Semester-Plus-C05-Sem 1 1988

in three volumes spanning centuries lieutenant colonel roman jarymowycz recounts the story of the black watch royal highland regiment of canada the oldest highland regiment in the country he traces its history from the roots when soldiers settlers and militia volunteers rallied to defend the southern borders of their adopted country against invasion from the united states drawing on diaries letters classified documents and the regimental archive

jarymowycz weaves the strands of a complex story into an epic narrative of a resolute collective of officers and men since its birth in 1862 as the 5th battalion volunteer militia rifles of canada thousands of citizens have served in the unit in addition to securing canada s borders black watch soldiers have fought in the south african war both world wars and the korean war they have bolstered nato operations and united nations peacekeeping missions and they provided aid to the civil power during the 1997 quebec and eastern ontario ice storm disaster and the covid 19 pandemic the montreal based battalion continues to serve canada in its traditional role as a reserve infantry unit and to this day black watch soldiers frequently deploy on dangerous missions abroad in volume 1 readers will learn of the black watch s origins its first foreign enterprise the south african war and a detailed account of the great war where the regiment evolved from the 5th royal highlanders to become the canadian black watch as they were known throughout the empire the montreal regiment trained four battalions for overseas duty three of which participated in the greatest battles of the first world war an unprecedented accomplishment this volume not only offers a critical analysis of campaigns key actions and tactical evolution but also includes an intimate and compelling account of the sacrifices that forged this extraordinary regiment in volume 2 we are offered the story of the bloody battlefields of the second world war when the black watch joined commonwealth regiments to defeat the axis powers after a quick mobilization in 1939 and a long wait in england the black watch experienced a baptism by fire at dieppe landing in normandy after d day the regiment fought in france belgium the netherlands and germany its distinguished service earning numerous honours as well as discussing these military engagements jarymowycz reveals the many difficulties with recruiting training recovering from devastating battles communicating with higher command and the quality and scarcity of reinforcements volume 3 relates the regiment s post second world war story canada s commitments to nato and the united nations led to the creation of two regular battalions of the black watch while retaining the reserve battalion in montreal from 1953 to 1970 in korea germany cyprus and canada the regular battalions served with devotion and courage the thousands of men who were based at camp aldershot nova scotia and the regimental depot in sussex new brunswick then moved to establish a regular force home station in the newly constructed camp gagetown nb these units earned a reputation second to none in efficiency training fighting ability readiness and strength this monumental history of canada s oldest highland regiment is at once a record of scottish heritage a portrait of montreal rising as an industrial giant and an examination of the emergence of a military culture from the western front

when sixty year old mr papino moved in next door to twelve year old kyle s home in a small town in illinois everything changed for the better mr p had an old house with one of those wrap around front porches and here is where the magic begins and happens in this story the nostalgia of the good old days is almost supernatural as each day brings excitement to a little world that centers around mr p s famous front porch and the garage where he works here all the kids from the neighborhood would congregate even if he wasn t with them it was a time of fun and adventure that every boy yearns for while with them jose papino would share stories about his life as a real cowboy in spain there kyle and his friends would learn all about life earning money and being an entrepreneur while contributing to the community and the church and making their neighborhood something right out of the dreams of yesteryear each day brings excitement adventure life lessons and of course mr papino s puppy dog named pepe or peppy is along for the ride this book is for all ages and in twenty seven chapters it chronicles the last year of kyle s youth as he goes from being a twelve year old to a real teenager in parallel peppy the puppy goes from being a puppy to an adult dog be prepared to be enveloped in this front porch world of wonder fun nostalgic magic and page turning excitement

The Taking and Displaying of Human Body Parts as Trophies by Amerindians 2023-05-15

in the past three decades a stream of criminological inquiry has emerged which explores measures and theorizes crimes and harms to the environment at the micro mezzo and macro levels this green criminology as it has come to be known has widened the criminological gaze to consider crimes and harms committed against air land from forests to wetlands nonhuman animals and water in local regional national and international areas or arenas accordingly green

criminology has endeavored to understand the causes and consequences of air and water pollution biodiversity loss climate change corporate environmental crime e g illegal waste disposal food production and distribution resource extraction and exploitation and wildlife trade and trafficking while also exploring potential responses to these issues this book seeks to introduce the green criminological perspective to a broader social science audience recognizing that green criminology is not the first social science to explore the phenomena and harms at the intersections of humanity and ecology this book offers an introduction to some of the unique insights developed over nearly 30 years of green criminological thought and scholarship to students professors researchers and practitioners working in the fields of anthropology economics environmental humanities environmental sociology geography history and political ecology this book contains contributions from researchers in green criminology from around the world including early and mid career scholars as well as more established voices in the field all of whom are dedicated to exposing understanding and ultimately hoping to thwart further environmental degradation and despoliation
