team as your business grows so that it s never out of control and so you can hit the beach we live in an ever changing economy and that can make starting and growing a business seem daunting but with the right guidance you too can have successful business that makes everything else that you want in life possible

Mitch, Please! 2013-06-04

the biggest asset and biggest liability we have are inextricably linked like light and darkness the one thing the can lead us to success or push us into failure is our

mind the only tool we have to navigate it is our mindset author mitch a nelson takes us through the 7 keys of the truly wealthy he helps us understand the difference in mentality of the poor and the wealthy and lays out practices that will set you up for success for years to come mindset to millionaire 7 keys to becoming a real estate millionaire lays out the foundation needed to not only become rich but to build true wealth and to keep it it will help you understand why the wealthy invest and what vehicles they invest their money in it will explore the basics of real estate investing why it is one of the best investment vehicles and how the wealthy use it to hold their money and make more money with their money you will even explore how to get started in real estate investing even if you have little or no money or credit of your own these and other keys will help you change your mindset and set you on the path to becoming a real estate millionaire

Business in Blue Jeans 2015-09-07

The Invisible Organization 2017-07-10

in the year 1885 the sleepy little nevada town of broken jaw junction is a quiet place until old jake finds gold suddenly the town is overrun by outlaws galoots and trouble makers of all kinds and there doesn t seem to be a sheriff in the old west who can stop them that is until vegetable loving itchy mitch gardener arrives he looks like a harmless west virginia farm boy who would rather just plant tomatoes and hoe weeds than fight outlaws but somehow he manages to stop quick draws bank robbers cattle thieves claim jumpers and bullies and he does it all with just a few carrot sticks and celery it looks like sheriff mitch is unstoppable and that law and order and vegetable salad have come to broken jaw junction to stay but even itchy mitch isn t invincible and one day he meets his match in a most unexpected foe

Serve 2 Win 2015-07-14

the candid behind the scenes memoir of the of the senate majority leader and gop veteran in october 1984 a hard charging kentucky politician waited excitedly for president ronald reagan to arrive at a presidential rally in louisville in the midst of a tough senate campaign against an incumbent democrat the young republican hoped reagan s endorsement would give a much needed boost to his insurgent campaign he even had a camera crew ready to capture the president s words for a tv commercial he planned to air during the campaign s final stretch alas when reagan finally stepped to the microphone he smiled for the crowd and declared i m happy to be here with my good friend mitch o donnell that was hardly mitch mcconnell s first setback and far from his last he swallowed hard put his head down and kept going four weeks later in the biggest upset of the year his dream of being a us senator came true by a margin of about one vote per precinct by persevering he d be the only republican in the country to beat an incumbent democratic us senator mcconnell learned patience and fortitude during his post world war ii youth in alabama his mother helped him beat polio by leading him through long aching exercises every day for two years his

father taught him the importance of standing up to bullies even if it meant taking the occasional punch it turned out to be the perfect childhood for a future senate majority leader in the line of work i would choose compromise is key but i'd come to find that certain times required me to invoke the fighting spirit both of my parents instilled in me for more than three decades mcconnell has worked steadily to advance conservative values including limited government individual liberty fiscal prudence and a strong national defense but he has always cared much more about moving the ball forward than about who gets the credit now mcconnell reveals what he really thinks about the rivalry between the senate and the house the players and the stakes involved when a group of political opportunists tried to hijack the tea party movement and key figures such as barack obama joe biden and harry reid he explains the real causes of the chronic gridlock that has so many voters enraged his ongoing efforts to restore the us senate's indispensable dual role as a brake on excess and a tool for national consensus and what ordinary citizens have a right to expect from washington

The Business of Broadway 2015-04-15

what if working like crazy to beat the competition did exactly the opposite making you mediocre and more like the competition in today's world of overabundant consumer choices and superfluous apps upgrades add-ons and features brands have become nearly identical as their efforts to outdo one another have pushed them into a dizzying herd of indistinct options youngme moon identifies the outliers the mavericks the iconoclasts the players who have thoughtfully rejected orthodoxy in favor of an approach that is more adventurous some are even hostile almost daring you to buy what they are selling using her original research on companies such as ikea and google moon will inspire you to be counterintuitive and meaningfully different to rethink your business strategy to stop conforming and start deviating to stop emulating and start innovating because to stand out you must become the exception not the rule

***Itchy Mitch and the Taming of Broken Jaw Junction* 2016-05-31**

if you take a chain pile it up and then push it what direction will it go nowhere you can predict and not very far if you take it by the end and pull it which way will it go it will follow you leadership is not about what sets you apart from those you lead it's about what binds you together it is not about controlling others it's about trusting others it's not about your achievements it's about unleashing your team's greatness in short leadership really isn't about you it's about your people take bob davids co author of this book and successful leader of six businesses in fields as diverse as engineering and winemaking his achievements often came thanks to being able to refrain from acting when others might have found intervening irresistible by trusting his employees to be better than him in their area of responsibility and letting them act bob unleashed the human greatness that no one else including employees themselves suspected yet to lead without acting does not mean doing nothing it means creating conditions in which things happen by themselves leadership without ego is about a transformation of the concept of leadership in the past two decades a change of beliefs about how best to lead along with radically different leadership practices the ideas in this book have already changed the fortunes of hundreds of businesses and the lives of tens of thousands of employees they can do the same for your business your people and you

The Long Game 2001

according to market research conducted on more than 6 000 brands over a 10 year period the proportion of people willing to endorse any brand as different from other brands is extremely low over the past two decades a relentless focus on digital activation without equal effort on establishing differentiated positioning has made even once great brands indistinguishable from the pack the result an environment that can only be described as brand monotony which underwhelms and disappoints customers and negatively impacts top and bottom line business performance in the indispensable brand mitch duckler draws on 25 years of brand strategy experience to provide a wake up call for any modern day marketer or business leader and a roadmap to more
