america is the land of the free and home of the brave at least this used to
be how it was now it is more like america is the land of the corrupt and home
of the ignorant here we have an uncontrollable disease of corruption at its
finest we the people are simply lacking knowledge or information of who we
choose to elect for a government office who we think we are voting for just
from the looks or what conspires out of their very mouths but do we really
know who they are in essence of how they qualify in a particular role of
office in order to justify the means the book you are about to read will
enlighten you as to whom is corrupt and for how long it has been into
existence we will evaluate the circumstances to see why these events or
things were corrupted out of revenge or sheer greed of money to gain power

some who are mentioned within this book are not so much corrupt but do hold a very thin line of being so the constitution pertains to all americans and especially government officials who were elected to make sure our rights are not trampled on regardless of race religion or place of origin whenever these rights are continuously being abused by the representatives of our government then it surely is time for the sleeping giants must awake again america there has to be a big change within the entire government system it has to take place from city mayors governors legislation federal court system all the way up to the united states president action speaks louder than words therefore what actions are taken by our congress people should be monitored closer by the people so our rights are upheld in an honorable fashion when outsiders other than american citizens are given our constitutional rights being illegal immigrates and then treason by fault of the u s government is in play impeachment is in order to follow through immediately we can control the corruption if we discontinue the dynasties and take time to investigate whom we are going to vote for better when any candidate try to change any of the constitution or bill of rights for their own personal needs it threatens the people of any age groups it dishonors our flag and country dishonors other political or religious organizations camouflaging misconduct by prejudice unexplainable expenses for diplomatic reasons while traveling parties while there is a crisis going on which requires their immediate attention or gives aid to the undeserving before their own kind americans should be impeached immediately with no benefits herewith all must take drug test and have background checks the law is for everybody no exemption because you happen to be a politician only you and i can hope to enforce these rules of conduct to have a better tomorrow and of human decency for all americans impeach our
