2017-12-13

india that is bharat the first book of a comprehensive trilogy explores the influence of european colonial consciousness or coloniality in particular its religious and racial roots on bharat as the successor state to the indic

civilisation and the origins of the indian constitution it lays the foundation for its sequels by covering the period between the age of discovery marked by christopher columbus expedition in 1492 and the reshaping of bharat through a british made constitution the government of india act of 1919 this includes international developments leading to the founding of the league of nations by western powers that tangibly impacted this journey further this work also traces the origins of seemingly universal constructs such as toleration secularism and humanism to christian political theology their subsequent role in subverting the indigenous indic consciousness through a secularised and universalised reformation that is constitutionalism is examined it also puts forth the concept of middle eastern coloniality which preceded its european variant and allies with it in the context of bharat to advance their shared antipathy towards the indic worldview in order to liberate bharat s distinctive indigeneity decoloniality is presented as a civilisational imperative in the spheres of nature religion culture history education language and crucially in the realm of constitutionalism

now updated with a new chapter on rahul gandhi the congress party has always stayed one step ahead of the opposition by constantly reinventing and re aligning itself to stay in sync with the political realities of the day its president sonia gandhi pulled off a master coup in 2004 by declining the prime ministership while the incumbent congress prime minister dr manmohan singh is the first prime minister since nehru to lead the party into two union government terms in

2013 rahul gandhi was elevated to the post of congress vice president amid much fanfare and optimism tasked with reviving the grand old party the young politician remains in the minds of many the best hope to lead the congress into the next century marking a new moment in the congress's concept of continuity with change in his bestselling book 24 akbar road seasoned journalist and veteran congress watcher rasheed kidwai puts together an incisive and engaging account of the congress's shape shifting nature and its tenuous hold at the centre providing a dispassionate observer's glance at affairs within the congress kidwai brilliantly tracks the story of the contemporary congress in the years after the emergency using the congress seat of power at 24 akbar road as his vantage to draw a compelling account of the congress leadership from indira sanjay and rajiv gandhi to narasimha rao and sitaram kesri to the present day trinity of sonia gandhi manmohan singh and rahul gandhi in this revised and updated edition kidwai analyses rahul gandhi's appointment to assess what the congress needs to do to remain india's nerve of power in the coming years and whether the new vice president can rally the party to a third consecutive victory at the centre

dongri to dubai is the first ever attempt to chronicle the history of the mumbai mafia it is the story of notorious gangsters like haji mastan karim lala varadarajan mudaliar chhota rajan abu salem but above all it is the story of a young man who went astray despite having a father in the police force dawood ibrahim was initiated into crime as a pawn in the hands of the mumbai police and went on to wipe out the competition and eventually became the mumbai police s own nemesis the narrative encompasses several milestones in the history of crime in india from the rise of the pathans formation of the dawood gang the first ever supari mafia s nefarious role in bollywood dawood s move to karachi and pakistan s subsequent alleged role in sheltering one of the most wanted persons in the world this story is primarily about how a boy from dongri became a don in dubai and captures his bravado cunningness focus ambition and lust for power in a gripping narrative the meticulously researched book provides an in depth and comprehensive account of the mafia s games of supremacy and internecine warfare

# ***Census of India, 1921***

1923

networks labour and migration among indian muslim artisans provides an ethnography of life work and migration in a north indian muslim dominated woodworking industry it traces artisanal connections within the local context during migration within india and to the gulf examining how woodworkers utilise local and transnational networks based on identity religiosity and affective circulations to access resources support and forms of mutuality however the book also illustrates how liberalisation intensifying forms of marginalisation and incorporation into global production networks have led to spatial pressures fragmentation of artisanal labour and forms of enclavement that persist despite geographical mobility and connectedness by working across the dialectic of marginality and connectedness thomas chambers thinks through these complexities and dualities by providing an ethnographic account that shares everyday life with artisans and others in the industry descriptive detail is intersected with spatial scales of local national and international with the demands of supply chains and labour markets within india and abroad with structural conditions and with forms of change and continuity empirically then the book provides a detailed account of a specific locale but also contributes to broader theoretical debates centring on theorisations of margins borders connections networks embeddedness neoliberalism subjectivities and economic or social flux

