1900s vagabonds known as tinkers traveled from town to town performing jack of all trade repair services their arrival was hailed by the jingling of bells fashioned from tin that they mounted on their wagons one of these tinker bells was used to give peter s fairy friend her voice in the original stage production and the name stuck now more than a hundred years later it is difficult to believe that this popular pixie began as a circle of lamplight reflected in a mirror controlled by a stage hand behind the curtains she is now the center of a major disney franchise she flies through the skies in orlando and anaheim introducing the nightly fireworks displays and she opens every walt disney pictures film with a sprinkling of pixie dust tinker bell an evolution is a full biography of the fiery little fairy designed in collaboration with the animation research library it contains artwork that has never been seen before the book is heavily illustrated highly detailed and will make the perfect gift for every grown up who believes in fairies
