*Finish Strong* 2021-09-30 an up to date political social and economic history of finland from medieval times to the present david kirby traces the evolution of finland s distinctive identity and of the finnish national state from the long centuries under swedish rule through self government within the russian empire to independence in the twentieth century

**A Concise History of Finland** 2006-07-13 following three teenagers who chose to spend one school year living in finland south korea and poland a literary journalist recounts how attitudes parenting and rigorous teaching have revolutionized these countries education results

**The Smartest Kids in the World** 2014-07-29 as a teacher in an inner city school lucy crehan was exasperated with ever changing government policy claiming to be based on lessons from top performing education systems she resolved to find out what was really going on in the classrooms of countries whose teenagers ranked top in the world in reading maths and science cleverlands documents crehan s journey around the world weaving together her experiences with research on policy history psychology and culture to offer extensive new insights into what we can learn from these countries

*Cleverlands* 2016-12-01 this book presents all the publicly available questions from the pisa surveys some of these questions were used in the pisa 2000 2003 and 2006 surveys and others were used in developing and trying out the assessment

PISA Take the Test Sample Questions from OECD's PISA Assessments 2009-02-02 frustrated by ongoing difficult student behavior you re not alone classroom management issues are a leading cause of teacher burnout but there is a solution no more taking away recess and other problematic discipline practices shows how to promote good behavior address interruptions and keep everyone moving forward management and control are not the same write teacher and school leader gianna cassetta and noted researcher brook sawyer if trying harder to exert control is sapping your energy watch as they show how to transition away from the roles of disciplinarian or goody dispenser and toward an integrated professionally satisfying model for classroom management you ll find everything you need to get going including the rationale for

abandoning rewards and consequence tactics research on more developmentally appropriate and efficient management a plan that integrates instruction and management to decrease interruptions specific strategies for addressing misbehavior and refocusing on learning goals ways to analyze problematic behaviors and help students connect and stay motivated ease your frustration with classroom management and return dozens of hours lost each year to addressing problematic behaviors take a page from no more taking away recess and other problematic discipline practices and turn your classroom into a community that helps students become their best selves and helps you rediscover the joy of teaching about the not this but that series no more taking away recess and other problematic discipline practices is part of the not this but that series edited by nell k duke and ellin oliver keene it helps teachers examine common ineffective classroom practices and replace them with practices supported by research and professional wisdom in each book a practicing educator and an education researcher identify an ineffective practice summarize what the research suggests about why and detail research based proven practices to replace it and improve student learning read a sample chapter from no more taking away recess and other problematic discipline practices *No More Taking Away Recess and Other Problematic Discipline Practices* 2013 this volume of pisa 2009 results examines how human financial and material resources and education policies and practices shape learning outcomes

PISA 2009 Results: What Makes a School Successful? Resources, Policies and Practices (Volume IV)

2010-12-07 one of the twentieth century s greatest composers jean sibelius 1865 1957 virtually stopped writing music during the last thirty years of his life recasting his mysterious musical silence and his undeniably influential life against the backdrop of finland s national awakening sibelius will be the definitive biography of this creative legend for many years to come glenda dawn goss begins her sweeping narrative in the finland of sibelius s youth which remained under russian control for the first five decades of his life focusing on previously unexamined events goss explores the composer s formative experiences as a russian subject and a member of the swedish speaking finnish minority she goes on to trace sibelius s relationships with his creative contemporaries with whom he worked to usher in a golden age of music and art that would endow finns with a sense of pride in their heritage and encourage their hopes for the possibilities of nationhood skillfully evoking this artistic climate in which sibelius emerged as a leader goss creates a dazzling portrait of the painting sculpture literature and music it inspired to solve the deepest riddles of sibelius s life work and enigmatic silence goss contends we must understand the awakening in which he played so great a role situating this national creative tide in the context of nordic and european cultural currents sibelius dramatically deepens our knowledge of a misunderstood musical giant and an important chapter in the intellectual history of europe

