clever repartee double entendres punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies collected here are over 4 000 of the best comedic lines from the movies the compilers of this book have tried to bring together some of the funniest wittiest and most outrageous snatches of dialogue on film over a sixty year time period for each entry the authors set the quotation in context provide the name of the actor or actress the name of the movie and the year of release the quotations are arranged by a broad range of categories such as politics food and eating gambling and many others a title index and a name index follow the body of the book

## Not Since Carrie

1992-08-15

the *Oxford Handbook of the British Musical* provides a comprehensive academic survey of British musical theatre offering both a historical account of the musical's development from 1728 and a range of in depth critical analyses of the unique forms and features of British musicals which explore the aesthetic values and sociocultural meanings of a tradition that initially gave rise to the American musical and later challenged its modern pre-eminence after a consideration of how John Gay's *The Beggar's Opera* 1728 created a prototype for eighteenth century ballad opera the book focuses on the use of song in early nineteenth century theatre followed by a sociocultural analysis of the comic operas of Gilbert and Sullivan it then examines Edwardian and interwar musical comedies and revues as well as the impact of Rodgers and Hammerstein on the West End before analysing the new forms of the postwar British musical from the *Boy Friend* 1953 to *Oliver* 1960 one section of the book examines the contributions of key twentieth century figures including Noel Coward Ivor Novello Tim Rice Andrew Lloyd Webber director Joan Littlewood and producer Cameron Macintosh while a number of essays discuss both mainstream and alternative musicals of the 1960s and 1970s and the influence of the pop industry on the creation of concept recordings such as *Jesus Christ Superstar* 1970 and *Les Misérables* 1980 there is a consideration of jukebox musicals such as *Mamma Mia* 1999 while essays on overtly political shows such as *Billy Elliot* 2005 are complemented by those on experimental musicals like *Jerry Springer the Opera* 2003 and *London Road* 2011 and on the burgeoning of black and Asian British musicals in both the West End and subsidized venues the *Oxford Handbook of the British Musical* demonstrates not only the unique qualities of British musical theatre but also the vitality and variety of British musicals today

## Leonard Maltin's Movie Guide

2017-11-28

lost ground is a richly textured novel set in contemporary south africa the murder of a beautiful woman shatters the rural village peace of alfredville and her husband the police station commander is jailed as chief suspect her cousin peter a freelance writer in london returns to south africa for the first time in decades unsettled curious but also in search of a career defining story as peter abandons the neatly patterned story he had planned and is forced to participate in a community that he once despised he begins to reconsider his place in the world in search of desirée s story he now starts to rewrite his own till events take an even more shocking turn lost ground explores questions of xenophobia and prejudice of national sexual and personal identity and what it means to be a foreigner wherever you go in invisible furies christopher turner returns to paris after a thirty year absence he is here to extricate his best friend s son eric from the mercenary machinations of some parisian gold digger or so it is assumed at home in south africa christopher with melancholy memories of paris is deeply ambivalent about the city and as for the young eric christopher remembers him as a brutish lout with little to recommend himself as christopher comes to know and enjoy this ambiguous world he finds his moral categories challenged is beauty a trap for the innocent young or a self validating even ennobling attribute of a fully lived life responding to the gentle appeal of beatrice he feels ever more strongly that the young man s place is in paris with her rather than on his father s farm in franschhoek but eric has ideas of his own exploring as in the widely applauded lost ground the tensions between the fatherland and a larger world michiel heyns turns an ironic eye on the most seductive city on earth and traces with humour and

insight the invisible furies of the heart in a sportful malice a young south african literary scholar michael marcussi is offered via a facebook contact a house in the tuscan village of gianocini and he accepts with alacrity this is just the space and quiet he needs to complete his study of literary representations of tuscany but even before he has boarded his plane at stansted airport things start vexing him an obnoxious old man jumps the boarding queue and michael is given the evil eye by a belligerent bovver boy covered in tattoos nor is this to be his last meeting with these objectionable characters they turn up in unexpected places first in florence and then in gianocini itself with a frequency that cannot be purely coincidental in the meantime michael is pursuing his own extracurricular agenda through the streets of florence and the passages of the uffizi then through the medieval alleys of gianocini only to find himself the object of mysterious designs and the subject of some very disturbing paintings add to this the innocent but curious wouter the startlingly rude upper class harrihan sophronia the beautiful but supercilious paolo and a dog called thanatos the tuscan sun never shone on a more bizarre mix a sportful malice is a scintillating tale of love revenge and trippa

you ve never used a video guide like this before you loved chariots of fire and you want to see something like it where do you start look up chariots of fire in the index and find it in drama there you ll see it listed under white flannel films welcome to the glory days of the british empire when the ruling class rode horses on large country estates servants were in plentiful supply and only an adulterous lover questioned the status quo as in other costume dramas the period details are celebrations of all that was brilliant and

luxurious with the camera sweeping over british indian or african countryscapes and exquisite turn of the century interiors but all this lush upholstery doesn't cover up the intelligent thoughtful stories usually based on lawrence forster and waugh novels played by stellar british actors in white flannel films there are concise witty reviews of select movies like a room with a view a passage to india heat and dust the shooting party out of africa white mischief and more there is also a unique ratings system that helps you distinguish the bombs from the sleepers but the key is that all these films offer the same kind of viewing experience if you like one chances are good you'll like the others too seen that now what is your own personal video genius who knows everything about movies and exactly what you like to watch

