U.S. Marshals

2015-07-01

blending history and memoir retired u s marshal mike earp a descendant of the legendary lawman wyatt earp offers an exclusive and fascinating behind the scenes look at the most storied law enforcement agency in america illuminating its vital role in the nation s development for more than two hundred years mike earp spent his career with the u s marshals service reaching the number three position in the organization s hierarchy before he retired in this fascinating eye opening book written with the service s full cooperation he shares his experiences and takes us on a fascinating tour of this extraordinary organization the oldest the most effective and the most dangerous branch of american law enforcement and the least known unlike their counterparts in the police and the fbi u s marshals aren t responsible for investigating or prosecuting crimes they pursue and arrest the most dangerous criminal offenders on u s soil an extraordinarily hazardous job often involving gun battles and physical altercations earp takes us back to the service s early days explaining its creation and its role in the border wars that helped make continental expansion possible he brings to life the gunslingers and gunfights that have made the marshals legend and explores the service s role today integrating federal state and local law enforcement agencies in the hunt for the most notorious criminals terrorists drug lords gun runners setting his own experiences within the long history of the u s marshals service earp offers a moving and illuminating tribute to the brave marshals who have dedicated their lives to keeping the nation safe

U.S. Marshals

2014-05-13

deputy u s marshal how often did you draw your gun retiring fbi agent never you deputy u s marshal seven times before lunch 123 006 fugitives that s how many wanted men and women each with an average of four felony convictions to his or her name the u s marshals service tracked down and arrested in 2012 of that number 3 962 were charged with murder most were violent career criminals and all were on the run from the authorities if you are a fugitive in america your worst nightmare is a deputy u s marshal on your trail each year the marshals service takes more criminals off the streets than every other federal law enforcement agency combined from mike earp the former associate director of operations for the marshals service and new york times bestselling author david fisher this book tells the thrilling inside story of today s u s marshals in their own words based on interviews with more than fifty current and former deputies as well as earp s personal case notes here are the greatest cases hairiest arrests and most unforgettable moments all revealed for the first time here also is a history of how the marshals of legend have evolved into the country s frontline law enforcement agency charged with apprehending the most notorious and dangerous suspects the u s marshals service is america s oldest law enforcement agency established in 1789 by george washington who called for the selection of the fittest characters to expound the law and dispense justice it has had a long and colorful history famously interwoven into the mythology of the wild west with notable real life marshals like wyatt earp and bass reeves and legendary fictional characters like matt dillon elmore leonard s raylan givens and rooster cogburn played by john wayne in the 1969 film true grit however what few people realize is that in the past three decades the marshals have been at the heart of a transformation of the entire structure of law enforcement in america the marshals service has become the most effective u s law enforcement agency responsible for tracking down the nation s most wanted fugitives organized under the department of justice the marshals serve as the apprehension arm for most federal agencies including the fbi and the dea and across the nation u s marshals regional task forces aid state and local law enforcement authorities to catch the most dangerous fugitives all told the marshals service processes more than 150 000 warrants each year and deputies make an average of 337 arrests per day they are also charged with transporting federal prisoners protecting judges and operating the witness security program this is the untold story of the new u s marshals

service as seen through the eyes of the men and women who were pivotal in solving many of the most high profile and dangerous cases in recent history

Law Stories

accounts of law problems and the way they were handled written by the responsible lawyers

Law's Stories

1996-01-01

the law is full of stories ranging from the competing narratives presented at trials to the olympian historical narratives set forth in supreme court opinions how those stories are told and listened to makes a crucial difference to those whose lives are reworked in legal storytelling the public at large has increasingly been drawn to law as an area where vivid human stories are played out with distinctively high stakes and scholars in several fields have recently come to recognize that law s stories need to be studied critically this notable volume inspired by a symposium held at yale law school brings together an exceptional group of well known figures in law and literary studies to take a probing look at how and why stories are told in the law and how they are constructed and made effective why is it that some stories confessions victim impact statements can be excluded from decisionmakers hearing how do judges claim the authority by which they impose certain stories on reality law s stories opens new perspectives on the law as narrative exchange performance explanation it provides a compelling encounter of law and literature seen as two wary but necessary interlocutors contributorsj m balkinpeter brooksharlon l daltonalan m dershowitzdaniel a farberrobert a fergusonpaul gewirtzjohn hollanderanthonny kronmanpierre n levalsanford levinsoncatharine mackinnonjanet malcolmmartha minowdavid n rosenelaine scarrylouis michael seidmansuzanna sherryreva b siegelrobert weisberg

