two early doctors and three sheriffs are chronicle two outstanding women amelia church and annie laurie snorf are featured other interesting and important events are recorded in the book s 26 chapters although each chapter is a story unto itself they are arranged in chronological order to place them in the appropriate period in the history of roswell and chaves county on june 28 1868 a group of men gathered alongside a road 35 miles north of albuquerque to witness a 165 round 6 hour bare knuckle brawl between well known colorado pugilist barney duffy and jack an unidentified fighter who died of his injuries thought to be the first official prizefight in new mexico this tragic spectacle marked the beginning of the rich and varied history of boxing in the state oftentimes an underdog in its battles with the law and public opinion boxing in new mexico has paralleled the state s struggles and glories through the wild west statehood the depression war and economic growth it is a story set in boomtowns ghost towns and mining camps along railroads and in casinos and populated by cowboys soldiers laborers barrio bred locals and more this work chronicles more than 70 years of new mexico s colorful boxing past representing the most in depth exploration of prizefighting in one region yet undertaken the idea for an international symposium on regulated streams was conceived over an open faced sandwich at the r dhus in copenhagen when we attended the congress of the societates internationalis limnologiae in summer 1977 although we were aware that various col leagues were working on ecological problems in reservoir tailwaters we did not fully comprehend the magnitude of worldwide stream regulation nor the extent of interest in the subject such revelations are reflected in the 21 papers included in this book the authors have summarized current understanding of the ecology of regulated streams and attempted to convey the importance and direction of future scientific investigations in stream ecosystems altered by upstream impoundments the first international symposium on regulated streams was the plenary event at the 27th annual meeting of the north american benthological society april 18 20 1979 in erie pennsylvania more than 500 colleagues attended we gratefully acknowledge the support granted by the national science foundation these funds permitted intellectual exchange between scientists from eight countries on four continents we extend personal thanks to dr k w stewart president of nabs and the nabs program committee including drs e c masteller e r brezina and w p kovalak these individuals and other officers and members of the executive committee assisted us with the many details leading to organization and staging of a scientific forum discussions with dr john cairns jr and dr g richard marzolf during the early planning stage were most helpful includes entries for maps and atlases beginning with v 2 includes the yearbook of the dept of elementary school principals of the national education association of the united states and beginning with v 34 includes the department s membership directory and annual report a public controversy over plans for construction of an astrophysical observatory in the pinaleno mountains of southeastern arizona swelled during 1987 and 1988 for several years the controversy attracted national attention then for a while the interest of the press and scientific journals waned only to revive again recently
