understanding what children of all ages want to buy juliet
schor exposes the ways big business targets younger and
younger children as consumers rundell is the real deal a
writer of boundless gifts and extraordinary imaginative power
whose novels will be read cherished and reread long after
most so called serious novels are forgotten observer
katherine rundell fellow of all souls college oxford and prize
winning author of five novels for children explores how
children s books ignite and can re ignite the imagination how
children s fiction with its unabashed emotion and playfulness
can awaken old hungers and create new perspectives on the
world this delightful and persuasive essay is for adult readers
the frogs buy a house is an economics story for children who
are moving have moved or know someone who is moving the
frog family includes the parents felix and flora and their little
tadpole fred the story begins the frog family had always lived
in the pond far out in the country they had purchased their
one gallon watery home space when prices were low
because the pond was low recent rains had raised the pond

level and also the prices of house it was time to cash in on the gallon of equity they had earned a two gallon water space would sell quickly and the frogs could move to a bigger home they had been dreaming of a five gallon water space like an aquarium economic terms and the reality of what is involved for a family moving to a new place is interwoven through this fictional frog story le petit baby book ideal expectant mother gift or new mom gift baby journal this sweet as can be baby pregnancy book offers dozens of creative ways to capture the milestones and special baby memories from pregnancy through baby s first year capture and preserve the treasured memories packaged in a compact album with a fabric spine and foil stamped cover with whimsical color illustrations and thoughtful prompts throughout this book is the ultimate keepsake gift for new parents le petit baby book includes an envelope for ultrasound scans a spin wheel to display baby s astrological sign a gatefold family tree space for photos mini envelopes to stash written notes illustrated pop ups a pull out growth chart to display in baby s room and much more in your

like as you grow you will love le petit baby book art workshop for children is not just another book of straightforward art projects the book s unique child led approach provides a framework for cultivating creative thinking and encourages the wonder that comes when children are allowed to freely explore the creative process and their materials as children work through these open ended workshops adults are guided on how to be facilitators who provide questions encourage deep thinking and help spark an excitement for discovery children explore basic materials and workshops that use minimal supplies and then gradually add new materials to fill the art cabinets as well as new skills and more complex workshops most workshops are suitable to preschool aged children and each contains ideas for explorations and new twists to engage older or more experienced artists interspersed throughout are sidebar essays that introduce perspectives on mess making imperfection the role of adult collaborative art and thoughts on the Reggio Emilia method a self guided teaching philosophy these pieces underscore the

value of art making with children and support the parent teacher care giver on how to successfully lead question and navigate their children through the workshops to result in the fullest experiences a beautiful lift the flap book for little nature lovers everywhere by selecting only 100 best books silvey distinguishes her guide from all the others and makes it possible to give young readers their literary heritage in the childhood years all families change over time sometimes a baby is born or a grown up gets married and sometimes a child gets a new foster parent or a new adopted mom or dad children need to know that when this happens it s not their fault they need to understand that they can remember and value their birth family and love their new family too straightforward words and full color illustrations offer hope and support for children facing or experiencing change includes resources and information for birth parents foster parents social workers counselors and teachers this is a picture story book which helps prepare a child for the first experience of going to buy shoes the book is aimed at

children with special needs autism and pre school children
kids are important they need safe places to live and safe
places to play for some kids this means living with foster
parents in simple words and full color illustrations this book
explains why some kids move to foster homes what foster
parents do and ways kids might feel during foster care
children often believe that they are in foster care because
they are bad this book makes it clear that the troubles in their
lives are not their fault the message throughout is one of
hope and support includes resources and information for
parents foster parents social workers counselors and
teachers although she sometimes resents her mother s work
as a witch a young girl decides to keep her mother just the
way she is we are not born hating our bodies make sure your
kids never do no parent wants their child to grow up with
anything less than wholehearted confidence in themselves
sadly research shows that children as young as five are
saying they need to go on a diet and over half of 11 to 16
year olds regularly worry about the way they look campaigner

and mum of two girls molly forbes is here to help in body
happy kids molly draws on her own experience and a range
of experts to provide parents with a much needed antidote to
the confusing health advice that bombards us every day this
reassuring and practical guide covers everything you need to
help your child to care for their body with kindness including
how to approach good nutrition without falling for diet culture
how to see the reality behind beauty ideals and how social
media can be used to support body confidence rather than
destroy it with molly's help you can arm yourself with the
insight and tools to raise resilient children who love the skin
they're in caring for children with special needs was
