Icci qualifications are available from level 1 to level 4 benchmarked against the UK national qualifications framework. Icci level 3 qualifications are equivalent to a level or BTEC nationals and prepare students for junior accountant, marketing executive or management accounting roles. The level 3 certificate in financial accounting enables students to produce financial records summarising an organisation's financial transactions over a specific accounting period and its current financial position in terms of assets, liabilities and capital after completing the Icci level 2 diploma. Students are eligible to advance to the Icci level 3 diploma. This progression equips them with deeper expertise in accounting and finance, preparing them for entry-level positions such as accounts executive or finance assistant. Icci marketing qualifications focus on key areas that are relevant to businesses right now, such as customer experience, CX, communications and content analytics, and data analysis, as well as risk management. Browse subjects across levels 2-3.