embarking on one's memoirs might seem on the surface a terribly pretentious and self-indulgent thing to do after all i'm not a b-list celebrity a politician or a minor sports star i haven't trekked to the south pole or invented a device to stop cakes tasting scrumptious or put men on the moon i've lived what could typically be described as an ordinary life and yet within that ordinary life there lurks a story my story angela norris memoir dancing to the beat of the tide tells the story of one girl's growing up in a small sleepy seaside town in the sixties and seventies against a vibrant background of music fashion and the emerging disco era as a child growing up in the knott end and later nearby pilling on lancashire's breezy coast angela enjoyed an idyllic childhood playing on the beach riding ponies and going out for tea as disco fever swept the country in the early seventies she and her friends thought they were pop fashion princesses in their hot pants ready to dance to the music of t rex angela then goes on to explore life at secondary school and reflects back on

reading jackie magazine dispensing its wisdom like a big sister not to mention listening to rod stewart after school as he grinned from his poster on the bedroom wall whilst angela remembers her childhood she also introduces readers to a shy blond haired boy who becomes pivotal to angela s story dancing to the beat of the tide will appeal to fans of memoirs and also those who have a local interest in lancashire angela s work will also be enjoyed by those who grew up in the sixties and seventies and would like to look back on the society at the time

## Journeys of Desire

1996-04-09

for more than a century original music has been composed for the cinema from the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition music has been an integral element of most films by the late 1930s movie studios had established music departments and some of the greatest names in film music emerged during hollywood s golden age including alfred newman max steiner dimitri tiomkin and bernard herrmann over the decades other creators of screen music offered additional memorable scores and some composers such as henry mancini randy newman and john williams have become household names the encyclopedia of film composers features entries on more than 250 movie composers from around the world it not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail each entry includes biographical material important dates career highlights analysis of the composer s musical style complete list of movie credits this book brings recognition to the many men and women who have written music for movies over the past one hundred years in addition to composers from the united states and great britain artists from dozens of other countries are also represented a rich resource of movie music history the encyclopedia of film composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores

## Seen That, Now What?

1969-03-31

born lyova haskell rosenthal in new york city actress lee grant spent her youth accumulating more experiences than most people have in a lifetime from student at the famed neighborhood playhouse to member of the legendary actors studio from celebrated broadway star to vogue it girl at age twenty four she was nominated for an academy award for detective story and a year later found herself married and a mother for the first time her career on the rise and then she lost it all her name landed on the hollywood black list her offers for film and television roles ground to a halt and her marriage fell apart finding reserves of strength she didn t know she had grant took action against anti communist witch hunts in the arts she threw herself into work accepting every theater or teaching job that came her way she met a man ten years her junior and began a wild liberating fling that she never expected would last a lifetime and after twelve years of fighting the blacklist she was finally exonerated with courage and style grant rebuilt her life on her own terms first stop a starring role on peyton place and then leads in valley of the dolls in the heat of the night and shampoo for which she won her first oscar

set amid the new york theater scene of the fifties and the star studded parties of malibu in the seventies i said yes to everything evokes a world of political passion and movie star glamour grant tells endlessly delightful tales of costars and friends such as warren beatty elizabeth taylor grace kelly and sidney poitier and writes with the verve and candor befitting such a seductive and beloved star

## **New York Magazine**

1969-03-31

rome is a city rich in history and culture and imbued with a realism and romanticism that has captured the imaginations of filmmakers throughout the twentieth and twenty first centuries with over two and a half thousand years of continuing history rome has served as the setting for countless memorable films creating a backdrop that spans all genres and emotions world film locations rome takes the reader on a cinematic journey through the city with stops at key locations that include the pantheon piazza navona via veneto piazza del popolo sant angelo bridge and of course the trevi fountain made famous world wide in its appearances in federico fellini s la dolce vita and jean negulesco s three coins in the fountain a carefully selected compilation of forty five key films set in rome including the belly of an architect the facts of murder the bicycle thief roman holiday and the great beauty is complemented by essays that further examine the relationship between the city and cinema to provide an engaging colourful and insightful page turning journey for both travellers and film buffs alike

## **New York Magazine**

2017-01-06

jimmy edwards was a great british entertainer ken dodd not merely a peculiarly british comedian but an authentic english character the times the holder of the distinguished flying cross in recognition of his world war two career with the raf jimmy edwards came to fame as an exuberant and bombastic trombone playing comedian in the 1940s with early success at london s windmill theatre he went on to star on radio in take it from here and on television in whacko as the cane happy headmaster of a run down school for the sons of gentlemen he was definitely politically incorrect and audiences loved him for it while jimmy authored two autobiographies wake up at the back there it s jimmy edwards is the first book length study of the comedian providing both a full biography and a critical appraisal for the first time the full jimmy edwards story is told with documentation on his relationship with his family his domestic life his outing as gay and the man in his life jimmy edwards was a complex human being who embraced alcoholism perhaps as a means of handling his homosexuality ultimately the gay life proved more of a concern to jimmy than to his audience while the drinking helped create a persona that the same audience loved and accepted presently and sadly it would seem that jimmy s homosexuality has tended to diminish his legacy not only as a major british comedian but also as a genuine world war two hero
