1305 189 il volume partendo dal concetto di sviluppo sostenibile affronta il tema della corporate social responsibility csr in un ottica strategica di lungo periodo la csr rappresenta oggi una nuova cultura aziendale il cui fine è quello di combinare in maniera positiva gli aspetti economico finanziari e la sostenibilità verso l ambiente e verso la collettività tutto ciò secondo il principio di una governance allargata che coinvolge tutti gli stakeholders si studiano quindi gli effetti che ne derivano sugli strumenti del controllo di gestione e sulla comunicazione interna ed esterna margine di contribuzione ambientale e sociale life cycle assessment parametri obiettivo prezzi ambientali di trasferimento balanced scorecard bilancio sociale report ambientale si riportano infine alcuni esempi generici di csr messi in atto durante la pandemia da covid 19 il settore sanitario ha una grande rilevanza economica in esso convivono formule diverse il pubblico il privato il non profit la peculiarità del volume è quella di legare la prospettiva economica e quella manageriale nell ambito della prima l analisi è condotta sia in ambito micro per definire le condizioni di efficienza e di efficacia del servizio sia in ambito macro per individuare il contributo che il miglioramento delle condizioni di salute dà alla formazione del capitale umano la cui accumulazione è alla base della crescita economica sono altresì affrontati i problemi di policy lo schema generale si basa sull interazione tra domanda e offerta i sei capitoli sono articolati in una lezione di base ed un ricco apparato di schede oltre 70 l approccio modulare consente l utilizzo del testo a vari livelli nei corsi di laurea nelle lauree specialistiche nei master nella facoltà di medicina di economia di ingegneria 365 641 pmbok guide is the go to resource for project management practitioners the project management profession has significantly evolved due to emerging technology new approaches and rapid market changes reflecting this evolution the standard for project management enumerates 12 principles of project management and the pmbok guide seventh edition is structured around eight project performance domains this edition is designed to address practitioners current and future needs and to help them be more proactive innovative and nimble in enabling desired project outcomes this edition of the pmbok guide reflects the full range of development approaches predictive adaptive hybrid etc provides an entire section devoted to tailoring the development approach and processes includes an expanded list of models methods and artifacts focuses on not just delivering project outputs but also enabling outcomes and integrates with pmistandards for information and standards application content based on project type development approach and industry sector this is an update and expansion upon pmi's popular reference the practice standard for project risk management risk management addresses the fact that certain events or conditions may occur with impacts on project program and portfolio objectives this standard will identify the core principles for risk management describe the fundamentals of risk management and the environment within which it is carried out define the risk management life cycle and apply risk management principles to the portfolio program and project domains within the context of an enterprise risk management approach it is primarily written for portfolio program and project managers but is a useful tool for leaders and business consumers of risk management and other stakeholders the olive olea europaea is increasingly recognized as a crop of great economic and health importance world wide olive growing in italy is very important but there is still a high degree of confusion regarding the genetic identity of cultivars this book is a source of recently accumulated information on olive trees and on olive oil industry the objective of this book is to provide knowledge which is appropriate for students scientists both experienced and inexperienced horticulturists and in general for anyone wishing to acquire knowledge and experience of olive cultivation to increase productivity and improve product quality the book is divided into two parts i the olive cultivation table olive and olive oil industry in italy and ii italian catalogue of olive varieties all chapters have been written by renowned professionals working on olive cultivation table olives and olive oil production and related disciplines part i covers all aspects of olive fruit production from site selection recommended varieties pest and disease control to primary and secondary processing part ii contains the chapter on the description of italian olive varieties it is well illustrated and includes 200 elaiographic cards with colour

photos graphs and tables this book analyses the raising of capital imposed by regulatory and supervisory constraints for the soundness and survival of banks in europe highlighting critical issues accordingly the text examines the improvement of risk management and efficiency operated by individual banks as the main driver for reinforcing bank resilience and survival the investigation is carried out essentially through study of risk management efficiency capital constraints bank regulation and supervision in europe monetary policy and economic growth in europe capital raising in european banks bank regulation and supervision in the usa raising of capital or improvement of risk management and efficiency as the final issue raising capital by regulatory and supervisory constraints meets solvency requirements at a given time in contrast improving risk management and efficiency allows banks to create the best structural premises for reducing costs increasing revenue and profits and capital level contributing to the solvency and survival of banks in this book papers pertaining to resource management for sustainable agricultural development are presented in four parts divided into ten chapters part i discusses the usage of water and waste management for sustainable agricultural development including aspects like irrigation management to prevent soil and ground water salinization production of solid fuel from oil palm waste sustainable ecomaterials and biorefinery from agroindustrial waste nonpoint pollution from agriculture and livestock activities on surface water part ii discusses sustainable management of dryland resources especially carbon sequestration under changing climate scenario part iii deals with efficient nutrient management for sustainable crop productivity in different agro climatic conditions soil quality and productivity improvement under rainfed conditions part iv throws light upon effect of conservation tillage on soil properties and impact of agricultural traffic and tillage on soil properties 100 544 with the proper management knowledge based resources human capital relational capital structural capital aim to contribute to the creation of a competitive advantage not only for companies and institutions but also for nations and economic regions