written specifically for middle level south african police saps managers this guide explores the creation of a learning environment within the saps the development of general and resource management skills and practices and the promotion of community policing and its role in the saps

## ***Operations Management Global & Southern African Perspective***

2023-04-20

south african human resource management focuses on the knowledge and skills that managers at all levels need the authors integrate contemporary international research and implementation with a south african perspective

## **Management Policy in South Africa**

1983

the purpose of this book is to establish the first formalised scholarly work on critical management studies cms in the south african context the book is a collection of seven chapters six of which employ a conceptual methodology and one of which follows an interpretive paradigm employing qualitative methods of inquiry cms is a relatively young school of thought arising in the early 1990s and still very much a peripheral movement within the academic discipline of management south africa has very little scholarship on cms as precious few scholars work in this space furthermore publication opportunities are virtually non existent as cms is virtually unknown in the south african community of management scholars thus this book represents the first academic work on cms published in south africa written and reviewed by scholars who are familiar with the field the primary target readership would be management academics but it could also be a useful reference for postgraduate students in management

## **Human Resource Management**

2011

an accessible textbook for second and third year students of management accounting the book uses current and relevant examples for south african students supporting managerial decision making in the context of management accounting

## ***Financial Management in Southern Africa***

1999

south africa is celebrating its first decade of democratic freedom it therefore seems appropriate to examine in more detail how south africa has tried to restore some of the many social injustices caused by the former apartheid regime this book offers a view into the world of organisation and management from a cultural perspective the authors investigate how initiatives and policies with the aim of generating more employment equity have been developed implemented and have worked out in various sectors of the south african economy the various chapters present in depth case studies that deal with the south african government local ngos universities and tourism the book reveals in detail the local struggles of the historically disadvantaged and the powers that be to try and live up to the ideals of the new south africa

## ***Evaluation Management in South Africa and Africa***

2014-12-01

education leadership and management have changed dramatically since 1994 with the changes in legislation governing schools the new policies involve the learners educators and parents to a larger extent in terms of managing schools this text looks at these changes and the practical implications of the policies it explores management skills such as communication understanding systems planning and accountability it gives detailed explanations of the new management systems by looking at different aspects of each piece of legislation as well as the way in which it relates to the numerous role players involved in managing a school this book has the advantage of taking into account all aspects of managing the whole school environment in a very practical manner