**Sibelius** 2009-12-15 when moomintroll learns that a comet will be passing by he and his friend sniff travel to the observatory on the lonely mountains to consult the professors along the way they have many adventures but the greatest adventure of all awaits them when they learn that the comet is headed straight

for their beloved moominvalley

*Comet in Moominland* 2014-09-02 in recent decades there has been a substantial turn towards narrative and life history study the embrace of narrative and life history work has accompanied the move to postmodernism and post structuralism across a wide range of disciplines sociological studies gender studies cultural studies social history literary theory and most recently psychology written by leading international scholars from the main contributing perspectives and disciplines the routledge international handbook on narrative and life history seeks to capture the range and scope as well as the considerable complexity of the field of narrative study and life history work by situating these fields of study within the historical and contemporary context topics covered include the historical emergences of life history and narrative study techniques for conducting life history and narrative study identity and politics generational history social and psycho social approaches to narrative history with chapters from expert contributors this volume will prove a comprehensive and authoritative resource to students researchers and educators interested in narrative theory analysis and interpretation

**The Routledge International Handbook on Narrative and Life History** 2016-10-04 the eusistocratic republic of finland has bred a new human sub species of receptive submissive women called eloi for sex and procreation while intelligent independent women are relegated to menial labour and sterilized vanna raised as an eloi but secretly intelligent needs money to help her doll like sister manna vanna forms a friendship with a man named jare and they become involved in buying and selling a stimulant known to the health authority to be extremely dangerous chilli peppers then manna disappears and jare comes across a strange religious cult in possession of the core of the sun a chilli so hot that it is rumoured to cause hallucinations does this chilli have effects that justify its prohibition how did finland turn into the north korea of europe and will vanna succeed in her quest to find her sister or will her growing need to satisfy her chilli addiction destroy her johanna sinisalo s tautly told story of fight and flight is also a feisty between the lines social polemic a witty inventive and fiendishly engaging read from the queen of finnish weird

**The Core of the Sun** 2016-12-01 reveals the importance of innovation in american global competitiveness profiling some of today s most compelling young innovators while explaining how they have succeeded through the unconventional methods of parents teachers and mentors

mindset finding strength in the struggle featuring insights from finnish experts in mental health wellness sustainability social justice and more this practical and empowering guide presents a road map for overcoming what you thought you couldn t and finding hope and tools to create a brighter way forward

*Everyday Sisu* 2022-03-15 in november 2008 john hattie s ground breaking book visible learning synthesised the results of more than fifteen years research involving millions of students and represented the biggest ever collection of evidence based research into what actually works in schools to improve learning visible learning for teachers takes the next step and brings those ground breaking concepts to a completely new audience written for students pre service and in service teachers it explains how to apply the principles of visible learning to any classroom anywhere in the world the author offers concise and user friendly summaries of the most successful interventions and offers practical step by step guidance to the successful implementation of visible learning and visible teaching in the classroom this book links the biggest ever research project on teaching strategies to practical classroom implementation champions both teacher and student perspectives and contains step by step guidance including lesson preparation interpreting learning and feedback during the lesson and post lesson follow up offers checklists exercises case studies and best practice scenarios to assist in raising achievement includes whole school checklists and advice for school leaders on facilitating visible learning in their institution now includes additional meta analyses bringing the total cited within the research to over 900 comprehensively covers numerous areas of learning activity including pupil motivation curriculum meta cognitive strategies behaviour teaching strategies and classroom management visible learning for teachers is a must read for any student or teacher who wants an evidence based answer to the question how do we maximise achievement in our schools

Visible Learning for Teachers 2012-03-15 the no 1 sunday times bestseller shortlisted for the 2018 baillie gifford prize bill gates top 5 books for 2020 the best true spy story i have ever read john le carrÉ a thrilling cold war story about a kgb double agent by one of britain s greatest historians now with a new afterword on a warm july evening in 1985 a middle aged man stood on the pavement of a busy avenue in the heart of moscow holding a plastic carrier bag in his grey suit and tie he looked like any other soviet citizen the bag alone was mildly conspicuous printed with the red logo of safeway the british supermarket the man was a spy a senior kgb officer for more than a decade he had supplied his british spymasters with a stream of priceless secrets from deep within the soviet intelligence machine no spy had done more to damage the kgb the safeway bag was a signal to activate his escape plan to be smuggled out of soviet russia so began one of the boldest and most extraordinary episodes in the history of spying ben macintyre reveals a tale of espionage betrayal and raw courage that changed the course of the cold war forever ben macintyre s next book colditz is available for pre order now

