The Englishman's Hebrew and Chaldee Concordance of the Old Testament 1874

A city's shattered peace serves as a rallying cry in the land of Jabesh. An army looms near, carrying the blood of the inhabitants of conquered lands on their blades. King Dagon sets his sights on Jabesh, and every tribe on its land. An ancient myth gives birth to three new heroes. King Gilead, ruler of Jabesh, seeks out hope where it was least expected: the myth of the seven locks of Samson. And the power of God, rumored to be within them, is the last hope for the city of Jabesh. Jair, Namaan, and Shem are the descendants of the heroes of the past. They must step up to secure the future of their tribe. However, in the midst of the violence and betrayal, they must seek the strength within them to put an end to King Dagon's reign of terror once and for all.

You are a man who has vowed to protect his family even at the cost of your own life, so you have no other choice: you must fight Samson. You must. The year is 1941, and Samson Abrams makes a life-or-death decision that lands him and his entire family in the notorious concentration camp Auschwitz. When Samson is recognized by Dr. Josef Mengele and Commandant Rudolf Höss as a former boxing champion, he is ordered to box for their entertainment. A win means extra rations, but the penalty for losing is death in the gas chambers. One question haunts Samson as he and his family face one atrocity after another: where is God in the face of such evil? An unexpected friendship between the Jewish Samson and the Polish Catholic priest Maximilian Kolbe challenges Samson to examine what little is left of his faith. But will it give him strength when he needs it most? Based on true stories, Samson: A Savior Will Rise blends Shawn Hoffman's thorough research with a compelling narrative that provokes questions about faith, hope, and love.
