chapter 26 guided reading
history answers

scramble is a little otter who can't swim at the beginning of the story we find him in the middle of writing a list of things he can do and can't do. The 'can't do' side just says 'swimming'. One small word but not being able to swim is a big deal for Scramble. It means he's teased by some of the riverbank animals. It means he feels left out when everyone else is in the water and it means he spends hours and hours sitting on his own on the slippery rock wishing and wishing and wishing that he could. But something is going round in Scramble's head. Something his mummy has said. Something his older sister has said. 'You've got to start small' and so slowly, slowly Scramble builds his confidence in the water, overcoming each new incremental goal that he sets himself until finally Scramble really can swim. At the heart of this gentle story about learning a new skill is the message of encouragement, something that is important for toddlers everywhere.

Little Children's Pirate Activity Book

2019-08-08

A write-in activity book for young children full of mazes, dot-to-dot, drawing, colouring, stickering, spot the difference, counting, spotting and matching activities, all themed around Christmas.
