The Free World 2021-04-20 an engrossing and impossibly wide ranging project in the free world every seat is a good one carlos lozada the washington post the free world sparkles fully original beautifully written one hopes menand has a sequel in mind the bar is set very high david oshinsky the new york times book review editors choice one of the new york times's 100 best books of 2021 one of the washington post's 50 best nonfiction books of 2021 a mother jones best book of 2021 in his follow up to the pulitzer prize winning the metaphysical club louis menand offers a new intellectual and cultural history of the postwar years the cold war was not just a contest of power it was also about ideas in the broadest sense economic and political artistic and personal in the free world the acclaimed pulitzer prize winning scholar and critic louis menand tells the story of american culture in the pivotal years from the end of world war ii to vietnam and shows how changing economic technological and social forces put their mark on creations of the mind how did elitism and an anti totalitarian skepticism of passion and ideology give way to a new sensibility defined by freewheeling experimentation and loving the beatles how was the ideal of freedom applied to causes that ranged from anti communism and civil rights to radical acts of self creation via art and even crime with the wit and insight familiar to readers of the metaphysical club and his new yorker essays menand takes us inside hannah arendt's manhattan the paris of jean paul sartre and simone de beauvoir merce cunningham and john cage's residencies at north carolina's black mountain college and the memphis studio where sam phillips and elvis presley created a new music for the american teenager he examines the post war vogue for french existentialism structuralism and post structuralism the rise of abstract

expressionism and pop art allen ginsberg s friendship with lionel trilling james baldwin s transformation into a civil right spokesman susan sontag s challenges to the new york intellectuals the defeat of obscenity laws and the rise of the new hollywood stressing the rich flow of ideas across the atlantic he also shows how europeans played a vital role in promoting and influencing american art and entertainment by the end of the vietnam era the american government had lost the moral prestige it enjoyed at the end of the second world war but america s once despised culture had become respected and adored with unprecedented verve and range this book explains how that happened

Preliminary Report on the 8. Census (of the United States) 1860 1862 what happens when advances in technology allow many things to be produced for more or less nothing and what happens when those things are then made available to the consumer for free in his groundbreaking new book the long tail author chris anderson considers a brave new world where the old economic certainties are being undermined by a growing flood of free goods newspapers dvds t shirts phones even holiday flights he explains why this has become possible why new technologies particularly the internet have caused production and distribution costs in many sectors to plummet to an extent unthinkable even a decade ago he shows how the flexibility provided by the online world allows producers to trade ever more creatively offering items for free to make real or perceived gains elsewhere he pinpoints the winners and the losers in the free universe and he demonstrates the ways in which as an increasing number of things become available for free our decisions to make use of them will be determined by two resources far more valuable than money the popular reputation of what is on offer and the time we have available for it in the future he argues when we talk of the money economy we will talk of the reputation economy and the time economy in the

poignant a tale of family secrets and political
awakening amid a crumbling regime luke harding observer
we never lose our inner freedom the freedom to do what
is right lea ypi grew up in one of the most isolated
countries on earth a place where communist ideals had
officially replaced religion albania the last stalinist
outpost in europe was almost impossible to visit almost
impossible to leave it was a place of queuing and
scarcity of political executions and secret police to
lea it was home people were equal neighbours helped
each other and children were expected to build a better
world there was community and hope then in december
1990 everything changed the statues of stalin and hoxha
were toppled almost overnight people could vote freely
wear what they liked and worship as they wished there
was no longer anything to fear from prying ears but
factories shut jobs disappeared and thousands fled to
italy on crowded ships only to be sent back predatory
pyramid schemes eventually bankrupted the country
leading to violent conflict as one generation s
aspirations became another s disillusionment and as her
own family s secrets were revealed lea found herself
questioning what freedom really meant free is an
engrossing memoir of coming of age amid political
upheaval with acute insight and wit lea ypi traces the
limits of progress and the burden of the past
