the wisdom of the crowds and market pricing endowus sg Dec 21 2022

markets are a crowd every time we buy or sell we are expressing our view on what a security is worth and the collective decisions whether right wrong or just plain foolish set the price individually we may be way off in determining the right price but collectively the markets weed out the outliers and aggregate the diverse choices

packed to the rafters why reducing crowds enhances our Nov 19 2022

are there areas of the centre or store that create bottlenecks encourage alternate traffic flows by directing shoppers to less busy areas using signage perhaps for special events or offers place pop up stores and décor in unobtrusive positions to provide more open spaces to reduce perceived crowding 4
