## **Studies in Art Education 2003**

this retrospective offers a first hand account on internal conflicts in zanu during the 1970s which resulted in the defeat of its left wing chung s narratives include her experiences in two guerrilla camps she recalls her encounters with the charismatic josiah tongogara a legendary military commander during zimbabwe s liberation war known as the second chimurenga who died at the threshold to independence the personal recollection of a transition to national sovereignty concludes with an incisive analysis of developments after independence it ends with chung s vision for the zimbabwe of the future fay chung served within the ministry of education in post colonial zimbabwe for a total of fourteen years at the end as the minister of education and culture

her autobiographical account has the childhood experiences in colonial rhodesia as a point of departure like many other zimbabwean intellectuals she joined the liberation struggle from the mid 1970s she worked within the zanu organised educational sphere

## **Markets and Market Failure 2000**

the book represents a contribution to policy formulation and design in an increasingly knowledge economy in zimbabwe it challenges scholars to think about the role of education its funding and the egalitarian approach to widening access to education the nexus between education democracy and policy change is a complex one the book provides an illuminating account of the constantly evolving notions of national identity language and citizenship from the zimbabwean experience the book discusses educational successes and challenges by examining the ideological effects of social political and economic considerations on zimbabwe s colonial and postcolonial education currently literature on current educational challenges in zimbabwe is lacking and there is very little published material on these ideological effects on educational development in zimbabwe this book is likely to be one of the first on the impact of social political and economic meltdown on education the book is targeted at local and international academics and scholars of history of education and comparative education scholars of international education and development undergraduate and graduate students and professors who are interested in educational development in africa particularly zimbabwe notwithstanding the book is a valuable resource to policy makers educational administrators and researchers and the wider community shizha and kariwo s book is an important and illuminating addition on the effects of social political and economic trajectories on education and development in zimbabwe

it critically analyses the crucial specifics of the zimbabwean situation by providing an in depth discourse on education at this historical juncture the book offers new insights that may be useful for an understanding of not only the zimbabwean case but also education in other african countries rosemary gordon senior lecturer in educational foundations university of zimbabwe ranging in temporal scope from the colonial era and its elitist legacy through the golden era of populist universal elementary education to the disarray of contemporary socioeconomic crisis covering elementary through higher education and touching thematically on everything from the pernicious effects of social adjustment programmes through the local deprofessionalization of teaching this text provides a comprehensive wide ranging and yet carefully detailed account of education in zimbabwe this engagingly written portrayal will prove illuminating not only to readers interested in zimbabwe s education specifically but more widely to all who are interested in how the sociopolitical shapes education how ideology policy international pressures economic factors and shifts in values collectively forge the historical and contemporary character of a country s education handel kashope wright professor of education university of british columbia

## **The Powder of Sympathy 2008-02-01**

moving and provocative short stories that explore the strained relations between parent and child husband an wife brothers and friends as traditional values of rural africa clash with ambitions of urban life

## **Fairy tales from far and near 2022-01-17**

the fast track land reform programme in zimbabwe has emerged

as a highly contested reform process both nationally and internationally the image of it has all too often been that of the widespread displacement and subsequent replacement of various people agricultural related production systems facets and processes the reality however is altogether more complex providing new and much needed empirical research this in depth book examines how processes such as land acquisition allocation transitional production outcomes social life gender and tenure have influenced and been influenced by the forces driving the programme it also explores the ways in which the land reform programme has created a new agrarian structure based on small to medium scale farmers in attempting to resolve the problematic issues the reforms have raised the author argues that it is this new agrarian formation which provides the greatest scope for improving zimbabwe s agriculture and development based on a broader geographical scope than any previous study carried out on the subject this is a landmark work on a subject of considerable controversy