*The Spy and the Traitor* 2018-09-20 one of the great works of modern historical writing the classic account of the ideas people and politics that led to the bolshevik revolution edmund wilson s to the finland

station is intellectual history on a grand scale full of romance idealism intrigue and conspiracy that traces the revolutionary ideas that shaped the modern world from the french revolution up through lenin's arrival at finland station in st petersburg in 1917 fueled by wilson's own passionate engagement with the ideas and politics at play it is a lively and vivid sweeping account of a singular idea that it is possible to construct a society based on justice equality and freedom gaining the power to change history vico michelet bakunin and especially marx along with scores of other anarchists socialists nihilists utopians and more all come to life in these pages and in wilson's telling their stories and their ideas remain as alive as provocative as relevant now as they were in their own time

**To the Finland Station** 2019-11-12 despite the best efforts of educators our nation's schools are dangerously obsolete instead of teaching students to be critical thinkers and problem solvers we are asking them to memorize facts for multiple choice tests this problem isn't limited to low income school districts even our top schools aren't teaching or testing the skills that matter most in the global knowledge economy our teens leave school equipped to work only in the kinds of jobs that are fast disappearing from the american economy meanwhile young adults in india and china are competing with our students for the most sought after careers around the world education expert tony wagner has conducted scores of interviews with business leaders and observed hundreds of classes in some of the nation's most highly regarded public schools he discovered a profound disconnect between what potential employers are looking for in young people today critical thinking skills creativity and effective communication and what our schools are providing passive learning environments and uninspired lesson plans that focus on test preparation and reward memorization he explains how every american can work to overhaul our education system and he shows us examples of dramatically different schools that teach all students new skills in addition through interviews with college graduates and people who work with them wagner discovers how teachers parents and employers can motivate the next generation to excellence an education manifesto for the twenty first century the global achievement gap is provocative and inspiring it is essential reading for parents educators business leaders policy makers and anyone interested in seeing our young people succeed as employees and citizens for additional information about the author and the book please go to [schoolchange.org](http://schoolchange.org)

The Global Achievement Gap 2014-03-11 döstdning or the art of death cleaning is a swedish phenomenon by which the elderly and their families set their affairs in order whether it's sorting the family heirlooms from the junk downsizing to a smaller place or setting up a system to help you stop misplacing your keys death cleaning gives us the chance to make the later years of our lives as comfortable and stress free as possible whatever your age swedish death cleaning can be used to help you de-clutter your life and take stock of what's important margareta magnusson has death cleaned for herself and for many others radical and joyous her guide is an invigorating touching and surprising process that can help you or someone you love immeasurably and offers the chance to celebrate and reflect on all the tiny joys that make up a long

life along the way

**The Gentle Art of Swedish Death Cleaning** 2017-12-28 in 2011 the world bank with funding from the bill and melinda gates foundation launched the global findex database the world s most comprehensive data set on how adults save borrow make payments and manage risk drawing on survey data collected in collaboration with gallup inc the global findex database covers more than 140 economies around the world the initial survey round was followed by a second one in 2014 and by a third in 2017 compiled using nationally representative surveys of more than 150 000 adults age 15 and above in over 140 economies the global findex database 2017 measuring financial inclusion and the fintech revolution includes updated indicators on access to and use of formal and informal financial services it has additional data on the use of financial technology or fintech including the use of mobile phones and the internet to conduct financial transactions the data reveal opportunities to expand access to financial services among people who do not have an account the unbanked as well as to promote greater use of digital financial services among those who do have an account the global findex database has become a mainstay of global efforts to promote financial inclusion in addition to being widely cited by scholars and development practitioners global findex data are used to track progress toward the world bank goal of universal financial access by 2020 and the united nations sustainable development goals the database the full text of the report and the underlying country level data for all figures along with the questionnaire the survey methodology and other relevant materials are available at [worldbank.org/globalfindex](http://worldbank.org/globalfindex)

