Own Your Value 2017-09-07 stop coasting on autopilot with this five step method filled with simple yet effective life changing principles john gray phd dolly parton once said find out who you are and do it on purpose many people today have no passionate connection to the routine work they do day in and day out the good news is that it doesn't have to be this way in the passion belief method entrepreneur success strategist and in demand life and business coach and speaker megan tull offers practical exercises and methods to help you find your gifts and turn them into work you can be truly passionate about megan who became a single mother after being widowed at an early age used her passion for raising her young son as the starting point for creating a business that allowed her to stay closer to home but to also triple her income in the first year now megan leans on her experiences to teach you her 5 step passion belief method filled with true stories from megan's many clients and inspiring quotes from other high achievers speakers and writers the passion belief method will teach you how to unlock your inner gifts overcome your fears and visualize what you want and who you'll be when you have it then bring that into being

Maximum Impact Potential 2025-01-23 have you ever wondered why some people rise to the top with seemingly little effort while others struggle at the bottom it all comes down to concepts of self worth this book offers seven easy to understand keys to transforming your inner sense of value so you can create more outer and financial worth the greater your ability to own your true worth the greater positive impact you can make in your own life in the lives of those you love and even in the world greatness is already given it is simply yours to claim within yourself

The Passion Belief Method 2015-08-21 theatlantic com prompted by her own experience as cohost of know your value

Own Your True Worth 2020-12 the bestselling motivational guide that theatlantic com calls a rallying cry for women to get the money they deserve why are women so often overlooked and underpaid what are the real reasons men get raises more often than women how can women ask for and actually get the money the job the recognition they deserve prompted by her own experience as cohost of morning joe mika brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields power players such as facebook s sheryl sandberg senator elizabeth warren harvard s victoria budson comedian susie essman and many more shared their surprising personal stories they spoke candidly about why women are paid less and the pitfalls women face and play into now expanded to address gender dynamics in the metoo era know your value blends compelling personal stories

the monk who sold his
ferrari in hindi

with the latest research on why many women don't negotiate their compensation why negotiating aggressively usually backfires and what can be done about it for any woman who has ever wondered if her desire to be liked can be a liability yes if there is a way to reclaim her contribution after it's been co-opted in a meeting yes and if there are strategies men use to get ahead that women should too yes know your value provides vital advice to help women be their own best advocates

Know Your Value 2011 in her 1 nyt bestsellers brené brown taught us what it means to dare greatly rise strong and brave the wilderness now based on new research conducted with leaders change makers and culture shifters she's showing us how to put those ideas into practice so we can step up and lead leadership is not about titles status and power over people leaders are people who hold themselves accountable for recognising the potential in people and ideas and developing that potential this is a book for everyone who is ready to choose courage over comfort make a difference and lead when we dare to lead we don't pretend to have the right answers we stay curious and ask the right questions we don't see power as finite and hoard it we know that power becomes infinite when we share it and work to align authority and accountability we don't avoid difficult conversations and situations we lean into the vulnerability that's necessary to do good work but daring leadership in a culture that's defined by scarcity fear and uncertainty requires building courage skills which are uniquely human the irony is that we re

the monk who sold his
ferrari in hindi

choosing not to invest in developing the hearts and minds of leaders at the same time we re scrambling to figure out what we have to offer that machines can t do better and faster what can we do better empathy connection and courage to start brené brown spent the past two decades researching the emotions that give meaning to our lives over the past seven years she found that leaders in organisations ranging from small entrepreneurial start ups and family owned businesses to non profits civic organisations and fortune 50 companies are asking the same questions how do you cultivate braver more daring leaders and how do you embed the value of courage in your culture dare to lead answers these questions and gives us actionable strategies and real examples from her new research based courage building programme brené writes one of the most important findings of my career is that courage can be taught developed and measured courage is a collection of four skill sets supported by twenty eight behaviours all it requires is a commitment to doing bold work having tough conversations and showing up with our whole hearts easy no choosing courage over comfort is not easy worth it always we want to be brave with our lives and work it s why we re here

Know Your Value 2018-09-25 learn how to stand out from other cpas by showing clients that you are the value of your cpa firm you are the value define your worth differentiate your cpa firm own your market provides you with practical strategies to build meaningful and lasting relationships with clients written specifically for cpas this new book guides you to discover what makes you

the monk who sold his
