bitingly funny infectiously inquisitive and ferociously sharp adored attitude a fascinating interrogation grazia an incisive witty and moving look at marriage as an achievement a compromise a selling out a practical solution refinery²⁹ it was one thing to get married when your parents your neighbours your community insisted on it when a sacred union for heterosexuals was not just one option but the only option it's quite another to keep doing it in when free of that societal and religious pressure what is the allure of an institution grounded in patriarchy in elitism in white supremacy in the west an institution that invalidated all but one kind of love till quite recently why do so many of us fight against these social ills while also posting pictures of proposals on instagram is it possible to be married while subverting the institution by doing it one's own way or is marriage having the last laugh after all tom rasmussen comes from a northern working class family for whom marriage in the centrepiece of life they are also a male bodied non binary queer person in a relationship with a man journeying through wildly different weddings visits to wedding planners interviews with the much married those who have questioned their decision to marry and those who would never consider matrimony this is an incisive witty and moving look at marriage as an achievement a compromise a selling out a practical solution tom rasmussen examines what marriage means across the spectrum of sexuality and class and what the future looks like for this most historic and universal of institutions an incisive compassionate probing of the pleasures and pitfalls of marriage a deft deconstruction of normativity today dazed tom rasmussen is a smart and accomplished storyteller anyone queer or straight who's considering marriage or for that matter anyone who's deeply in love should read this unputdownable book kate bornstein i love tom rasmussen and adore their writing travis alabanza an interrogation and an investigation a deeply funny and optimistic read junio roche

First Comes Love

2002-06-11

scott hahn has the rare ability to explain the essential teachings of catholicism in a totally accessible manner rather than burdening the reader with difficult or arcane references and arguments he writes of familiar feelings and situations and allows the theology to unfold naturally in first comes love hahn turns his attention to the search for a sense of belonging revealing the intimate connection between the families men and women create on earth and the divine family the holy trinity delving into the gospels hahn shows that family terminology words like brother sister mother father and home dominates jesus speech and the writings of his first followers and that these very words illuminate christianity's central ideas as he explores the fatherhood of god the marriage of the church to christ and the all enveloping role of the holy spirit hahn deepens readers understanding of the sacraments teaches them how to create a family life in the image of the trinity and demonstrates the ways in which the analogy of the family applies to every aspect of catholicism and its practices from the role of father embodied by the ancient patriarchs and contemporary parish priests to the comfort and guidance offered by the brothers and sisters who comprise the communion of saints to the nurturing embrace of mary the mother of all christians through real life examples both humorous and compassionate and quotations drawn from the scriptures hahn makes it clear that no matter what sort of family readers come from no matter what sort of dysfunction they have experienced they can find a family in the church reaching out to newcomers and to lifelong christians alike first comes love is an invitation to discover a true home in the divine
