The Uniform Commercial Code Made Easy 2010-10 the uniform commercial code made easy marks the first time in the history of legal education that a novel has been used as a vehicle for delivering the content of a substantive body of law in this case a pervasive statutory scheme the uniform commercial code law in all fifty states mirroring the factual assumptions upon which the ucc was drafted the uniform commercial code made easy places the application of these laws in concrete and interesting commercial settings where they come to life logical reader questions are anticipated and answered through a variety of communication channels uniquely available to the format chosen dialogue memoranda of law texting and emails are illustrative if you are in business the uniform commercial code directly impacts your business hundreds perhaps thousands of times per day virtually every phase of a transaction in goods from sale or lease through financing is impacted by the laws of the ucc of particular significance are those provisions which can literally save a business from going under these potential landmines need to be identified before they are stepped on the uniform commercial code made easy accomplishes this important task consumers should understand the basic laws the surround and govern their purchases leases and financing of goods they should also understand as should businesses the impact of signing a promissory note how the transfer of that note can affect one's rights and how to protect one's rights when promissory notes are executed understanding how to protect your rights in these transactions is both empowering and essential the mass and complexity of the uniform commercial code has made comprehension and learning the content very challenging the ease of learning is greatly enhanced by the approach utilized in the uniform commercial code made easy as one prominent attorney and author wrote in a recently published book review yes virginia there is a santa claus in this case he comes in the form of former university of miami school of law professor robert m levine who has made one of the most complicated bodies of law in the united states the uniform commercial code not only comprehensible but entertaining tom shuck esq past president federal bar association federal bar association journal august 2111 law students business students and cpa's must know the uniform commercial code it is essential to graduate from law school and is on the bar examination of every state and the cpa examination as well the following are illustrative of testimonials received on the uniform commercial code made easy it's true the ucc is just as daunting as it looks and this book is the key to unlocking its mysteries infused with practicality the uniform commercial code made easy combines every day transactions with straightforward law allowing students to not only navigate the ucc with ease but also develop a lasting understanding of the material the uniform commercial code made easy's revolutionary approach to the ucc has extensive application both in and out of the classroom as a resource for professors and a study aid for students the uniform commercial code made easy by levine was my key to success in understanding the ucc and enjoying it melissa carroll stetson university college of law i was amazed i never thought it possible to make the ucc interesting but i was wrong for once i had found a book which made me understand the meaning and interrelationships among sections and at the same time i enjoyed reading it f william harvey jd mba wharton school of business the knowledge contained in the uniform commercial code is invaluable to anyone in business or any american who is involved in basic consumer transactions the uniform commercial code made easy creates a pathway to this level in a unique and entertaining manner

A Transactional Guide to the Uniform Commercial Code 1983-06 excerpt from the commercial code of japan and the law concerning its operation in the making of the present commercial code the original intention was merely to revise the former code but in the course of the work so many changes have been made that the result was what is substantially a new code in which the german system is followed even more closely than in the former one a knowledge of german law is therefore indispensable for any scientific translation or explanation of this code as well as of the japanese civil code the translator acknowledges his obligation to prof henry t terry of the college of law of the imperial university for his assistance in putting the translation into a correct english shape about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Bankers Manual on the Uniform Commercial Code 1958 scope of article 2 sales the contract for sale property incidents of the contract for sale seller's warranty obligations performance of the contract for sale remedies rights of third parties purchasers from and creditors of seller and buyer bulk sales sale of investment securities process of paying for goods with negotiable instruments negotiability concept rights of takers of negotiable instruments liabilities of parties contract transfer warranty tort relationship between payor bank and its customer bank collection process the process of shipping and storing goods covered by documents of title warehouse receipts bills of lading obligations of bailee warehouseman or carrier process of financing the sale of goods secured transaction pre code personal property security law ucc article 9 entire commercial transaction made pursuant to a letter of credit process of leasing goods scope of article 2 leases lease contract property incidents and warranty obligations effect of lease contract

Uniform Commercial Code 1958 this fully revised 7th edition will give students a comprehensive introduction to the uniform commercial code without burdening them with unnecessary detail articles 1 and 2 sales articles 3 4 4a and 5 payment systems and article 9 secured transactions as well as related statutes amendments regulations and operating rules the new edition deals not only with the 1999 revisions to article 9 but also with the recent revisions to article 1 this edition also addresses the earlier revisions to articles 5 3 and 4 it has limited coverage of the failed attempt to revise article 2 a reference volume relied on by students courts and business lawyers for decades the 7th edition has been updated in light of modern practice and provides a useful resource for students and practitioners dealing with issues in sales contracts secured transactions and payment systems

Corporate Counsel's Guide to the Uniform Commercial Code 1993 the first edition was originally published in 1979 with the last supplement to the first edition published in 1992 since then there have been some 113 amendments to the code which warranted a new edition at this time