Stories of the Law

2012-04-01

winner of honorable mention in the jordan schnitzer book awards of the association for jewish studies moshe simon shoshan offers a groundbreaking study of jewish law halakhah and rabbinic story telling focusing on the mishnah the foundational text of halakhah he argues that narrative was essential in early rabbinic formulations and concepts of law legal process and political and religious authority the book begins by presenting a theoretical framework for considering the role of narrative in the mishnah drawing on a wide range of disciplines including narrative theory semitic linguistics and comparative legal studies simon shoshan shows that law and narrative are inextricably intertwined in the mishnah narrative is central to the way in which the mishnah transmits law and ideas about jurisprudence furthermore the mishnah s stories are the locus around which the mishnah both constructs and critiques its concept of the rabbis as the ultimate arbiters of jewish law and practice in the second half of the book simon shoshan applies these ideas to close readings of individual mishnaic stories among these stories are some of the most famous narratives in rabbinic literature including those of honi the circle drawer and r gamliel s yom kippur confrontation with r joshua in each instance simon shoshan elucidates the legal political theological and human elements of the story and places them in the wider context of the book s arguments about law narrative and rabbinic authority stories of the law presents an original and forceful argument for applying literary theory to legal texts challenging the traditional distinctions between law and

literature that underlie much contemporary scholarship

EU Law Stories

2017-05-29

this book retells the multiple stories behind the rulings of the european court revealing their context their history and the legal and non legal strategies of their actors

International Law Stories

2007

this title sets the most significant international law cases in their social political and historical context it showcases 13 essays by leading international law experts the essays are organized in three groupings stories about the development of international human rights law stories about the use of international law in the u s legal system and stories about international law s impact on interstate politics and the global economy experienced international law scholars teachers and practitioners will discover valuable new insights and readers new to international law will find that the book quickly immerses them in the most significant developments in the field

Law and the Gay Rights Story

2014-08-05

for much of the 20th century american gays and lesbians lived in fear that public exposure of their sexualities might cause them to be fired blackmailed or even arrested today they are enjoying an unprecedented number of legal rights and protections clearly the tides have shifted for gays and lesbians but what caused this enormous sea change in his gripping new book walter frank offers an in depth look at the court cases that were pivotal in establishing gay rights but he also tells the story of those individuals who were willing to make waves by fighting for those rights taking enormous personal risks at a time when the tide of public opinion was against them frank s accessible style brings complex legal issues down to earth but as a former litigator never loses sight of the law s human dimension and the context of the events occurring outside the courtroom chronicling the past half century of gay and lesbian history law and the gay rights story offers a unique perspective on familiar events like the stonewall riots the aids crisis and the repeal of don t ask don t tell frank pays special attention to the constitutional issues surrounding same sex marriage and closely analyzes the two recent supreme court cases addressing the issue while a strong advocate for gay rights frank also examines critiques of the movement including some coming from the gay community itself comprehensive in coverage the book explains the legal and constitutional issues involved in each of the major goals of the gay rights movement a safe and healthy school environment workplace equality an end to anti gay violence relationship recognition and full integration into all the institutions of the larger society including marriage and military service drawing from extensive archival research and from decades of experience as a practicing litigator frank not only provides a vivid history but also shows where the battle for gay rights might go from here

Stories About Science in Law

2016-04-01

presenting examples of how literary accounts can provide a supplement to our understanding of science in law this book challenges the view that law and science are completely different it focuses on stories which explore the relationship between law and science especially cultural images of science that prevail in legal contexts contrasting with other studies of the transfer and construction of expertise in legal settings this book considers the intersection of three interdisciplinary projects law and science law and literature and literature and science looking at the appropriation of scientific expertise into law from these perspectives this book presents an original introduction into how we can gain insight into the use of science in the courtroom and in policy and regulatory settings through literary sources