the story of amit shah s political life struggles rise and triumph is little known for a leader who is often referred to as the chanakya of indian politics who has dominated india s fast paced and complex political stage since 2014 has altered its electoral map by leading the bharatiya janata party bjp to successive historic victories post the may 2014 general elections there is very little that is recorded or narrated

so it is no surprise that the curiosity he evokes is ever on the rise most of what is written about amit shah is based on conjectures hearsay assumptions and biases the real amit shah the once booth worker and now national president of the largest political party in the world the master strategist who has pushed the bjp to an organisational pinnacle and yet talks of scaling peaks a man who is unhesitant in his stand on nationalism and on anything which concerns india's national interest has remained in the shadows self effaced away from the limelight the story of how he expanded the bjp into a pan india party and the convergence of organisational science and ideology that has made the bjp a unique and formidable political entity is a story that needs to be told the book narrates the personal and political journey of amit shah captures the ideological world that shaped him and gives an account of the party that he is leading and shaping today it is for the first time that his story is being told an authentic no holds barred portrayal of one of the most influential leaders of our times to the political worker the observer and to anyone even remotely interested in indian politics irrespective of their profession or political leaning especially since the unfolding of indian politics in the summer of 2014 this is a captivating exploration of the political life and journey of one of its central characters

I grew up in a place where every student appearing for the school finals was accompanied by four experts who wrote the answers outside before they were smuggled in where buying a train ticket was uber uncool because only cowards paid to travel where dating a woman was unheard of but mating was commonplace and where the loss of male virginity often had something to do with goats's teenage boy Anirban Roy grows up — not a lot wiser — in a small town in 70s Bihar where his policeman father is posted to pick up intelligence on the looming naxalite menace Ganesh Nagar possesses neither village simplicity nor urban slick but observes a line of ethics that defies codification it takes time for Anirban to learn to juggle adolescent angst and ping pong hormones loyal friends and part time criminals a bewildering succession of topsy turvy lessons in life and lust yet manage to keep the balls in the air there are close encounters with animals too experiments with reptiles the sighting of bandicoots in full flight their sleek coats gleaming in the moonlight the hazards involved in stealing a parrot nestling the part played by a domestic fowl in curing snakebite and predicting death and the unusual role of donkeys in satiating adolescent lust rites of passage never got so down and dirty as in journalist Avijit Ghosh's earthy account of boy to manhood in fictional Ganesh Nagar an introverted district that could exist in India anytime anywhere

it has long been contended that the indian constitution of 1950 a document in english created by elite consensus has had little influence on india's greater population drawing upon the previously unexplored records of the supreme court of india a people's constitution upends this narrative and shows how the constitution actually transformed the daily lives of citizens in profound and lasting ways this remarkable legal process was led by individuals on the margins of society and rohit de looks at how drinkers smugglers petty vendors butchers and prostitutes all despised minorities shaped the constitutional culture the constitution came alive in the popular imagination so much that ordinary people attributed meaning to its existence took recourse to it and argued with it focusing on the use of constitutional remedies by citizens against new state regulations seeking to reshape the society and economy de illustrates how laws and policies were frequently undone or renegotiated from below using the state

s own procedures de examines four important cases that set legal precedents a parsi journalist s contestation of new alcohol prohibition laws marwari petty traders challenge to the system of commodity control muslim butchers petition against cow protection laws and sex workers battle to protect their right to practice prostitution exploring how the indian constitution of 1950 enfranchised the largest population in the world a people s constitution considers the ways that ordinary citizens produced through litigation alternative ethical models of citizenship