intellectual capital strategy management for knowledge based organizations brings together new perspectives on the knowledge based view of strategy management as it considers the role of companies organizations and nations in the storage and measurement of their knowledge this book is useful for industry leaders practitioners academics and scholars interested in emerging aspects of knowledge management and industry services annals of the italian group of fracture journal frattura ed integrità strutturale issues 7 10 2009 this book provides stimulating insights into the ways in which the adoption of experience logic can revitalize marketing perspectives and stimulate novel approaches to the creation and delivery of value the first part of the book which has a theoretical focus reviews the international literature and offers conceptual observations on the experiential perspective suggestions are made on how experience logic can act as a new driver for the management of marketing processes in firms within the context of the experience economy in the second part of the book attention turns to the applications of experience logic in different sectors including tourism commerce culture and trade shows company specific examples of benefits of the experiential approach are also explored in case studies on gift box providers marketing of traditional local products and the cosmetics industry the book will be of particular interest for marketing specialists but will additionally be of value for managers in private companies and public bodies who wish to enhance their marketing methods 365 898 un opera completa che contiene al suo interno il codice civile il codice di procedura civile e le leggi complementari più significative queste ultime in maniera innovativa e per evitare che il lettore si perda nella ricerca sono inserite alla fine del libro del codice al quale si riferiscono in tal modo si ha rapidamente una visione completa e sistematica dell istituto che si sta cercando completa l opera un dettagliato indice analitico con richiami anche alle leggi complementari il volume 30 di archeologia e calcolatori si apre con un inserto speciale dedicato al trentennale della rivista alle introduzioni di f djindjian e di p moscati che delineano un quadro dell informatica archeologica nel suo divenire seguono gli articoli dei membri del comitato di redazione a testimoniare l attività di ricerca e di sperimentazione che ha caratterizzato il cammino editoriale della rivista e il contributo di una giovane laureata dell università bocconi che ha lavorato a stretto contatto con il team di archeologia e calcolatori nella parte centrale sono pubblicati gli articoli proposti annualmente dagli autori ne emerge un quadro che rappresenta gli aspetti applicativi più qualificanti dell informatica archeologica le banche dati i gis le analisi statistiche i sistemi multimediali ma che guarda oggi con sempre maggiore interesse agli strumenti di visualizzazione scientifica e di comunicazione delle conoscenze il volume si chiude con gli atti del xii workshop archeofoss free libre and open source software e open format nei processi di ricerca

archeologica un iniziativa lodevole nata nel 2006 cui si è più volte dato spazio nelle pagine della rivista members of the moravian church who settled in north carolina were meticulous record keepers documenting almost every aspect of their day to day lives a significant part of those records is preserved in the form of photographs moravian photographers both professional and amateur created an enduring legacy by capturing their society and surroundings in faithful detail their photographs which record the towns of bethabara bethania salem friedberg hope and friedland as well as other communities throughout the state provide a rare glimpse into the historic world of moravian life in north carolina this book focuses on the role of networking cooperation and partnership in destination management in response to the changing environment of the tourism industry firms and institutions are nowadays required to implement drastic management changes they must adopt a systemic approach and become actively involved in formal and informal networks in order to increase efficiency and product quality to gain a sustainable edge and face the competitive context the work is dedicated to deepening the topics of the networking and tourism local system session of the 12th atlas 2004 annual conference networking partnership in destination development management held in naples from a theoretical point of view the papers included herein relate to two macro reference areas applied economics and managerial sciences the analysis range from national to local levels and focus on strategies policies and project experiences several cases from different areas finland france ireland italy malaysia portugal spain sweden are examined and provide features and issues that can be applied beyond the cultural and economic contexts la guida operativa raccoglie la versione integrale di tutti i principi emanati dall oic aggiornati con i più recenti emendamenti tra cui il principio contabile n 33 emanato a marzo 2020 si tratta delle regole contabili da applicare per la redazione dei bilanci secondo le disposizioni del codice civile tutti i principi sono corredati da un commento dell'autore che analizza le novità fino ad oggi emanate per meglio comprendere e interpretare le tecniche di redazione anche grazie ai numerosi esempi riportati come noto il recepimento della direttiva 2013/34 ue con il d lgs n 139/2015 ha introdotto maggiori elementi di complessità nella redazione del bilancio rendendo necessari continui miglioramenti nelle regole contabili da parte dell'organismo italiano di contabilità di particolare interesse sono inoltre i commenti ai chiarimenti in risposta ai quesiti ricevuti dall'organismo italiano di contabilità e alle comunicazioni su specifici accadimenti aziendali completa l'opera l'analisi delle bozze in consultazione del principio contabile sul bilancio d'esercizio degli enti del terzo settore e dell'oic 34 sui ricavi this book focuses on the use of farm level micro and macro data of cooperative systems and networks in developing new robust reliable and coherent modeling tools for agricultural and environmental policy analysis the efficacy of public intervention on agriculture is largely determined by the existence of reliable information on the effects of policy options and market developments on farmers production decisions and in particular on key issues such as levels of agricultural and non agricultural output land use and incomes use of natural resources sustainable centric management structural change and the viability of family farms over the last years several methods and analytical tools have been developed for policy analysis using various sets of data such methods have been based on integrated approaches in an effort to investigate the above key issues and have thus attempted to offer a powerful environment for decision making particularly in an era of radical change for both agriculture and the wider economy
