understanding the book of mormon on its own terms and through its two way connection with the bible like the hebrew bible and the christian bible the book of mormon uses narratives to develop ideas and present instruction michael austin reveals how the book of mormon connects itself to narratives in the christian bible with many of the same tools that the new testament used to connect itself to the hebrew bible to create the christian bible as austin shows the canonical context for interpreting the book of mormon includes the christian bible the book of mormon itself and other writings and revelations that hold scriptural status in most restoration denominations austin pays particular attention to how the book of mormon connects itself to the christian bible both to form a new canon and to use the canonical relationship to reframe and reinterpret biblical narratives this canonical context provides an important and fruitful method for interpreting the book of mormon

the testimony of jesus had to be written and therefore needs to be read studied then acted upon the days in which we live teem with factual misrepresentations outright falsehoods key omissions and leaders who play fast and loose with the truth surely we are near the end of the age in each of the 22 chapters a separate facet of the testimony of jesus is brought into view there is one standard by which we measure truth it is the straight vertical line that points to the highest heaven where god is enthroned another name for this straight line is the word of god or jesus the way the truth and the life when god s word or the scripture is misapplied misstated or thrown into the mud then truth will give way to the lie truth must be loved or it will make itself absent at least until it is sought again the light of god dims because men love darkness more than the light take heart the light of truth will never be extinguished for a day is coming when jesus testimony will be all there is inside the testimony of jesus we see that jesus is the word and the word of god is jesus sermons and books such as this run the risk of watering down what the lord said leaving out or explaining away the hard sayings and scripture s troubling prophecies it is with the utmost regard for completeness and accuracy as well as awareness of the fearful warnings to anyone who alters jesus words that the writer began and ended this noble undertaking this book goes back to the source the word

itself to represent god s words the red ink black blue or whatever color just as the spirit of prophecy intended for the spirit of prophecy is the testimony of jesus the authority with which jesus spoke packed a punch that shut the mouths of his opposition and amazed the people the same authority from god was gifted to the apostles then felt by the gospel s friends and enemies it is hoped that the power of the testimony of jesus will explode in the heart and mind of each reader in a wonderful transforming way is not his word like fire at first readers may become angry with the writer or with the content but this emotion is misplaced why be upset with the messenger or the message take it up with the originator the creator of the word maybe no one told you what jesus our savior is really like and you never discovered it for yourself it is time we became wise god s people perish for lack of knowledge why perish when god wants us to have life the proof of the book s reliability is in the scriptures for all to see it is in the book s pages where the passages of testimony are cited or quoted read them then examine their context do not be deceived instead be enlightened by the spirit of god the testimony of jesus encourages rational thinking and critical analysis or putting each thought to the test the writer did and so did the book s bible minded editors readers must as well truth is transformational but only when we recognize it and then obey you will read that what jesus said came from directly from the father his testimony will challenge readers and inspire their faith to take a giant step forward by submitting to him god s idea has always been to produce christ likeness in his son s disciples in following truth wherever it leads we find the narrow path that leads to eternal salvation buckle up we may wonder why we ever sat behind the wheel for this some of the book may seem bumpy but the prize at the end will be well worth it allow the word to dwell in you heart richly meditate and pray you may not agree but think for yourself let the evidence from the true and faithful witness of god do the persuading you will want company on this magnificent journey so share the testimony of jesus with a friend and watch what happens

Life's Last Hours 2015-02-19

the timing of the church s rapture has been and continues to be among premillenarian christians i e they who affirm a literal 1 000 year reign of the son of david upon the earth in the person of the glorified son of man a most contentious issue they who refrain or boast that they are consequently pan trib are only hiding from the fray behind ignorance or seek to keep a very shaky unity with others around the table where such issues are best left to the nether world of those who delight in counting the number of angels who can dance on the end of a pin under the adage that they who stand for nothing may fall for anything cannot be said of stalwart pretribbers i e those who believe the rapture comes before the final week of human history as we know it to be the 70th week of daniel s prophecy found in daniel 9 24 27 they at least have conviction on the matter although this text will take on the alleged biblical assumptions of the pretrib rapture position as doctrinally erroneous it at least commends them for taking a position furthermore they are our comrades in arms when push comes to shove in the trenches of spiritual warfare in the latter days notwithstanding our many compatibilities on key elements not only of the faith once delivered to the saints but on a host of prophetic possibilities we simply agree to disagree agreeably on one of the most important aspects of end times prophecy the rapture s timing this text seeks to systematically counter point after point made by those versed in the pre trib position and yes this is an in house food fight so if this might interest you it would most likely be because you take your eschatology seriously enough to delve into these matters much is at stake regarding the primary issues of the pre trib position relative to the chronological order of matthew 24 25 the timing of the birth pangs of the messiah issues defining the timing of the day of the lord day of christ day of god the nature of the wrath of god the lamb vs the devil s great wrath tribulation vs god s wrath the time of jacob s trouble issues surrounding the tribulation saints israel and the church s possible united testimony in the latter days the so called imminent return of christ the last trumpet the revelation of the man of sin the antichrist timing nature of the abomination of desolation the timing of the new heaven and new earth the fullness of the gentiles who are the two witnesses john the baptist would have been elijah if you would have received him all these and many more issues are brought forward in systematic fashion in an attempt to deconstruct the superstructure of the pre trib rapture of the church if you are easily offended by such disputes and find them counter productive to the main thing of the gospel we unapologetically do not concur with your position it is time to

