How Societies Work 2006

this text provides a concise and coherent analysis of the social economic and political spheres of canadian society in a context that is both current and accessible

Work in Canada and Work, Industry, Canadian Society **1998**

work industry and canadian society seventh edition brings to light the social ramifications of work with a focus on the canadian workplace the author team examines how individual societal national and global issues shape this central human activity in this seventh edition the text draws upon the growing literature on work and employment organizations and management approaches to incorporate recent empirical findings review new and ongoing theoretical and policy debates and provide a more international perspective the authors use their years of experience in research and teaching to compose this comprehensive volume on the past present and future of work in canada

Work, Industry, and Canadian Society 2014-08-15

in 2011 protesters around the world including canada called for changes to the societies in which they live many observers were asking what do they want some answers to this question can be found in how societies work a unique and accessible introductory sociology textbook that introduces students to the structure of contemporary societies and the power relationships within them in contrast to most introductory textbooks how societies work explores a broad range of sociological concepts and theories while simultaneously creating a coherent picture of modern societies drawing on fields as diverse as anthropology genetics economics social psychology history and politics this innovative and popular text looks at both the roots of modern societies and the current structures within them this approach helps undergraduate students make sense of our complex social world and encourages them to connect the social world to their own lived experiences this extensively revised and updated fifth edition includes discussions of the roots of the recent global economic crisis and worldwide responses to it growing social inequality broader global struggles for change the growth of the security state in canada and the sudden resurgence of political protest in north america the final chapter looks to the future examining such issues as the possible consequences of climate change increased forced migration of peoples and the changing dynamic of global power more boxes quotes and think about it elements have been added to the fifth edition while the language clarity of presentation and many examples make it even
