National Trust Handbook 1998 Bodiam is everyone's idea of the perfect bucket and spade castle but for the man who built it Sir Edward Dallingridge Bodiam was a deadly serious veteran of the hundred years war he wanted not only to counter the threat of French invaders but also to impress his fractious neighbours today Bodiam castle survives as a romantic ruin

The National Trust handbook for members and visitors 1987 this beautiful coffee table book features stunning photographs from the National Trust's extensive photo library and covers the area of the Lake District associated with Beatrix Potter alongside the photographs are related Beatrix Potter watercolour landscape paintings and illustrations from her famous tales revealing the way the Lake District countryside inspired her with minimal text and map references to the areas pictured this makes an informative visual guide to this popular area of the English countryside also includes a double page spread of photographs from the film Miss Potter starring Renee Zellweger released in January 2007

Bodiam Castle 2017-07-24 this volume explores the foundations of trust and whether social and political trust have common roots contributions by noted scholars examine how we measure trust the cultural and social psychological roots of trust the foundations of political trust and how trust concerns the law the economy elections international relations corruption and cooperation among myriad societal factors the rich assortment of essays on these themes addresses questions such as how does national identity shape trust and how does trust form in developing countries and in new democracies are minority groups less trusting than the dominant group in a society do immigrants adapt to the trust levels of their host countries does group interaction build trust does the welfare state promote trust and in turn does trust lead to greater well being and to better health outcomes the Oxford Handbook of Social and Political Trust considers these and other questions of critical importance for current scholarly investigations of trust

Beatrix Potter's Lake District 2007 Rudyard Kipling loved Bateman's it was his personal paradise where he wrote some of his most famous works and enjoyed quiet family life free from the demands of fame the atmospheric 17th century house has changed little since his time and nestles modestly in the wooded landscape of the Sussex Weald this guidebook uncovers the lives of the Kiplings and their staff at Bateman's

National Trust Handbook for Members and Visitors 1953 National Trust Handbook is a concise up to date guide for anyone interested in places of historic or natural interest short descriptions are given of each property or location along with opening times facilities directions and maps

The Oxford Handbook of Social and Political Trust 2018-01-02 Hill Top is a shrine to Beatrix Potter each room imbued with her spirit the house she bought with the royalties from her first and most famous book the tale of Peter Rabbit became her cabinet of curiosities a giant dolls house where she would arrange and re arrange her things as she liked every painting piece of furniture and antique had symbolic or emotional meaning to her featuring new photography illustrations from the Little Books and photographs of Beatrix and her family this new guidebook traces the fascinating story of this extraordinary woman peppered with quotes from Beatrix it reveals her lonely London childhood how she became a successful author and illustrator and how she fell in love with the lakes and acquired Hill Top readers will discover her lovely farmhouse and cottage

garden and see how her surroundings inspired many scenes in her little books and how in later life she reinvented herself as a farmer landowner conservationist and national trust supporter today it is thanks to her that the lake district remains one of the most spectacular corners of england

Rudyard Kipling at Bateman's 2015-07-08 this estate in the welsh marches was home to the croft family by the time of the domesday book and so it is today in the hills above the castle are the imposing earthworks of an even older settlement the ring of deep ditches around the iron age hill fort of croft ambrey dates from 500 bc and offers an unspoilt panorama to the welsh mountains and the malverns thickly wooded parkland and majestic avenues of spanish chestnuts surround the castle some parts landscaped in the picturesque manner close to the house the walled garden produced grapes for wine as well as produce for the café the much remodelled castle has delightful gothick interiors with furniture in complementary style a fine collection of paintings decorate the walls with portraits ranging from reynolds and lawrence to de lázló close by is st michael s church and a magnificent early 16th century altar tomb to sir richard and dame eleanor croft
