*Reign of a King* 2021-09-02 nothing is fair in war jonathan king is every bit his last name powerful untouchable corrupted he s also my dead sister s husband and way older than me when i first met him as a clueless child i thought he was a god now i have to confront that god to protect my business from his ruthless grip little did i know that declaring a war on the king will cost me everything when jonathan covets something he doesn t only win he conquers now he has his sights on me he wants to consume not only my body but also my heart and my soul i fight but there s no escaping the king in his kingdom reign of a king is the first part of a duet and is not standalone

*Reign: The Prophecy* 2014-09-23 death has come to court as the plague rages outside the palace walls tormented screams and pleas for help go unanswered by the members of the french court sheltered within the castle mary queen of scots feels safe but she doesn t know that someone using the secret tunnels may bring the threat inside mary worries that those she loves her husband francis and friends lola bash and kenna remain stranded beyond the gates among the sick and dying the infection doesn t distinguish between royals and commoners can they survive and when nostradamus receives a disturbing vision that portends mary s own death she wonders how long will she reign

**Reign** 2023-04-18 the only thing standing between a princess and her knight is a choice between temptation and duty unwilling to submit to an arranged marriage stunning and strong willed princess charlotte camston finds herself fleeing the castle on the eve of her betrothal feast if only her grandfather king pendragon would listen to her pleas she would not have found herself alone and unprotected in desperate need of rescue she is delighted and relieved when a handsome knight comes to her aid only to discover that he is not only her savior he is also her warden sir magnus is a temptation unbefitting a princess not only is his position below her station but his very countenance is infuriating she bristles at his stern treatment and defies him at every opportunity but his unyielding loyalty is without question and pulls at the tendrils of her frustration exposing a burning attraction underneath as their forbidden sparks ignite magnus and charlotte give in to their carnal desires but soon they find themselves facing more than just keeping their relationship hidden charlotte is fighting for the throne and her life and their kingdom is on the brink of war faced with an impossible choice charlotte must decide how the future will unfold will she turn her back on the pendragon dynasty in order to embrace her feelings for magnus or will she stay true to her kingdom and lose the greatest love she has ever known

**The Reign of James VI** 2000-01-11 the reign of james vi 1567 1625 remains one of the most enigmatic in scottish history there are long periods within it that resemble black holes in our knowledge this study is a concerted attempt by a group of ten scholars of the reign drawn from three different disciplines to shed light on its politics and government viewed through various perspectives these include the royal court which is analysed through its literature architecture and ceremony noble factionalism relations with england a revised model of tensions between church and state and the relationship between the government and the highlands the borders and the south west a future region of opposition to charles i this study also analyses james as a literary author correspondent husband and universal king the book offers alternatives to accepted views of the reign dismissing both melvillianism and laissez faire monarchy as useful tools it sees the centre of politics as the interaction between an expanded and increasingly expensive royal court and a phenomenal growth of the state based on a huge increase in legislation and the business of the privy council

**The Reign of Cleopatra** 2007-12-01 an engaging accessible biography of the legendary egyptian queen with source documents ambitious intelligent and desired by powerful men cleopatra vii came to power at a time when roman and egyptian interests increasingly concerned the same object egypt itself cleopatra lived and reigned at the center of this complex and persistent power struggle her legacy has since lost much of its former political significance as she has come to symbolize instead the potent force of female sexuality and power in this engaging and multifaceted account stanley m burstein displays cleopatra in the full manifold brilliance of the multiple cultures countries and people that surrounded her throughout her compelling life and in so doing develops a stunning picture of a legendary queen and a deeply historic reign designed as an accessible introduction to cleopatra vii and her time the reign of cleopatra offers readers and researchers an appealing mix of descriptive chapters biographical sketches and annotated primary documents the narrative chapters conclude with a discussion of cleopatra s significance as a person a queen and a symbol a glossary and annotated bibliography round out the volume

*Reign of the Fallen* 2018-01-23 this edgy fantasy doesn t just blur boundaries of genre of gender of past and present life and death it explodes them cinda williams chimera new york times bestselling author of the seven realms and the shattered realms without the dead she d be no one odessa is one of karthia s master

necromancers catering to the kingdom s ruling dead whenever a noble dies it s odessa s job to raise them by retrieving their soul from a dreamy and dangerous shadow world called the deadlands but there is a cost to being raised the dead must remain shrouded if even a hint of flesh is exposed a grotesque transformation begins turning the dead into terrifying bloodthirsty shades a dramatic uptick in shade attacks raises suspicions and fears around the kingdom soon a crushing loss of one of her closest companions leaves odessa shattered and reveals a disturbing conspiracy in karthia someone is intentionally creating shades by tearing shrouds from the dead and training them to attack odessa is forced to contemplate a terrifying question what if her magic is the weapon that brings the kingdom to its knees fighting alongside her fellow mages and a powerful girl as enthralling as she is infuriating odessa must untangle the gruesome plot to destroy karthia before the shades take everything she loves perfect for fans of three dark crowns and red queen reign of the fallen is a gutsy unpredictable read with a surprising and breathtaking lgbt romance at its core

**Tracts prior to the reign of Queen Elizabeth. Tracts during the reign of Queen Elizabeth** 1809 this book is about the politics and political culture of the last decade of the reign of elizabeth i in effect the years 1585 to 1603 it argues that this period was so distinctive that it amounted to the second of two reigns it also invites readers at times provocatively to take a critical look at the declining virgin queen many teachers and their students have failed to consider the last decade in its own right or have ignored it having begun their accounts in 1558 and struggled on to the defeat of the armada in 1588 only two major political surveys have been attempted since 1926 both consider mainly the war with spain and the politics of war and each allots inadequate space to crown patronage puritanism and religion

society and the economy political thought and literature and drama this book written by some of the leading scholars of their generation will be indispensable to a fuller understanding of the age