examine these matters with all due diligence to determine if these things be so what if one is the wrong and the church embarrassingly if you would finds herself smack dab in the middle of the fray at the end of days until they the martyrs of the church under the fifth seal should rest a little while longer until both the number of their fellow servants and their brethren who would be killed as they were was completed rev 5 11 are these martyrs just the martyrs during the tribulation or do they represent the martyrs of all generations rev 3 10 speaks of being kept from the hour of trial which is to test them that dwell on the earth agreed but are not these the same earth dwellers who delight in the death of the two martyrs a k a witnesses of rev 11 this nearly 500 page book if you can endure unto the end is designed to change your world view it has an abundance of charts references indexes both subject and scripture and is heavily footnoted maranatha our lord come

The Testimony of Jesus: The Words of God's Holy Prophet *2017-07-30*

yahusha came at the fullness of time or rather the time of the fulfillment of the plan of salvation written in the stars he came to fulfill what is promised and written logos dabar in the heavenly scroll on earth in the flesh yahusha s message was the same as yahuchanon john the immerser s that we are to repent and follow the way because the kingdom proclaimed in the heavenly scroll is at hand as he came to fulfill it at just the right time we have been blinded by tradition and religion to deny the heavenly scroll and commit what the scriptures call the two evils by denying yahusha was the fulfillment of orion and aquarius the bible is the story of the battle of the ages that plays out in the stars constellations between orion the son of man and the dragon serpent that battle then plays out on earth and is documented from genesis to revelation this battle between the son of man and the dragon materializes in the personal life of yahusha the messiah as he is the fulfillment of orion and aquarius this battle plays out over the ages of mankind foretold in the heavenly scroll where the messiah comes in the 4th prophetic day and the dragon strikes his heel and he crushes the head of the serpent in the gospel of yahchanan john we see that yahusha ascends to read the heavenly mysteries secrets preserved in the heavenly scroll enoch 9 6 as confirmed by daniyahel daniel chapter 7 and yahchanan john in the book of revelation chapter 5 we also see that yahusha brought his knowledge of the secret divine counsel which is the heavenly scroll with him in his ministry and that is what he taught exclusively matthew 4 16 17 this book restores back to the messiah his mission and his message and for the first time delivers an accurate rendition of his teachings which astonished every one who heard him speak this book is the restoration of the gospel of john bringing back to the text the word of yahuah s testimony that yahusha is the messiah written in the stars and the doctrine of righteousness called the way

the sealed portion another testament of jesus christ is the second part of the book of mormon which millions of people throughout the world accept as the word of god along with the bible joseph smith jr 1830 the founder of the mormon faith claimed to have received gold plates from an angel of god named moroni when he received the plates smith relates that 2 3 of them were sealed the angel moroni commanded him not to break the seals but to translate only the portion of the plates that was unsealed it was prophesied that the sealed portion of the plates would one day be given to the people of the world using two stones called the urim and thummim joseph smith translated the unsealed portion before returning the plates to the angel moroni joseph showed them to several others these men gave their personal testimony as witnesses to the existence of the plates and to the truthfulness of the book of mormon claiming to have received the same instructions to translate the sealed portion of the gold plates an obscure man once an active member of the lds faith who goes only by the name of christopher has published the remaining sealed portion though others have made similar claims before him none has ever testified that he received the urim and thummim that was prepared by god to translate the plates and none has made claim that he has received the exact same gold plates that were in joseph smith s possession except for christopher this book is a result of that translation the sealed portion the final testament of jesus christ written by moroni relates the vision seen by the brother of jared within the pages the entire history of mankind is covered it begins with the kingdom where the spirits of the children of men were first created and continues through until the end of the millennium when the earth will be restored to a state similar to the garden of eden and the planets will be prepared as the degrees of glory in the kingdom of god the most accurate and precise account ever given of the life of christ is contained within the pages including his early years with his family his youth baptism marriages mission and death moroni explains the atonement the lds temple endowment and some of the hidden symbolism of the book of revelation he recounts the prophets ubaid zarathustra antioch socrates sythipian mohammad and joseph smith jr among others the histories of the egyptians hittites babylonians romans and americans are also covered also given is the in depth and beautiful description of jesus intercessory prayer among the nephites and the lamanites on the american continent along with the translation of the sealed portion the first part of the gold plates that was translated by joseph smith jr and subsequently lost by his scribe martin harris is also included in this extraordinary work this part is known as the book of lehi the lost 116 page manuscript the full text of joseph smith s

The Testimony of Jesus *1990*

a commentary on the book of revelation volume 2 the author presents a detailed study of the book of revelation emphasizing prophetic themes from the rest of the bible which find their fulfillment in revelation to understand this controversial book the author explores the many connections between the visions seen by the apostle john and previous prophetic revelation given to old testament prophets such as daniel ezekiel and others it is the author s conviction that an understanding of related passages elsewhere in the bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the bible the commentary can be used in conjunction with a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1 000 slides
