what of those ghostly catacombs that lie dormant below city streets those subway tunnels never finished never filled with the screeches of trains and the busy commotion of commuters just there dead you ve heard of the subway s demise the tunnels were

too narrow the city was too broke a grand miscalculation well most of what you ve heard is sorry to say untrue the popular story of the subway s demise is myth laden and as incomplete as the original plan the full story long buried in mounds of public records dispersed in libraries is now revealed local author jacob r mecklenborg emerges from those dusty tomes with a fresh thought provoking full examination of the subway s demise and what its future might hold

## **Cincinnati's Incomplete Subway 2017-10-23**

jared fogle born in 1977 is a former spokesperson for subway a fast food chain known for its healthy sandwich options fogle gained popularity after losing over 200 pounds while eating subway sandwiches as part of his daily diet his weight loss journey caught the attention of subway executives who eventually featured him in a national advertising campaign fogle became known as the subway guy and his success story was a powerful marketing tool that helped the chain grow its customer base fogle s celebrity status also allowed him to launch a successful career as a motivational speaker he visited schools across the united states sharing his inspiring story and encouraging young people to follow a healthy diet and exercise routine however fogle s reputation took a sour turn when he was arrested in 2015 on charges of possession of child pornography and paying for sex with minors fogle pleaded guilty and was sentenced to 15 years in prison his story serves as a cautionary tale about the importance of being mindful of one s actions even when in the public eye

## **Introduction to Jared Fogle 1975**

what methodological impact does contextualism have on the philosophy of language this collection sets out to provide some answers the authors in this volume question three ultimately connected assumptions of the philosophy of language the first

## **the complete idiots guide to technical analysis (2023)**

assumption relates to the predominant status of referential semantics and its power to explain truth conditional meaning this assumption has come under attack by the context thesis and a number of papers pursue the question of whether this is justified the second assumption gives priority to assertive sentences when considering language use the context thesis changes our understanding of language use altogether possible implications from this methodological shift are addressed in this volume according to the third assumption philosophical analysis amounts to nothing more than conceptual analysis the context thesis risks undermining this project whether conceptual analysis can still be defended as a methodological tool is discussed in this volume
