uncertainty based information elements of generalized

Aug 26 2023

1 introduction 1 1 significant of uncertainty 1 2 uncertainty and information 2 uncertainty formalizations 2 1 classical sets terminology and notation 2 2 fuzzy set theory 2 3 fuzzy measure theory 2 4 evidence theory 2 5 probability theory 2 6 possibility theory 2 7

feature extraction foundations and applications studies in

Jul 25 2023

part of studies in fuzziness and soft computing 183 books see all formats and editions this book is both a reference for engineers and scientists and a teaching resource featuring tutorial chapters and research papers on feature extraction

fuzziness indeterminacy and soft sets frontiers and mdpi

Jun 23 2023

in particular fuzzy and soft topological spaces are defined and examples are given to illustrate these generalizations keywords fuzzy set fs fuzzy logic fl intuitionistic fs ifs indeterminacy neutrosophic set ns soft set ss decision making dm fuzzy topological space fts soft topological space sts msc o3e72 1

studies in fuzziness and soft computing springer

May 23 2023

the series studies in fuzziness and soft computing contains publications on various topics in the area of soft computing which include fuzzy sets rough sets neural networks evolutionary computation probabilistic and evidential reasoning multi valued logic and related fields

fuzziness indeterminacy and soft sets frontiers and

Apr 21 2023

in particular fuzzy and soft topological spaces are defined and examples are given to illustrate these generalizations keywords fuzzy set fs fuzzy logic fl intuitionistic fs ifs indeterminacy neutrosophic set ns soft set ss decision making dm fuzzy topological space fts soft topological space sts 1 introduction

uncertain linear programming with cloud set constraints

Mar 21 2023

abstract in reality there is a significant need for processing methods of uncertain programming problems with fuzziness and randomness although there are many extensions of fuzzy sets to handle uncertain information it is rare to organically integrate randomness and fuzziness such as the cloud set which is the set extension of cloud model

fuzzy multi criteria decision making using neutrosophic sets

Feb 17 2023

published in studies in fuzziness and soft 2019 computer science mathematics view via publisher link springer com save to library create alert cite 63 citations citation type more filters triangular single valued neutrosophic data envelopment analysis application to hospital performance measurement

fujitsu asia introduces a reimagined workplace in singapore

Jan 19 2023

key areas include empowering staff and work life balance starting from 2021 fujitsu will introduce flexible work arrangements for all employees in singapore where employees can spend up to 90 of their time working from home

pdf studies in fuzziness and soft computing researchgate

Dec 18 2022
