*Shooting Digital Video* 2001-11 for more than half a  
century marketers have bombarded customers with more  
and more choices in products and services what is the  
result unprecedented anxiety our mental circuit breakers  
are on overload in fact pioneering brand strategists steven  
m cristol and peter sealey assert that we have reached our  
manageable threshold for making decisions and a  
watershed in product proliferation in this pathbreaking  
book the authors argue with compelling evidence that the  
next generation of marketing successes will belong to  
those brands that simplify customers lives or businesses in  
ways that are inextricably tied to brand and product  
positioning they contend that if a brand is not reducing  
customer stress it is creating it and it is vulnerable to  
losing market share to more customer empathetic  
competitors writing especially for product or brand  
managers who are struggling to simplify their portfolios  
cristol and sealey have created a breakthrough framework  
that is itself a lesson in simplicity after presenting two  
essential guideposts for managers to assess where their  
brand sits on the stress spectrum the authors turn to the  
heart of simplicity marketing the 4 r s of simplification for

**The Winning Way** 2009 the twelfth century french poet  
chrétien de troyes is a major figure in european literature  
his courtly romances fathered the arthurian tradition and  
influenced countless other poets in england as well as on  
the continent yet because of the difficulty of capturing his  
swift moving style in translation english speaking  
audiences are largely unfamiliar with the pleasures of  
reading his poems now for the first time an experienced  
translator of medieval verse who is himself a poet provides  
a translation of chrétien s major poem yvain in verse that  
fully and satisfyingly captures the movement the sense and  
the spirit of the old french original yvain is a courtly  
romance with a moral tenor it is ironic and sometimes  
bawdy the poetry is crisp and vivid in addition the  
psychological and the socio historical perceptions of the  
poem are of profound literary and historical importance for  
it evokes the emotions and the values of a flourishing  
vibrant medieval past
