the english revolution was a shattering experience for the people of ireland and scotland as well as war broke out successively in and between all three kingdoms ian gentles provides analysis of the battles and sieges and the political and religious struggles that underpinned them

## ***The Commonwealth of England***

1963

the english civil war 1642-53 is one of the most crucial periods in british history martyn bennett introduces the reader to the main debates surrounding the civil war which continue to be debated by historians he considers the repercussions both on government and religion of parliament's failure to secure stability after the royalist defeat in 1646 and argues that this opened the way for far more radical reforms the book deals with the military campaigns in all four nations placing the war in its full british and irish context

## **The English Revolution and the Wars in the Three Kingdoms, 1638-1652**

2007

much ink has been spent on accounts of the english civil wars of the mid-seventeenth century yet royalism has been largely neglected this volume of essays by leading scholars in the field seeks to fill that significant gap in our understanding by focusing on those who took up arms for the king the royalists described were not reactionary absolutist extremists but pragmatic moderate men who were not so different in temperament or background from the vast majority of those who decided to side with or were forced by circumstances to side with parliament and its army the essays force us to think beyond the simplistic dichotomy between royalist absolutists and constitutionalists and suggest instead that allegiances were much more fluid and contingent than has hitherto been recognized this is a major contribution to the political and intellectual history of the civil wars and of early modern england more generally

1989

this book is also available as part of the men at arms series as no 14 the english civil war armies beginning with the outbreak of the first civil war in 1642 and ending with the restoration of king charles in 1660 this book studies the cavalier and parliamentary armies who fought in these conflicts in 30 years of bloodshed counties were divided and families were split as men and women followed their individual allegiances

## The English Civil War

2014-05-30

the sequence of civil wars that ripped england apart in the seventeenth century was the single most traumatic event in this country between the medieval black death and the two world wars indeed it is likely that a greater percentage of the population were killed in the civil wars than in the first world war this sense of overwhelming trauma gives this major new history its title god s fury england s fire the name of a pamphlet written after the king s surrender it sums up the widespread feeling within england that the seemingly endless nightmare that had destroyed families towns and livelihoods was ordained by a vengeful god that the people of england had sinned and were now being punished as with all civil wars however god s fury could support or destroy either side in the conflict was god angry at charles i for failing to support the true protestant religion and refusing to work with parliament or was god angry with those who had dared challenge his anointed sovereign michael braddick s remarkable book gives the reader a vivid and enduring sense both of what it was like to live through events of uncontrollable violence and what really animated the different sides the killing of charles i and the declaration of a republic events which even now seem in an english context utterly astounding were by no means the only outcomes and braddick brilliantly describes the twists and turns that led to the most radical solutions of all to the country s political implosion he also describes very effectively the influence of events in scotland ireland and the european mainland on the conflict in england god s fury england s fire allows readers to understand once more the events that have so fundamentally marked this country and which still resonate centuries after their bloody ending

1973

combining extensive research in primary sources with the work of the new military historians such as john keegan and richard holmes charles carlton provides a fresh look at the event once described by g m trevelyan as the most important happening in our history

## The English Civil War

1973

the english civil war 1642 1651 was a series of conflicts and political struggles between parliamentarians roundheads and royalists cavaliers in england with wider ramifications across scotland and ireland the primary issues at stake were england s governance and matters of religious freedom 2 the war consisted of three phases with the first 1642 1646 and second 1648 1649 wars fought between supporters of king charles i and the long parliament while the third 1649 1651 saw battles between supporters of king charles ii and the rump parliament the scottish covenanters and irish confederates also played significant roles ultimately the parliamentarians emerged victorious after the battle of worcester on 3 september 1651 the unique aspect of these civil wars was that they were not solely about determining who would rule but also concerned the governance of the entire british isles including england scotland and ireland the outcomes included the trial and execution of charles i in 1649 the exile of his son charles ii in 1651 and the establishment of the commonwealth of england under the personal rule of oliver cromwell from 1653 as the commonwealth of england scotland and

the clock nor to recreate what was undoubtedly in part a false coherence but it does in fact suggest ways in which some of the starker discontinuities should be challenged the editors maintain that reconnections should be made regarding the causes course and impact of the civil war and the pieces in this book aim to do so without without losing sight of the complexity of the issues at hand moreover these articles afford some of the most stimulating writing on this topic to appear in the last twenty five years

## Going to the Wars

1992

english literary history has long incorporated the category of cavalier verse and the critical presuppositions that have shaped such a category continue even now to determine the ways in which much civil war writing is read through a detailed study of both manuscript and printed texts james loxley arrives at an account of the interaction between poetry and royalist political activity which for the first time presents a sustained and coherent challenge to such presuppositions

## English Civil War

2024-01-16

almost a quarter of a million lives were lost as king and parliament battled for their religious and political ideals in the english civil war england was divided between cavaliers and roundheads engaged in bitter struggles from preston to lostwithiel pembroke to york armies were on the march villages were decimated and great dynasties destroyed fathers and sons uncles and cousins were pitted against each other in defence of their loyalties the civil war led to the execution of a king the beginnings of sectarian division in ireland savage clan warfare in scotland and the roots of english socialism tristram hunt avoids adding to the many mostly transitory interpretations of the civil war and instead offers a timeless narrative based on the first hand accounts of those who witnessed these traumatic events in doing so he brings out the voices of the civil war generation those who lost sons who witnessed massacres and who fought for an ideal in this book we see their motivations fears and misery as the horror of war overwhelmed them from cromwell s letters to the memoirs of a roundhead wife the civil war era is brought to life in all its terrible and fascinating glory

## **Royalism and Poetry in the English Civil Wars**

1997-10-27

Brereton's journal is a book made up of letters from the English Civil War 1642-1646. A parliamentary general, Sir William was engaged in the siege of Dudley Castle, Bridgnorth Castle, and the fortified cathedral close at Lichfield. The letter book contains copies of letters sent and received by Brereton. There are details of his victory against the last royalist army in the field, his various sieges, his constant need for money and more troops, and the movements of King Charles I prior to his surrender to the Scots. The introduction details a history of the Civil War, the battles and skirmishes up to the writing of the letter book. A conclusion relates what happened after the end of the war, the trial and execution of Charles I, the Interregnum, and finally the Restoration and Brereton's retirement from public life.

## **The English Civil War At First Hand**

2011-01-27

Did you ever hear the saying there are two sides to every story? The details of the same event can appear very different depending on the perspectives of the people involved. In this fresh take on history, you can read about the English Civil War from both the royalist and parliamentarian points of view.
