## **Remains of a Very Antient Recension of the Four Gospels in Syriac**

1858

what is the philosophy of religion how can we distinguish it from theology on the one hand and the psychology sociology of religious belief on the other what does it mean to describe god as eternal and should religious people want there to be good arguments for the existence of god or is religious belief only authentic in the absence of these good arguments in this very short introduction tim bayne introduces the field of philosophy of religion and engages with some of the most burning questions that philosophers discuss considering how religion should be defined and whether we even need to be able to define it in order to engage in the philosophy of religion he goes on to discuss whether the existence of god matters exploring the problem of evil bayne also debates the connection between faith

and reason and the related question of what role reason should play in religious contexts shedding light on the relationship between science and religion bayne finishes by considering the topics of reincarnation and the afterlife about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

## ***Performance of a Very Long 8 GHz Microwave Link***

1979

this is a gorgeous book it s tender and fierce beautiful even as it depicts some ugly truths the prose is passionate and honest unsentimental and big hearted the very best books move you to reconsider the world around you and this is one of those i truly loved it nicola yoon bestselling author of everything everything

# **A Catalogue of a Very Valuable and Select Collection of Books, in Most Languages, and Every Branch of Literature**

1815

if strategy is the queen of business then this book offers us the perfect introduction to her court it is accessible lively and informative the book repays the reader with wonderful account of how strategy works it also lets the reader in on some of the darker secrets of strategy andré spicer associate professor of organisation studies warwick business school studying strategy is a welcoming lively and thought provoking account that helps students get to grips with strategy s key issues and broad debates and introduce them to the latest ideas conceived by chris grey as an antidote to conventional textbooks each book in the very short fairly interesting and reasonably cheap series takes a core area of the curriculum and turns it on its head by providing a critical and sophisticated overview of the key issues and debates in an informal conversational and often humorous way suitable for students of strategy at undergraduate masters and mba level professionals involved in strategic decision making and anyone interested in how strategy works

## **Philosophy of Religion: A Very Short Introduction**

2018-01-25

previous studies of early scottish emigration to the new world have tended to concentrate on the miseries of evictions and the destruction of old communities in this groundbreaking study of the influx of scots to prince edward island the widely held assumption that emigration was solely a flight from poverty is challenged by uncovering previously unreported ship crossings as well as a wide range of manuscripts and underused sources such as customs records and newspaper shipping reports the book provides the most comprehensive account to date of the influx of scots to the island a very fine class of immigrants is essential reading for individuals wishing to trace family links or deepen their understanding of how and why the island came to acquire its distinctive scottish communities and by accessing for the first time shipping sources like lloyd s list and the lloyd s shipping register the author brings a new dimension to our understanding of emigrant travel campey demonstrates that far from sailing on disease ridden leaky tubs as popularly imagined the island s pioneer scots usually crossed the atlantic on the best available ships of the time
