fifteen centuries after it was written the rule of st benedict still provides a deep and practical spirituality that helps lay people cope with everyday problems and challenges the notizie on covers contain bibliographical and library news items this book is comprised of a series of essays on some of the artist s best known works the general theme is the central influence which the classical tradition had on caravaggio s language of form and gestures and the expressive physiognomic characterisation of his figures the author identifies various antique statues and reliefs which were available to the artist in contemporary collections and discusses the ancient greek and latin texts and humanistic writings relevant to an iconological understanding of caravaggio s imagery all this is in caravaggio s anti classicism and his contempt for antique masterpieces allegedly expressed in his down to earth realism step back in time to the reign of otto iii with this fascinating collection of documents and other historical materials edited and annotated by esteemed historian paul fridolin kehr this book presents a detailed and nuanced view of a pivotal moment in medieval european history shedding new light on the politics culture and society of the era this work has been selected by scholars as being culturally important and is part of the knowledge base of this is a comprehensive work on the rules and principles of international law and examines the ways in which they are applied within south africa this fourth edition considers both international and south african sources and provides an expanded focus on an array of topics including secession immunities of senior officials for international crimes diplomatic protection universal jurisdiction the responsibility of international organizations reservations to treaties the human rights council the sadc tribunal the responsibility to protect a review of security council action self defense against terrorism the definition of aggression in the statute of the international criminal court the jurisprudence of the international criminal court the african court of human rights and the protection of civilians in armed conflict the solemn beatification of pope pius ix in september 2000 celebrated the heroic virtue of one of the most influential figures of the nineteenth century born in 1792 giovanni maria mastai ferretti was elected pope on june 16th 1846 his pontificate the subject of this biographical study lasted thirty two years the longest after that of st peter himself elevated to the papacy amid the historical backdrop of turmoil and revolution in italy and europe he was also to play a central role in the drama of the risorgimento that led to the creation of a united italy publication of the english translation of roberto de mattei s acclaimed study of pius ix marks the 150th anniversary of the pope s solemn definition of the dogma of our lady s immaculate conception roberto de mattei holds the chair of modern history at the university of cassino rome is vice president of the italian c n r national council for research and is well known in italy as a journalist and writer three times longer than the rule of saint benedict and in parts identical to it the regula magistri encompasses the entire existence material and spiritual of the monastic community and its members first english translation in the 19th century religious institutes orders and congregations underwent an unprecedented revival as partners in a large scale religious modernisation movement they were welcomed by the roman catholic church in its pursuit of a new role in society especially in the educational and health care sectors at the same time the church also deemed it necessary to keep their spectacular growth in check until the 1960s religious institutes played an important role both in society at large as well as within the church for example at the level of the missions liturgy and art yet relatively little research has been done on their development either in ecclesiastical or in broad cultural history as a basis for further study the european forum on the history of religious insitutes in the 19th and 20th centuries offers this study of the historiography of religious institutes and of their position in civil and canon law a letter to the friends of the cross saint louis de montfort a catholic classic includes illustrations by caravaggio includes an active index table of contents and ncx navigation publisher available in paperback isbn 13 978 1 78379 319 8 saint louis mary author of this letter is widely known through his treatise on the true devotion to the blessed virgin mary and its abridgment the secret of mary well has he merited the title of apostle of

mary and deservedly he is called tutor of the legion of mary in this letter st louis manifests his passionate love for the cross and pours forth the noble sentiments of his ardent soul like saint paul he is determined to know nothing except jesus christ and him crucified 1 cor 2 2 indeed a stumbling block to the jews and foolishness to the gentiles but to those who are called the wisdom of god 1 cor 1 23 24 publisher catholic way publishing analyzes the politics and economics of architecture and the building process in seventeenth century rome explores topics ranging from the financing of construction to the availability of materials and personnel provided by publisher in june 1887 a man known as general husayn a manumitted slave turned dignitary in the ottoman province of tunis passed away in florence after a life crossing empires as a youth husayn was brought from circassia to turkey where he was sold as a slave in tunis he ascended to the rank of general before french conquest forced his exile to the northern shores of the mediterranean his death was followed by wrangling over his estate that spanned a surprising array of actors ottoman sultan abdülhamid ii and his viziers the tunisian french and italian governments and representatives of muslim and jewish diasporic communities a slave between empires investigates husayn s transimperial life and the posthumous battle over his fortune to recover the transnational dimensions of north african history m hamed oualdi places husayn within the international context of the struggle between ottoman and french forces for control of the mediterranean amid social and intellectual ferment that crossed empires oualdi considers this part of the world not as a colonial borderland but as a central space where overlapping imperial ambitions transformed dynamic societies he explores how the transition between ottoman rule and european colonial domination was felt in the daily lives of north african muslims christians and jews and how north africans conceived of and acted upon this shift drawing on a wide range of arabic french italian and english sources a slave between empires is a groundbreaking transimperial microhistory that demands a major analytical shift in the conceptualization of north african history matteo ricci 1552 1610 is widely considered the most outstanding cultural mediator of all time between china and the west this engrossing and fluid book offers a thorough knowledgeable biography of this fascinating and influential man telling a deeply human and captivating story that still resonates today power often operates in strange and surprising ways with a convent tale renee baernstein uncovers some of the nuanced methods cloistered women devised to exert their agency in the tradition of simon schama and steven ozment baernstein uses the compelling story of a single clan the sfondrati to refashion our understanding of the early modern period showing the nuns as neither helpless victims nor valiant rebels but reasonable beings maneuvering as best they could within limits set by class gender and culture baernstein writes against the tendency to depict women as inactive pawns and shows that even within the convent walls nuns were empowered by ties with their often earthly families and actively involved in the politics of the period both a major contribution to scholarship on gender family and religion in early modern europe and a colorful well told tale of renaissance intrigue a convent tale is sure to attract a wide range of academic and general readers 2020 association of catholic publishers third place award in theology 2020 catholic press association third place award in pope francis books the dangerous tendency to reduce theological positions to political ones has always fueled divisions in the church and it plagues debates surrounding pope francis s teaching today this collection of essays was born of a landmark international symposium designed to promote theological understanding by contextualizing the thought of pope francis from his understanding of history to his theology of mission within important theological conversations rarely heard in the us catholic church its contributors demonstrate decisively that pope francis s magisterium is the fruit of a profound and distinctive yet deeply catholic intellectual engagement with the theological and ecclesial traditions of the church contributors include austen ivereigh archbishop christophe pierre rodrigo guerra lópez bishop robert barron massimo borghesi susan k wood scl rocco buttiglione guzmán carriquiry lecour peter j casarella brian y lee thomas l knobel contextualizing michelangelo s poetry and spirituality within the framework of the religious zeitgeist of his era this study investigates his poetic production to shed new light on the artist s religious beliefs and unique language of art author ambra moroncini looks first and foremost at michelangelo the poet and proposes a thought provoking reading of michelangelo s most controversial artistic production between 1536 and c 1550 the last judgment his devotional drawings made for vittoria colonna and his last frescoes for the pauline chapel using theological and literary analyses which draw upon reformist and protestant scriptural writings as well as on michelangelo s own rime spirituali and vittoria colonna s spiritual lyrics moroncini proposes a compelling argument for the impact that the reformation had on one of the greatest minds of the italian renaissance it brings to light how in the second quarter of the sixteenth century in italy michelangelo s poetry and aesthetic conception were strongly inspired by the revived theologia crucis of evangelical spirituality rather
