from the novel the heaven sword and dragon saber by jin yong originally published in  
newspapers from 1961 to 1963 the story has been revised twice once in 1979 and the second in  
2005 1 wisdom puzzle is a xion bulletin board request in stellar blade you can accept and  
complete it after you have completed the simple puzzle request and returned the second hyper  
cell to the presence the math works like this you need to square both numbers and then  
subtract one sum from the other so 37 squared equals 1369 and 21 squared equals 441 if we  
subtract 441 from 1369 we get 928 if you apply the same method to the next two cases it will  
work and provide you with the numbers mentioned in the hint confirming that this is
