the politics of claiming rights and strategies of mobilisation exhibited by marginalised social groups lie at the heart of this volume theoretically the authors aims to foster a holistic and multi faceted understanding of how social and economic justice is claimed either through formal corporatist or organised mechanisms or through ad hoc informal or individualised practices as well as the implications of these distinctive activist strategies the collection emphasises both the difficulties of political mobilisation and the distinctive methods employed by various social groups across a variety of contexts to respond and overcome these challenges crucially the authors approach involves a conceptualisation of social movements and local mobilisation in terms of the language of rights and justice claims making through more organised as well as everyday political practices in so doing the book bridges the literature on contentious politics the politics of claiming social justice and everyday politics of resistance

during the 1990s as the internet in general and e mail in particular grew in popularity as a means of communication a number of cameroonians residing in various parts of the world established a vibrant and lively electronic forum for the discussion of various issues related to their native land the forum known as camnet demonstrated that cameroonians living abroad could actively participate in the political economic and social processes taking place at home this ability to remain actively engaged in the development of one's nation through the internet is what endeley calls virtual activism camnet thus distinguished itself as the first and most influential breeding ground for cameroonian virtual activism although camnet appeared to be dominated by political discussions it was a truly multi dimensional forum no topic was explicitly forbidden and on some occasions the participants conducted extensive debates on issues that had nothing to do with cameroon or with politics in this publication however the author has chosen to present only a representative sample of his own contributions from the late 1990s with a direct bearing on cameroon's development some of the contributions are in french and in order to reflect the bilingual nature of the debates that took place on camnet these have not been translated into english the informed reader will be struck by the issues which were being debated over 15 years ago as well as by the fact that some of the predictions the author made in the 1990s are a reality today

about the publication the african charter on the rights and welfare of the child african children s rights charter is the continental instrument for protecting and promoting the rights and welfare of the child the children s charter adopted in 1990 forms part of the salient features of the african human rights system complementing the parent human rights instrument the african charter on human and peoples rights african charter to give meaning and effect to its provisions the african children s rights charter in article 34 establishes an organ namely the african committee of experts on the rights and welfare of the child african children s rights committee or committee to monitor implementation by member states to advocate for children s rights and to hold state parties accountable to their obligations as state parties working collaboratively on the continent s human rights system the organs comprising the african human rights namely the african commission on human and peoples rights commission the african court on human and peoples rights court and the african children s rights committee have undertaken to publish the african human rights yearbook this is an instrumental platform to highlight the mandate of the organs to foster collaboration and to illustrate africa s commitment to uphold human rights it is an important initiative that highlights various aspects of the norms and institutions relevant for human rights on the continent this is the third volume of the yearbook it includes a focus on the 2019 theme of the african union refugees returnees and internally displaced persons towards durable solutions to forced displacement in africa the african children s committee has at the same time undertaken and published a study on children on the move 2019 focusing not only on refugees detainees and internally displaced persons but also drawing inspiration from the protective mandate of the african children s rights charter to draw the continent s attention to the protection and promotion of the rights and welfare of children who are on the move the focus on themes of the african union enables a critical analysis of the extent of their implementation and relevance to the human rights discourse in the continent furthermore the special

focus of the yearbook on various groups of people in vulnerable situation such as children and women signals the need to enhance their protection and prioritise their plight the role of academic writing in advancement of human rights deserves due notice and appreciation by human rights implementing bodies peer reviewed academic research provides credible and independent knowledge about human rights in a specific country or region as well as in various contexts and thematic areas academia plays a major role in the development of a human rights resource base that enables sustainable enhancement of human rights protection and promotion the african human rights yearbook is an excellent example of the important role played by academia in strengthening human rights protection and promotion in africa the breadth of knowledge enveloped in the yearbook is evidenced by the long list of highly established scholars that informed it by questioning and analysing the institutional architecture and the work of the three human rights bodies the yearbook has an invaluable role of ameliorating their functioning as a collective system for this reason it is critical that the committee commission and court take note of the various recommendations stemming from the research and apply them when relevant for better protection and promotion of human rights in africa mrs goitseone nanikie nkwe chairperson of the african committee of experts on the rights and welfare of the child la charte africaine des droits et du bien être de l enfant charte des droits de l enfant est l instrument central en matière de protection et de promotion des droits et du bien être de l enfant en afrique adoptée en 1990 elle fait partie intégrante des instruments clés du système africain des droits de l homme et complète à cet effet la charte africaine des droits de l homme et des peuples le traité fondateur du système africain des droits de l homme pour mieux protéger les droits des enfants le comité africain d experts sur les droits et le bien être de l enfant comité fut créé à travers l article 34 de la charte des droits de l enfant cet organe a pour mission de surveiller et de contrôler l application et la mise en oeuvre de la charte il veille que les etats respectent et rendent compte de la mise en oeuvre des obligations qui leur incombent en vertu de la charte travaillant en étroite collaboration dans le cadre de la protection des droits de l homme en afrique la commission africaine des droits de l homme et des peuples la cour africaine des droits de l homme et des peuples et le comité africain d experts sur les droits et le bien être de l enfant ont mis en place l annuaire africain des droits de l homme cette initiative sert d opportunité pour promouvoir les missions dévolues auxdits organes raffermir les liens de collaboration entre eux et rappeler l engagement pris par l afrique afin de protéger les droits humains l annuaire est une initiative importante car elle met en exergue les différents aspects normatifs et institutionnels des droits de l homme en afrique ce troisième volume de l annuaire est dédié au thème que l union africaine a retenu pour l année 2019 année des réfugiés des rapatriés et des personnes déplacées vers des solutions durables aux déplacements forcés en afrique en parallèle le comité a entrepris et publié une cartographie des enfants en mouvement en afrique 2019 axée sur les réfugiés les détenus et les déplacés internes tirant ses fondements du mandat de protection que confère la charte des droits de l enfant la cartographie attire l attention du continent sur la protection et la promotion des droits et du bien être des enfants en mouvement l emphase sur les thèmes de l union africaine dans l annuaire permet d examiner le degré de leur mise en oeuvre et leur importance au débat sur la question des droits de l homme en afrique par ailleurs l accent mis sur les catégories et groupes en situations de vulnérabilité dont les enfants et les femmes sert à réitérer la nécessité de renforcer leur protection et de prioriser leur infortune les organes de protection des droits de l homme devraient reconnaître à sa juste valeur le rôle que jouent les travaux scientifiques dans la promotion des droits de l homme les travaux de recherche scientifique relus et examinés par les pairs fournissent des connaissances crédibles et indépendantes sur les droits de l homme dans un pays ou une région spécifique ainsi que dans divers contextes et domaines thématiques les universités jouent un rôle prépondérant dans la mise en place des ressources adéquates en matière des droits de l homme en vue de renforcer durablement leur protection et promotion l annuaire africain des droits de l homme est un parfait exemple de l important rôle joué par les universités dans le renforcement de la protection et de la promotion des droits de l homme en afrique la profondeur des connaissances que regorge l annuaire peut être illustrée de par la longue liste d universitaires et des chercheurs qui le constituent en interrogeant et en analysant l architecture institutionnelle et le travail des trois organes de défense des droits de l homme l annuaire joue un rôle inestimable dans l amélioration de leur fonctionnement en tant que système collectif pour cette raison il est essentiel que le comité la commission et la cour prennent note des diverses recommandations découlant des recherches entreprises et les appliquent le cas échéant pour une meilleure protection et promotion des droits
