this book is about jorge frias a mexican from the yucatan peninsula for almost twenty years he lived and worked in the united states without proper papers and was therefore an illegal alien after being caught he was allowed to voluntarily depart our country a couple of years ago this is a story of how he managed to gain entry to this country illegally on many occasions why he did it and what he did while here in writing the book my intention was in large part to shed some light on the immigration issue since it is a topic being hotly debated in congress and across the country at the present time in doing so i also address u s mexican relations over the years and jorges heritage he is a mestizo which means he has the blood of the spanish the mayans and other indigenous peoples of mexico in him he now lives in playa del carmen and takes tourists on guided tours of mayan temples among other things he is also a poet

The Wiggle In Your Walk Must Go

2018-09-11

it is easy to take for granted the marvel and complexity of those things that we do without thinking walking for instance the modern human gait is a sophisticated choreography of balance and motion that has evolved over millions of years and we rarely think about it until something changes if you have begun to notice a small hitch in your step it could be the precursor to major back problems especially in women dr richard robson wants to help you recognize and

isolate the wiggle in your walk and help head off future lower back issues learn how to recognize and eliminate your wiggle and take back your natural gait once and for all
