Good Strategy/Bad Strategy 2011-06-09

when richard rumelt s good strategy bad strategy was published in 2011 it immediately struck a chord calling out as bad strategy the mish mash of pop culture motivational slogans and business buzz speak so often and misleadingly masquerading as the real thing since then his original and pragmatic ideas have won fans around the world and continue to help readers to recognise and avoid the elements of bad strategy and adopt good action oriented strategies that honestly acknowledge the challenges being faced and offer straightforward approaches to overcoming them strategy should not be equated with ambition leadership vision or planning rather it is coherent action backed by an argument for rumelt the heart of good strategy is insight into the hidden power in any situation and into an appropriate response whether launching a new product fighting a war or putting a man on the moon drawing on examples of the good and the bad from across all sectors and all ages he shows how this insight can be cultivated with a wide variety of tools that lead to better thinking and better strategy

strategy that cuts through the hype and gets results

Start With Why 2011-10-06

the million copy global bestseller based on the life changing ted talk discover your purpose with one simple question why one of the most incredible thinkers of our time someone who has influenced the way i think and act every day steven bartlett investor bbc dragon and host of the diary of a ceo podcast why are some people more inventive pioneering and successful than others and why are they able to repeat their success again and again because it doesn t matter what you do it matters why you do it those who have had the greatest influence in the world all think act and communicate in the same way and it s the opposite to most in start with why simon sinek uncovers the fundamental secret of their success how you lead inspire live it all starts with why what readers are saying it s amazing how a book can change the course of your life and this book did that imagine the ted talk expanded to 2 hours long with more depth intrigue and examples what he does brilliantly is demonstrate his own why to inspire others throughout

a stirring dramatic story of a slave who mails himself to freedom by a jane addams peace award winning author and a coretta scott king award winning artist henry brown doesn t know how old he is nobody keeps records of slaves birthdays all the time he dreams about freedom but that dream seems farther away than ever when he is torn from his family and put to work in a warehouse henry grows up and marries but he is again devastated when his family is sold at the slave market then one day as he lifts a crate at the warehouse he knows exactly what he must do he will mail himself to the north after an arduous journey in the crate henry finally has a birthday his first day of freedom

Henry's Freedom Box 2016-03-29

ready to write your book so why haven t you done it yet if you re like most nonfiction authors fears are holding you back sound familiar is my idea good enough how do i structure a book what exactly are the steps to write it how do i stay motivated what if i actually finish it and it s bad worst of all what if i publish it and no one cares how do i know if i m even doing the right things the truth is writing a book can be scary and overwhelming but it doesn t have to be there s a way to know you re on the right path and taking the right steps how by using a method that s been validated with thousands of other authors just like you in fact it s the same exact process used to produce dozens of big bestsellers including david goggins s can t hurt me tiffany haddish s the last black unicorn and joey coleman s never lose a customer again the scribe method is the tested and proven process that will help you navigate

the entire book writing process from start to finish the right way written by 4x new york times bestselling author tucker max and publishing expert zach obront you ll learn the step by step method that has helped over 1 500 authors write and publish their books now a wall street journal bestseller itself the scribe method is specifically designed for business leaders personal development gurus entrepreneurs and any expert in their field who has accumulated years of hard won knowledge and wants to put it out into the world forget the rest of the books written by pretenders this is the ultimate resource for anyone who wants to professionally write a great nonfiction book