Shocking True Stories of Citizens Who Took the Law Into Their Own Hands

2015-12-17

an eye for an eye they are battered women grieving parents and burglarized homeowners who responded to criminal violence by taking the law into their own hands their cases have struck a deep chord in american society are they victims of a failing judicial system or criminals themselves true crime writer gary provost examines the stories of ordinary citizens who have taken on the roles of judge jury and sometimes executioner are their acts a higher form of justice or merely revenge you decide bernhard goetz who shot four teenagers when they approached him on a subway train and demanded money the young man who gunned down his own friend for killing his teenaged sister in a drunk driving accident the mother who risked her life to track down and apprehend her daughter s rapist grambo the dallas grandmother who held a burglar at gunpoint for forty five minutes while waiting for the police the battered wife who hired a hit man to murder her husband after seventeen years of abuse fascinating penetrating and chilling into their own hands is a controversial and thought provoking look at what s wrong with crime and punishment in america today and what happens when victims don t just get mad they get even

Shoes of the Law A Basketball Story

2015-11-10

jack lawyer is a gifted athlete alan dionne is not they are friends because of shoes alan thinks they are the best he has ever worn and jack because the manufacturers pay him to play to alan athletic competition is a noble endeavor he believes in the olympic creed and that the most important thing is the trying to jack playing ball is a ticket out of his decaying mill town home and the path to the riches of a professional career they meet at a time when manufacturers of sporting equipment are beginning to funnel huge sums of money into amateur and collegiate sports and this story chronicles both boy s and later men s trials through college and beyond is sport a noble endeavor in itself or is it high dollar entertainment can it realistically be both

ARTHUR TRAIN MYSTERIES: 50+ Legal Thrillers, True Crime Stories & Detective Tales (Illustrated)

2016-09-15

stories of care a labour of law is an interdisciplinary study of the interactions of law and labour that shape paid care work based on the experiences of homecare workers this highly topical text unpicks doctrinal assumptions about class and gender to interrogate contemporary labour law it demonstrates how the uk s crisis in social care is connected to the gendered inadequacy of labour law and argues for transformative change to law at work utterly compelling perhaps the best ever example in modern labour law scholarship of research led recommendations keith ewing professor of public law king s college london an important contribution to socio legal research on care work and labour law judy fudge professor of labour law university of kent innovative and meticulous merits a very wide readership lizzie barmes professor of labour law queen mary university of london a really important text which shows through deep analysis of care workers stories how badly undervalued their work is it offers an excellent analysis robin allen qc cloisters chambers a rare and valuable insight into the lives and views of women who work in the little known world of homecare for rates of pay and conditions that shame our society david brindle public services editor the guardian boundary breaking an outstanding contribution to the growing field of feminist labour law scholarship joanne conaghan professor of law university of bristol

ARTHUR TRAIN Ultimate Collection: 60+ Mysteries, Legal Thrillers & True Crime Stories (Illustrated)

2016-09-15

this edited volume presents a collection of stories that experiment with different ways of looking at international law by using different literary lenses namely storytelling the novel the drama the collage the self portrait and the museum the authors shed light on elements of international law that usually remain unseen or unheard and expose the limits of what international law can do we inquire into who the storytellers of international law are the stages on which they tell their stories and who are absent in these tales we present it as a collection a set of different essays that more or less deal with the same subject matter alternatively we would like to call it a potpourri of stories since the diversity of topics and approaches is eclectic and unconventional by placing multiple perspectives alongside each other we aim to compare and contrast to allow for second thoughts and to rediscover in doing so we engage with the ambiguities of international law s characters and spaces and with the worldviews they reflect and worlds they create

Albany Law Journal

1890

why do true crime stories exert such popular fascination what do they have to say about the fear of crime in the present moment this book examines the historical origins and development of true crime and its evolution into distinctive contemporary forms embracing a range of non fiction accounts true crime book and magazines law and order television popular journalism it traces how they harness and explore current concerns about law and order crime and punishment and personal vulnerability