**The Global Index Database 2017** 2018-04-19 a resource for daughters of mothers with narcissistic personality disorder explains how to manage feelings of inadequacy and abandonment in the face of inappropriate maternal expectations and conditional love in a step by step guide that shares recommendations for creating a personalized program for self protection and recovery 50 000 first printing *Will I Ever be Good Enough?* 2008 at a time when standardized testing businesses are raking in huge profits when many schools are struggling and students and educators everywhere are suffering under the strain ken robinson argues for an end to our outmoded industrial educational system he proposes instead a highly personalized organic approach that draws on today s unprecedented technological and professional resources to engage all students develop their love of learning and enable them to face the real challenges of the twenty first century filled with anecdotes observations and recommendations from professionals on the front line of transformative education case histories and groundbreaking research creative schools aims to inspire teachers parents and policy makers alike to rethink the real nature and purpose of education

**Creative Schools** 2016-04-19 this book provides a comprehensive and multifaceted analysis of the sámi society and its histories and people offering valuable insights into how they live and see the world the chapters examine a variety of social and cultural practices and consideration is given to environment legal and political conditions and power relations the contributions by a range of experts of sámi studies and indigenous scholars are drawn from across the sápmi region which spans from central norway and central

sweden across finnish lapland to the kola peninsula in russia sámí perspectives concepts and ways of knowing are foregrounded throughout the volume the material connects with wider discussions within indigenous studies and engages with current concerns relating to globalization environmental and cultural change arctic politics multiculturalism postcolonialism and neoliberalism the sámí world will be of interest to scholars from a number of disciplines including indigenous studies anthropology sociology geography history and political science

*The Sámi World* 2022-06-07 differentiated instruction is a nice idea but what happens when it comes to assessing and grading students what s both fair and leads to real student learning fair isn t always equal answers that question and much more rick wormeli offers the latest research and common sense thinking that teachers and administrators seek when it comes to assessment and grading in differentiated classes filled with real examples and gray areas that middle and high school educators will easily recognize rick tackles important and sometimes controversial assessment and grading issues constructively the book covers high level concepts ranging from rationale for differentiating assessment and grading to understanding mastery as well as the nitty gritty details of grading and assessment such as whether to incorporate effort attendance and behavior into academic grades whether to grade homework setting up grade books and report cards to reflect differentiated practices principles of successful assessment how to create useful and fair test questions including how to grade such prompts efficiently whether to allow students to re do assessments for full credit this thorough and practical guide also includes a special section for teacher leaders that explores ways to support colleagues as they move toward successful assessment and grading practices for differentiated classrooms

Fair Isn't Always Equal 2006 this open access book examines whether a distinctly nordic procedural or court culture exists and what the hallmarks of that culture are do nordic courts and court proceedings share a distinct set of ideas and values that in combination constitute the core of a regional legal culture how do europeanisation privatisation diversification and digitisation influence courts and court proceedings in the nordic countries the book traces the genesis and formation of nordic courts and justice systems to provide a richer comprehension of contemporary nordic legal culture and an understanding of the relationship between legal cultural stability and change in answering these questions the book provides models for conceptualising procedural culture nordic procedural culture has partly developed organically and is partly also the product of deliberate efforts to maintain a certain level of alignment between the nordic countries studying nordic cooperation enables us to gain a deeper understanding of current regional european and global harmonisation processes within procedural law the influx of supranational european law increased use of alternative dispute resolution and growth in regulation density that produces a conflict between specialisation and coherence have tangible impact on the role of courts in a democratic society the form of court proceedings and court structures this book examines whether and why some trends exert more tangible or perhaps simply more perceptible influence on procedural culture than others

Rethinking Nordic Courts 2021-08-01 a collection of folk literature from five countries with illustrations by native artists

Scandinavian Folk & Fairy Tales 1984 in addition to the approaches and methods covered in the first edition this edition includes new chapters such as whole language multiple intelligences neurolinguistic programming competency based language teaching co operative language learning content based instruction task based language teaching and the post methods era

**Approaches and Methods in Language Teaching** 2001-04-09 this open access book describes methods of mortality forecasting and discusses possible improvements it contains a selection of previously unpublished and published papers which together provide a state of the art overview of statistical approaches as well as behavioural and biological perspectives the different parts of the book provide discussions of current practice probabilistic forecasting the linearity in the increase of life expectancy causes of death and the role of cohort factors the key question in the book is whether it is possible to project future mortality accurately and if so what is the best approach this makes the book a valuable read to demographers pension planners actuaries and all those interested and or working in modelling and forecasting mortality

