waking up at the foot of your own grave is no picnic especially when you can't remember how you got there cursed with powers she can't name sloane cabot has vowed to catch the rogue who turned her into a monster and killed her family too bad a broodingly hot mage is bound to keep her on the straight and narrow whether she likes it or not

## **The Night Watch**

2015-03-12

when patrick modiano was awarded the 2014 nobel prize for literature he was praised for using the art of memory to bring to life the occupation of paris during the second world war the night watch is his second novel and tells the story of a young man of limited means caught between his work for the french gestapo informing on the resistance and his work for a resistance cell informing on the police and the black market dealers whose seedy milieu of nightclubs prostitutes and spivs he shares under pressure from both sides to inform and bring things to a crisis he finds himself driven towards an act of self sacrifice as the only way to escape an impossible situation and the question that haunts him how to be a traitor without being a traitor in this astonishing cruel and tender book modiano attempts to exorcise the past by leading his characters out on a fantasmagoric patrol during one fatal night of the occupation

## ***The Twilight Watch***

2009-09-15

walking the streets of moscow indistinguishable from the rest of its population are the others possessors of supernatural powers and capable of entering the twilight a shadowy world that exists in parallel to our own each owes allegiance either to the dark or the light night watch agent anton gorodetsky's holiday is abruptly shortened when an urgent call from gesar his boss and night watch head forces him to return to work gesar has received an anonymous note stating that an other has revealed the full truth about their kind to a human and intends to convert the human in an other the note has also been sent to the day watch and to the inquisition but only the very highest level others know the addresses so the inquisition orders the cooperation of night and day watch in an effort to unmask the culprit

## **The Watch that Ends the Night**

2009-05-18

george and catherine stewart share not only the burden of catherine's heart disease which could cause her death at any time but the memory of jerome martell her first husband and george's closest friend martel a brilliant doctor passionately concerned with social justice is presumed to have died in a nazi prison camp his sudden return to montreal precipitates the central crisis of the novel hugh maclellan takes the reader into the lives of his three characters and back into the world of montreal in the thirties when politics could send an idealist across the world to spain france auschwitz russia and china before his return home

## ***The Day Watch***

2009-06-12

the second installment of the phenomenal russian quartet the night watch vampire novels set in a richly realized post soviet moscow the second book in the internationally bestselling fantasy series the day watch begins where the night watch left off set in a modern day moscow where the 1 000 year old treaty between light and dark maintains its uneasy balance through careful vigilance from the others the forces of darkness keep an eye during the day the day watch while the agents of light monitor the nighttime very senior others called the inquisitors are the impartial judges insisting on the essential compact when a very potent artifact is stolen from them the consequences are dire and drastic for all sides the day watch introduces the perspective of the dark ones told in part by a young witch who bolsters her evil power by leeching fear from children's nightmares as a counselor at a girls summer camp when she falls in love with a handsome young light one the balance is threatened and a death must be avenged the day watch is replete with the thrilling action and intricate plotting of the first tale fuelled by cunning cruelty violence and magic it is a fast paced darkly humorous haunting world that will take root in the shadows of your mind and live there forever