Stories of Care: A Labour of Law

2017-05-10

one l scott turow s journal of his first year at law school was a bestseller when it was first published in 1977 and has gone on to become a virtual bible for prospective law students not only does it introduce with remarkable clarity the ideas and issues

that are the stuff of legal education it brings alive the anxiety and competitiveness with others and even more with oneself that set the tone in this crucible of character building turow's multidimensional delving into his protagonists' psyches and his marvellous gift for suspense prefigure the achievements of his bestselling first novel presumed innocent each september a new crop of students enter harvard law school to begin an intense often gruelling sometimes harrowing year of introduction to the law turow's group of one-ls are fresh bright ambitious and more than a little daunting even more impressive are the faculty perini the dazzling combative professor of contracts who presents himself as the students' antagonist in their struggle to master his subject zechman the reserved professor of torts who seems so indecisive the students fear he cannot teach and nicky morris a young appealing man who stressed the humanistic aspects of law will the one-ls survive will they excel will they make the law review the outward and visible sign of success in this ultra conservative microcosm with remarkable insight into both his fellows and himself turow leads us through the ups and downs the small triumphs and tragedies of the year in an absorbing and thought provoking narrative that teaches the reader not only about law school and the law but about the human beings who make them what they are

International Law's Collected Stories

2020-12-19

an anonymous barrister offers a shocking darkly comic and very moving journey through the legal system and explains how it's failing all of us the sunday times number one bestseller winner of the books are my bag non fiction award shortlisted for waterstones book of the year shortlisted for specsavers non fiction book of the year you may not wish to think about it but one day you or someone you love will almost certainly appear in a criminal courtroom you might be a juror a victim a witness or perhaps through no fault of your own a defendant whatever your role you'd expect a fair trial i'm a barrister i work in the criminal justice system and every day i see how fairness is not guaranteed too often the system fails those it is meant to protect the innocent are wronged and the guilty allowed to walk free in the secret barrister stories of the law and how it's broken i want to share some stories from my daily life to show you how the system is broken who broke it and why we should start caring before it's too late a sunday times top ten bestseller for twenty four weeks eye opening funny and horrifying observer everyone who has any interest in public life should read it daily mail

Crime, Fear and the Law in True Crime Stories

2001-06-26

How Many Judges Does it Take to Make a Supreme Court?

2006

the stories in i remember atticus inspiring stories every trial lawyer should know range from ancient to contemporary exploring the origins of our modern civil justice system and revealing its deep spiritual and philosophical roots author jim m perdue takes inspiration from atticus finch of to kill a mockingbird to remind us of the qualities of faith freedom equality courage and perseverance that inform the american spirit values without which justice cannot prevail in this entertaining and instructive book we learn of a prophet who divines a rule of legal procedure so fundamental today that many lawyers do not know its ancient origins we see a single brave juror more than three centuries ago lead his fellows to defy the authorities and go to jail rather than deliver a false verdict we read of a courageous lawyer defending a man condemned and convicted by the forces of wealth and power before even being tried we begin to understand the true meaning of heroism when we read of a judge who ignores the malicious bigotry of his community to set aside an unjust verdict and we learn what perseverance means from the actions of a small group of taxpayers enduring the most trying of circumstances in a quest for equality that transforms american society these and other stories help us appreciate the unique role of the citizen jury in our democracy though he struggled in vain for his client and his cause atticus finch fought to make the jury system work because he knew that the independent jury is fundamental to our freedoms perdue s stories remind us why i remember atticus is more than a collection of inspiring stories it is also an indispensable resource for the trial lawyer seeking more effective persuasion techniques perdue gives generously of his wealth of trial experience to show how novices and veterans alike may use our core values for practical advocacy and he does so in a way that entertains informs and inspires provided by publisher

Women and the Law Stories

2011

amoral cunning ruthless and instructive this multi million copy new york times bestseller is the definitive manual for anyone interested in gaining observing or defending against ultimate control from the author of the laws of human nature in the book that people magazine proclaimed beguiling and fascinating robert greene and joost elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of machiavelli sun tzu and carl von clausewitz and also from the lives of figures ranging from henry kissinger to p t barnum some laws teach the need for prudence law 1 never outshine the master others teach the value of confidence law 28 enter action with boldness and many recommend absolute self preservation law 15 crush your enemy totally every law though has one thing in common an interest in total domination in a bold and arresting two color package the 48 laws of power is ideal whether your aim is conquest self defense or simply to understand the rules of the game