**Old and New Perspectives on Mortality Forecasting** 2019-03-28 finland cultural lone wolf is the story of an accomplished nation and her extraordinary people by pursuing a lone wolf policy finland raised itself from a struggling war battered state to one of the most developed countries in the world over the course of only fifty years the exponential rise of nokia from tires and timbers to leading the world s telecommunication industry is indicative of the finns and their business style these remarkable people speak a language unique in its origins and have kept their cultural identity intact despite the influences of powerful neighbors sweden and russia uniquely qualified to write about finland best selling author richard lewis traces the fascinating finnish origins as well as her history geography values and culture his extensive experience with finnish business provides him with keen insight on leadership style negotiation strategies and the uniquely finnish suomi kuva or finland image lewis shines when describing finnish humor complete with laugh out loud jokes and stories finland cultural lone wolf shows both nation and writer at their best

*Finland, Cultural Lone Wolf* 2011-01-11 beautifully crafted and deceptively simple seeming these stories are like pieces of scattered light ali smith following the widely acclaimed and bestselling the summer book here is a winter book collection of some of tove jansson s best loved and most famous stories drawn from youth and older age and spanning most of the twentieth century this newly translated selection provides a thrilling showcase of the great finnish writer s prose scattered with insights and home truths it has been selected and is introduced by ali smith a winter book features 13 stories from tove jansson s first book for adults the sculptor s daughter 1968 plus seven of her most cherished later stories from 1971 to 1996 translated into english and published here for the first time

**A Winter Book** 2011-12-14 russell howard and greg davies discuss pantsdrunk r it feels very english to get pissed in your underwear on your own and then not go out g i ve been doing it my whole adult life r do you think it will make us live longer g no quite the reverse r but it ll make the time we have on earth seem more fun päntsdrunk is a refreshing take on the personal development genre in finland there is a special word kalsarikänni to denote drinking at home alone in your underwear it is no coincidence finland consistently rates in the top five in happiness ranking in finland päntsdrunk is considered a path to recovery and self empowerment to help you face your future challenges much like the lagom or hygge of their other scandi neighbours the päntsdrunk method also includes bingeing on netflix scrolling mindlessly on your phone sweet and salty snacks sofa time and blocking all work communications it will lead you to a healthier more energising and relaxing life wherever whenever

*Pantsdrunk* 2018-08-02 you can t do it all and you don t have to try

**The Unknown Soldier** 1982 what is it about finland that makes the country so successful and seemingly such a great place to live danny dorling and annika koljonen explore what we might learn from finnish success and what they might usefully learn from us

**Fewer Things, Better: The Courage to Focus on What Matters Most** 2019-04-10 teach like finland 2017

berisikan catatan penulis selama menjadi guru di finlandia sebuah negara yang siswa siswanya berada di urutan pertama programme for international student assessment di dalam buku ini anda akan mendapatkan bocoran tentang rahasia sistem pendidikan di sana simak lewat pintarnya berikut ini timothy d walker adalah seorang guru berkebangsaan amerika yang tinggal di finlandia segala pengalaman selama mengajar ia tuangkan dalam buku ini termasuk perbedaan sistem pengajaran yang ia alami selama menjadi guru di amerika dan di finlandia ia juga rajin menulis dalam blog nya taught by finland untuk siapa buku ini para pemerhati dan pengambil kebijakan dalam bidang pendidikan para guru dan mahasiswa jurusan pendidikan para orang tua dan siapa pun yang peduli dengan masa depan pendidikan anak finlandia telah lama dikenal memiliki sistem pendidikan yang unik namun efektif melahirkan siswa siswi yang cerdas semua itu bisa diraih tanpa membebani anak didik dengan jam pelajaran yang ketat di dalam buku ini anda akan menemukan 33 strategi dan anjuran anjuran yang sangat mudah diterapkan berbagai contoh dan uraian yang ada sangat mudah untuk dipahami dan dipraktekkan di kelas anda tidak akan merasa susah untuk mencobanya sendiri hal hal menarik yang akan anda pelajari antara lain apa rahasianya sehingga siswa di finlandia bisa mencatat skor tertinggi di pisa bagaimana membuat pelajaran bisa diserap lebih baik lewat jam istirahat yang lebih pendek bagaimana membuat siswa bisa menjadi bagian dari kelas dengan mudah kenapa kemandirian penting dalam proses belajar dan metode apa saja yang bisa meningkatkan suasana belajar
