**The Resignation of Eve** 2012-01-20 in talking with women around the country jim henderson has come to believe that there is an epidemic of quiet even sad resignation among dedicated christian women who are feeling overworked and undervalued in the church as a result many women are discouraged some particularly young women respond by leaving the organized church or walking away from the faith altogether containing personal interviews with women and new research from george barna the resignation of eve is a field report on what women have to say about how they've been affected by their experiences within the church it is crucially important because across the board the research shows that women are driving changes in the church so what will happen if they resign inviting women to speak for themselves the resignation of eve is a must read life changing book for women who have been engaged in the christian church as well as their pastors and ministry leaders
